BIU College of Pharmacy

Date: 22th July, 2022

Value Added Course on Pharmaceutical Innovations

BIU/BCP/2022/01

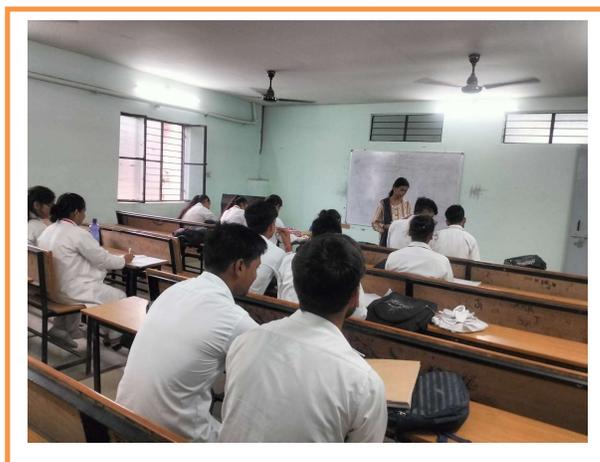

Summary Report

- Name of the Course : Value Added Course on Pharmaceutical Innovations
- Course Code : BIU/BCP/2022/01
- Course Coordinator : Mr.Yogendra Singh
- Duration of the Course : 26 Hours
- Total Participants Enrolled : 35
- Total Participants Completed : 33
- Types of Assessment : Multiple Choice Questions (MCQs)

Course Outcome

After completion of this course, participants will be able to identify emerging trends in pharmaceutical innovations; evaluate the impact of novel drug formulations on patient outcomes; apply creative problem-solving techniques to drug development challenges; and collaborate effectively with multidisciplinary teams to drive innovation in pharmacy.

Result: The result analysis shows that 80% participants secured more than 60% marks in the assessment.

BIU College of Pharmacy

Date: 03rd Nov, 2022

Value Added Course on Pharmaceutical Biotechnology

BIU/BCP/2022/03

Summary Report

- Name of the Course : Value Added Course on Pharmaceutical Biotechnology
- Course Code : BIU/BCP/2022/03
- Course Coordinator : Mr.Rohit Kr. Bijauliya
- Duration of the Course : 26 Hours
- Total Participants Enrolled : 40
- Total Participants Completed : 38
- Types of Assessment : Multiple Choice Questions (MCQs)

Course Outcome

After completion of this course, participants will be able to comprehend the principles of biopharmaceutical development; analyze the roles of biotechnology in drug discovery and production; evaluate the regulatory landscape affecting biopharmaceuticals; and apply biotechnological advancements to improve patient care.

Result: The result analysis shows that 80% participants secured more than 60% marks in the assessment.

BIU College of Pharmacy

Date: 12th Dec, 2022

Value Added Course on Global Health and Pharmacy Practice

BIU/BCP/2022/04

Summary Report

- Name of the Course : Value Added Course on Global Health and Pharmacy Practice
- Course Code : BIU/BCP/2022/04
- Course Coordinator : Mr. Prashant Kr. Sharma
- Duration of the Course : 26 Hours
- Total Participants Enrolled : 30
- Total Participants Completed : 25
- Types of Assessment : Multiple Choice Questions (MCQs)

Course Outcome

After completion of this course, participants will be able to understand the global health landscape and its implications for pharmacy practice; assess the role of pharmacists in public health initiatives; develop strategies for addressing health disparities in diverse populations; and advocate for equitable access to pharmaceutical care worldwide.

Result: The result analysis shows that 80% participants secured more than 60% marks in the assessment.

BIU College of Pharmacy

Date: 20th Jan, 2023

Value Added Course on Pharmacotherapy for Infectious Diseases

BIU/BCP/2022/05

Summary Report

- Name of the Course : Value Added Course on Pharmacotherapy for Infectious Diseases
- Course Code : BIU/BCP/2022/05
- Course Coordinator : Mr. Sunny Patel
- Duration of the Course : 26 Hours
- Total Participants Enrolled : 32
- Total Participants Completed : 26
- Types of Assessment : Multiple Choice Questions (MCQs)

Course Outcome

After completion of this course, participants will be able to formulate effective pharmacotherapy strategies for managing infectious diseases; evaluate the pharmacokinetics and pharmacodynamics of antimicrobial agents; apply guidelines for antibiotic stewardship in clinical practice; and analyze resistance patterns to optimize treatment outcomes.

Result: The result analysis shows that 80% participants secured more than 60% marks in the assessment.
