BAREILLY INTERNATIONAL UNIVERSITY BAREILLY INTERNATIONAL UNIVERSITY BAREILLY INTERNATIONAL UNIVERSITY

BEL Road, MSR Nagar, Bangalore -560054 (hereinafter referred to as FDS, MSRUAS), referred to in this MoU as 'Party-1' Represented by its Registrar, Dr G. S. Venkatesh which shall, unless it is repugnant to the context or meaning thereof, be deemed to include its successors in interest and permitted assigns.

and

Institute of Dental Sciences of Bareilly International University (IDS, BIU), Bareilly, a private University established under the UGC Act 1956 by the Uttar Pradesh Govt. Act No. 26 of 2016, dated 16th Sept 2016. and its registered office is at Pilibhit Bypass Road, Opp. Suresh Sharma Nagar, Bareilly-243006, (U.P.), India, in this MoU as 'Party 2' Represented by its Registrar, Unless it is repugnant to the context or meaning thereof, Prof (Dr.) Sushil.Kumar Thakur shall be deemed to include its successors in interest and permitted assigns.

Party 1 and Party 2 shall hereinafter be referred to as such or collectively as "Parties" and individually as "Party".

WITNESSETH:

WHEREAS, FDS, MSRUAS, the top private university in Bangalore, has its legacy, and the creation of RUAS brought together several well-established educational institutions of the Ramaiah Group, reorienting them to a changing present and an unpredictable future. Since its inception, FDS, MSRUAS has been a platform that bridges the gaps between academia, industry and society. With every program it offers, the University charts its unique path, creating students who comfortably adopt multidisciplinary thinking and are driven by a strong desire to build a better tomorrow. FDS, MSRUAS is proud to offer more than 90+ programs across 13 faculties and one that works tirelessly to mould the thinkers of tomorrow.

and

WHEREAS, IDS, BIU, a private university in Bareilly, Uttar Pradesh, the University is in the process of designing its milestone in the pursuit of social commitment and excellence reflected by establishing world-class practices. It has reached the shores of developing into a seat of global learning to bring about the transformation of society through value-based education and research promotions constituting institutions like Rohilkhand Medical College and Rohilkhand Cancer Institute. IDS, BIU has a belief in innovation and forward-thinking that encourages leadership in various curriculums. These advantages

Scanned with OKEN Scanner

give a special opportunity to advance this great institution through carefully selected but ambitious choices that renew and extend its mission. The learner-centric academic system with a dynamic curriculum and broad-based courses are some of the important hallmarks of this University. The IDS, BIU aims to promote academic autonomy and empowerment, design multidisciplinary courses and explore research across disciplines among its faculty and students.

The Parties recognize the benefits to be derived from collaboration, cooperation, and mutual interaction for the development and promotion of joint activities to address issues of mutual interest designed to foster and promote collaboration and undertake research activities.

A) SCOPE AND AREAS OF COOPERATION:

I. This MoU sets forth the intentions of Party 1 and Party 2 for increased collaboration, cooperation, and interaction between themselves and does not create any legally binding commitments. Whenever the Parties agree to undertake specific joint Projects with legally binding operations, they will develop separate written agreements for such Projects setting out each party's roles, responsibilities, funding, contribution, deliverables, and budgets.

B) The Parties intend to cooperate in the following areas:

I. Academic:

1. **Collaborative PG Programs:**

Joint mentorship for PG dissertations in Oral Pathology and Radiology.

2. **Joint Ph.D. Supervision:**

Co-guidance and access to diverse datasets for high-quality doctoral research.

3. **Research Fellowships:**

Focused fellowships on translational research and diagnostic innovations.

4. **Skill Development:**

Scanned with OKEN Scanner

Workshops and advanced training for PG and Ph.D. scholars in cutting-edge technologies.

5. **Shared Infrastructure:**

Joint use of laboratories, equipment, and databases for academic research shall be carried out with the mutual consent of the parties or in accordance with the terms and conditions specified in a separately constituted research agreement.

6. **Collaborative Publications:**

Co-authored research papers from PG and Ph.D. initiatives in top journals.

7. **Exchange Programs:**

Student and faculty exchange for experiential learning and collaboration.

II. Collaborative Research and Innovation Framework:

1. Grant Applications

- **Collaborative Funding Efforts:** Jointly apply for International/national/state and private-sector research grants to secure substantial funding for innovative projects in Oral/General Pathology and Radiology.
- **Synergizing Expertise:** Combine interdisciplinary strengths to craft compelling proposals that maximize funding potential.

2. Collaborative Research Initiatives

- **Innovative Problem Solving:** Address critical challenges in Oral /General Pathology and Radiology through pioneering research efforts.
- **Next-Generation Solutions:** Develop diagnostic kits, AI-based disease prediction tools, and advanced AI-driven interpretation software for pathology and radiology.

3. Shared Resources

- **Optimized Utilization:** Leverage each other's laboratory facilities, state-of-the-art equipment, and extensive research databases as mutually agreed by the parties or in

Scanned with OKEN Scanner

accordance with the terms and conditions specified in a separately constituted research agreement to expedite breakthroughs.

- **Methodological Excellence:** The Parties exchange and refine cutting-edge techniques and technologies without effecting their ownership or intellectual property, fostering mutual advancement.

4. Intellectual Property and Commercialization

For this agreement, the term "intellectual property" shall mean any works and property, including but not limited to all intellectual property ideas, inventions, concepts, products, improvement innovations, discoveries, development methods, formulae, techniques, software know-how and writings made, conceived and reduced to practice.

The terms concerning title and exploitation of intellectual property, including Trade and Service marks, Copyrights, Patents, Designs and Confidential Information on the subject for such intellectual property, patents design and confidential information on the subject of such intellectual property, inventions and innovations will be negotiated on a project-by-project basis in the specific, research project agreements and broadly governed by the IPR policy of both the parties hereto.

- **Co-Innovation:** Jointly develop and co-own patents, software, and other intellectual property derived from collaborative research. Any intellectual property (IP) developed jointly by the Parties during the term of this MOU shall be owned jointly by the Parties unless otherwise agreed in writing.
- **Market Transformation:** Collaborate to transform innovative research into practical, market-ready solutions that advance healthcare and positively impact society.
- Each Party shall retain ownership of its pre-existing IP and any IP developed independently of the collaborative projects.

5. Publications and Global Outreach

- **High-Impact Dissemination:** With the other party's consent, parties may publish transformative findings in top-tier journals and present research at premier national and international platforms.

Scanned with OKEN Scanner

- **Global Visibility:** Parties may enhance recognition through joint media initiatives and active participation in conferences, workshops, and public engagement events with the other party's consent.

6. **Coordination Committee:**

Both parties agree to the Constitution of a Co-ordinating Committee consisting of the Head of the Institution, FDS, M. S. Ramaiah University of Applied Sciences, and IDS, BIU Bareilly and a representative of both the Parties. As and when necessary, two additional members from each party may be inducted to the Committee, and together, they will be responsible for the effective implementation of the MoU. The additional members of the committee are listed/updated or can be found under Annexure-1 of this MoU under the heading "Coordination Committee".

I. Purpose: The Committee shall be responsible for:

a. Ensuring effective communication between the parties.

b. Overseeing the implementation of the activities as outlined in the MoU.

c. Addressing any operational or administrative issues that may arise.

d. Facilitating the resolution of any disputes that may arise.

II. Meetings: The Committee shall meet once in 3 months or as required by any party, with 30 days' notice. Meetings may be conducted in person or virtually. A quorum of 2 representatives is required for any decisions to be made.

III. Decision-Making: Decisions of the Committee shall be made by agreed by both the parties.

IV. Dispute Resolution: In the event of a dispute between the parties, the Committee shall be the first body to attempt a resolution. Should the Committee fail to resolve the issue within 30 days, the matter shall be escalated as per the dispute resolution mechanism outlined in this MoU in clause 10.

V. Duration: The Committee shall remain active for the duration of this MoU unless otherwise agreed by the parties in writing.

Scanned with OKEN Scanner

The contact addresses for both parties are as follows:

For FDS, MSRUAS: **Dr. G. S. Venkatesh**
Designation: Registrar
Address: New BEL Road, M.S.R. Nagar, Bangalore-560054.
Phone No: 080 – 45366666
Email ID: registrar.ruas@msruas.ac.in, registrar@msruas.ac.in

For IDS, BIU: **Prof (Dr.) Sushil Kumar Thakur**
Designation: Registrar
Address: Pilibhit Bypass Road, Opp. Suresh Sharma Nagar, Bareilly-243006, (U.P.)
Phone No: 0581-2526051
Email ID: registrar@biu.edu.in

VI. If any charges or expenses are to be paid by either Party for the facilities provided by the other party, these will be decided by the Co-ordinating Committee by signing a separate Rentals and Service Agreement which also may be modified from time to time by mutual agreement in writing depending on the type of program.

7. DISCLOSURE :

IDS, BIU, Bareilly, and FDS, M. S. Ramaiah University of Applied Sciences, on their respective websites and in business communications, may make a mention of this **RESEARCH PARTNERSHIP AND COLLABORATION.** Any such communications will have to be reviewed by the Coordination Committee and forwarded to both parties' authorised representatives for prior approval before such communications are issued.

IDS, BIU, Bareilly and FDS, M. S. Ramaiah University of Applied Sciences is authorised to display the other Party's name and logo on their signboards placed at the entrance or other suitable locations of their respective premises, provided not to be misused by Parties. This will be approved and protected by the Co-ordinating Committee of the Parties.

Scanned with OKEN Scanner

8. CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT (NDA) :

It is hereby agreed that IDS, BIU, and FDS, M. S. Ramaiah University of Applied Sciences shall keep the information and the data collected under this agreement secret to the required extent as will be agreed between the two parties in specific Agreements.

a) The Parties agree to maintain full confidentiality of all proprietary and confidential information disclosed by either Party during the term of this MoU.

b) Confidential information includes but is not limited to business plans, financial information, research data, technical specifications, designs, and any other information designated as confidential by either Party.

c) The obligation of confidentiality shall survive the termination or expiration of this MOU.

d) The Parties agree not to disclose any confidential information to third parties without the prior written consent of the disclosing Party.

e) Each Party shall take all reasonable measures to protect the confidentiality of the information and ensure that its employees, students, and subcontractors adhere to the confidentiality obligations.

f) If needed, a separate Non-Disclosure Agreement may be constituted on a project-to-project basis by the Parties.

9. DURATION :

The MOU is valid for **60 months (Five years)** from the date of signing unless either Party gives 'Thirty Days' written notice of termination. The MoU may be extended for further periods on mutually agreed terms and conditions.

10. DISPUTE RESOLUTION :

In the event of any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual consultation facilitated by the coordination committee outlined in Clause 6 of this MoU. Where it could not be resolved so, then it shall be referred to

arbitration by two arbitrators, one to be appointed by each party to the dispute, and such arbitrators shall be at liberty to appoint an umpire. The decision of the said Arbitrators and Umpire shall be final and binding on both parties. The venue of arbitration shall be at such place as may be fixed by the arbitrators and umpire at Bengaluru, Karnataka, the Arbitration proceedings shall be conducted in English language. and the arbitration proceeding shall be as provided under the Arbitration and Conciliation Act, 1996.

Jurisdiction: This MOU shall be subject to and interpreted according to the Laws of India, and any litigation between the Parties which could not be resolved in the above resolution shall be brought in the courts of the City of Bangalore, Karnataka or Bareilly, Uttar Pradesh based on where the defendant party has its principal office.

1. **Governing Law:**

- This MOU shall be governed by and construed in accordance with the laws of [India/Karnataka and Uttar Pradesh].

2. **Miscellaneous:**

2.1 Entire Agreement:

This MOU constitutes the entire understanding between the Parties and supersedes all prior discussions, agreements, and understandings of any kind.

2.2 Severability:

If any provision of this MOU is found to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

2.3 Waiver:

The failure of either Party to enforce any provision of this MOU shall not be construed as a waiver of that provision or any other provision.

11. TERMS OF UNDERSTANDING AND TERMINATION

- This MOU will remain in force from the date of signature by both parties and shall continue in effect until either of the Parties expresses, in writing, to the other a desire to terminate. Such termination shall not affect any outstanding obligations contractually agreed upon between the parties in an Activity Agreement.

Scanned with OKEN Scanner

- Any Amendment to the MOU will require the written approval of both Parties.
- Two signed originals of this MOU will be produced, with one to reside with each Party.
- If any discrepancy arises between this document and any translation of it to a language other than English, this English version shall prevail.
- This MOU may be terminated by either Party upon thirty (30) days written notice to the other Party.
- Either Party may terminate this MOU immediately through the coordination committee in the event of a material breach by the other Party, provided that the breaching Party has been given notice of the breach and has failed to cure the breach within thirty (30) days.
- Upon termination, the Parties shall cease all collaborative activities and return or destroy any confidential information received from the other Party.
- Any ongoing projects at the time of termination shall be completed as agreed unless otherwise mutually decided by the coordination committee.

12. MODE OF COMMUNICATION :

- Both Parties will exchange correspondence/communication concerning cooperation or any other matter between them through written communication/official email to the signatories of this MOU.

13. NON-EXCLUSIVITY:

- The relationship of the parties under this MOU shall be nonexclusive, and both parties, including their affiliates, subsidiaries, and divisions, are free to pursue other agreements or collaborations of any kind, however, during the Term of this MoU.

14. FORCE MAJEURE:

- "Force majeure" means any unforeseeable circumstance which is beyond the control of a Party or any unavoidable event, even if foreseeable, as a result of which such Party is unable to perform its obligations, in whole or in part, under this MoU. Such circumstances include but are not limited to, act of god, any strike, factory closure, explosion, maritime peril, natural disaster, act by a public enemy, fire, flood, accident, war, riot, insurgence or any other similar event.

Memorandum of Understanding

between

Institute of Dental Sciences, Constituent College of Bareilly International University, Bareilly

And

Seema Dental College and Hospital, Rishikesh

This Memorandum of Understanding (MOU) is entered into on this 29th March 2022, between Seema Dental College and Hospital, Rishikesh and Institute of Dental Sciences, Bareilly and we agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate at the partner institutions;
- Faculty and student exchanges based on reciprocity;
- Reciprocal training of students when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Cooperation in academic and research programs.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

Scanned with OKEN Scanner

Cooperation in Education and Research

In order to facilitate student exchanges between Institute of Dental Sciences, Bareilly and Seema Dental College and Hospital, Rishikesh the following section provides general procedural information under which the exchange of students between the two institutions will take place. Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.

Cooperation and exchanges may take place with undergraduate students. Each exchange may be for the duration of one academic year, one academic semester, or one intensive course, normally three or four weeks in length, scheduled either between academic terms or during the summer.

Whenever possible, courses will be taught by one faculty member from Institute of Dental Sciences, Bareilly and one faculty member from Seema Dental College and Hospital, Rishikesh. Courses may be taught at both campuses through online / offline capabilities.

If two faculty members from each institution are engaged in collaborative research projects, students at one institution may visit and work in the lab of the faculty member at the other institution and incorporate the work done as part of their dissertation research. When connected to funded research projects, the host institution will endeavor to provide a stipend for the visiting PG student.

Responsibilities of home institution for academic semester or academic year exchanges:

The home institution will:

- Register its own students for the duration of the exchange.
- Submit to the host institution the names and academic credentials of students who would like to participate in an exchange.
- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Ask the student to advise the host institution of any circumstances that may affect his or her year (e.g. medical condition, disability status).
- Advise its students about academic and cultural expectations at the host institution.

Responsibilities of the host institution for academic semester or academic year exchanges:

The host institution will:

- Be responsible for admission decisions of students recommended by the home institution.
- Provide an orientation program for incoming students.
- Endeavor to ensure that students are admitted to courses regarded as essential to their academic programs at their home institutions.
- Assign an academic advisor to all incoming students.
- Assist the incoming student in securing hostel.
- Inform the incoming student of medical facility at their campus.
- Provide the home institution with a final transcript of the student's academic performance.

Scanned with OKEN Scanner

Short intensive courses:

Short intensive courses, offered during the summer or between semesters, will be taught by a faculty member from either Institute of Dental Sciences, Bareilly or Seema Dental College and Hospital, Rishikesh. Students will pay a flat fee to their home institutions for the course and that fee will include:

- Accommodation in the host institution;
- Any additional fees charged by the host institution.

The total cost of each course will differ according to the location of the host institution and the nature of the course being taught.

Students will bear the cost of:

- Their own health insurance and any medical bills or non-mandatory fees;
- Food, living expenses, and any other costs relating to the exchange;
- Books and necessary academic supplies necessary for the course.

The number of credit hours each student will earn will depend on the nature and length of the course and by the department/faculty offering the course.

The primary contacts for this MOU are Institute of Dental Sciences, Bareilly and Seema Dental College and Hospital, Rishikesh. As previously noted, the parties shall enter into specific written agreements whenever appropriate to clarify and define the nature, extent, and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Any agreement entered into by these two institutions will require the approval of appropriate officers from each institution. All agreements and activities covered under this MOU or entered into by the parties must comply with all applicable laws and regulations.

For agreed upon activities, both institutions will make available their facilities and staffs. This MOU will take effect on and will be valid for Three (3) years from the date noted in the first line of this document unless terminated by one of the parties. Either party may withdraw from this MOU provided written notification of the withdrawal is given to the other party at least three (3) months prior to the desired withdrawal date. This MOU may be renewed for another period of five (5) years upon mutual written consent of the parties before the expiration date. Each institution will have copies of this agreement.

The following authorized individuals have signed the present MOU on behalf of their respective institutions:

Dr. Himanshu Aeran
Director Principal,
Seema Dental College and Hospital, Rishikesh
Hemwati Nandan Bahuguna Uttarakhand Medical Education University, Dehradun

CAREER GUIDANCE PROGRAM

A Career Guidance Programme was organized by the Institute of Dental Sciences, Bareilly on 8th May 2025. The event was conducted to help dental students explore various career opportunities available after graduation and to assist them in making informed professional choices.

The session was delivered by **Dr. D.R. Das**, a distinguished speaker and expert in the field. His talk focused on current trends in the dental profession, opportunities for higher education in India and abroad, government and private sector roles, clinical practice pathways, and emerging domains like dental research and innovation.

The programme aimed to resolve students' career-related queries and encouraged them to think strategically about their future. The interactive session witnessed enthusiastic participation from both undergraduate and postgraduate students. The event was well-received and appreciated for its practical insights and motivational tone.

CAREER GUIDANCE PROGRAM CONDUCTED BY INSTITUTIONAL INNOVATIVE/ENTREPRENEURSHIP COMMITTEE

A Career Guidance Program was organized by the Institute of Dental Sciences, Bareilly under the aegis of the Institutional Innovative/Entrepreneurship Committee on 4th October 2023. The session aimed to promote innovation and entrepreneurial thinking among dental students and faculty by discussing various aspects of innovation in dentistry and the importance of entrepreneurial skills in healthcare. The program emphasized the role of creative thinking, research, and problem-solving abilities in clinical practice and dental education.

The session witnessed active participation from students and faculty members, who engaged in discussions on practical applications of innovation in dentistry and the scope for startups in the dental field. The CDE was highly appreciated by the attendees and served as a valuable initiative in fostering an innovation-driven mindset within the institution.
