It's proud to announce that our Mentor college has been awarded as '**A rated Institute' in QCI rating 2023 on** 12th of Sep.23 by **Honorable Deputy Chief Minister of UP Shri Brajesh Pathak in the Gracious Presence of Honorable Minister of State Shri Mayankeshwar Sharan Singh**.

On Our **Quarterly Inspection of Jhpeigo under Mission Niramaya for the Quality improvement of Nursing Institutions, we have scored 100% in all 06 sections of performance standard tools based on teaching learning, clinical practices & College management.**

Our heartfelt thanks to our management for providing us all requirements and manpower to maintain for the quality of education.

**In service education**

Our honorable vice chancellor Dr. Lata Agarwal strongly believes that imparting quality education with clinical skill training is the foundation of professional nursing practice, so in-service education is being organized for faculty members. U.P state has given 6 credit hrs. for the upcoming CNE the topics are under "clinical areas were students nurse under take clinical".

Furthermore, to enhance the quality of education and skills **Objective structure clinical examination (OSCE) and Objective structure practical examination (OSPE)** have been used to improve the standards of overall Nursing. These CNE, OSCE & OSPE were organized for the faculties and staff nurse.

In future of college progress, we have applied for seat enhancement of BSC nursing and GNM 60 seats to 100 seats. For this inspection has been done and its result is awaited.

All these achievements were possible because of commitment of concerned teaching and non-teaching faculties and students.

I shall be failing in my duty if I don't thank our management for their continues support and guidance.

Finally I bow and humble before God for the abundant blessing to our institution and also for the wisdom given to us. Long live Rohilkhand College of Nursing

Thanks to one and all.

## REPORT ON

## Earth Day 2025

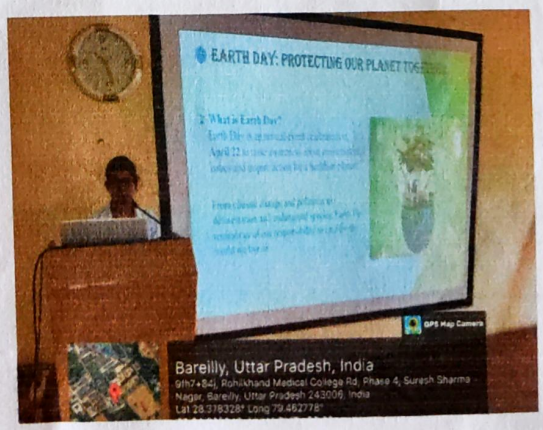

**Date:** April 22, 2025
**Venue:** MPH, Rohilkhand College of Nursing, Bareilly
**Theme:** *"Our Power, Our Planet"*

Rohilkhand College of Nursing observed **Earth Day 2025** with great enthusiasm and a strong commitment to environmental awareness. The celebration revolved around this year's global theme, ***"Our Power, Our Planet"***, emphasizing the collective responsibility of individuals in protecting and nurturing the Earth.

The event commenced with an address by the College Principal, **Dr. Priyanka Massey**, who spoke about the **significance of Earth Day**. She highlighted the growing environmental concerns and urged students to become responsible citizens by adopting eco-friendly practices in their daily lives. She emphasized the importance of preserving nature for future generations and motivated everyone to contribute towards building a sustainable world.

A **PowerPoint presentation** was then delivered by **Ms. Anvita Stanley**, P.G. Nursing Tutor, who thoughtfully unfolded the theme of the day. Her presentation focused on the **global crisis of climate change**, especially **global warming**, and its severe impact on **natural ecosystems and human health**. She provided insightful information on how environmental degradation affects daily life and offered practical suggestions on how individuals can help combat these challenges. Her talk inspired students and staff alike to reflect on their environmental responsibilities. The program concluded with a **vote of thanks** presented by Ms. Anvita Stanley. She expressed heartfelt gratitude to the Principal, Vice Principal, all the HODs, faculty members, students, and organizers for their active participation and support in making the event a meaningful success. The Earth Day celebration at Rohilkhand College of Nursing, served as a reminder of the urgent need to act for the planet and empowered the academic community to take small but impactful steps towards a greener future.
