NSS UNIT-III

Report on 'Anti-Ragging Week'

Name of Event: Anti-Ragging Week
Date: August 12–18, 2025
Day: Tuesday to Monday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly

Event Overview

The National Service Scheme (NSS) Unit 3 of the Faculty of Paramedical Sciences at Bareilly International University observed **Anti-Ragging Week** from **12 to 18 August 2025. The program aimed to raise students' awareness of ragging as a serious social evil and** promote a safe, respectful, and inclusive academic environment. Through various awareness drives, cultural activities, and pledge ceremonies, the event successfully conveyed the message of creating a **ragging-free campus**.

Event Highlights

- **Anti-Ragging Pledge:** Students and faculty members collectively took a pledge to stand against ragging and to contribute towards maintaining a safe and disciplined learning atmosphere.
- **Street Plays & Awareness Activities:** Students performed street plays highlighting the harmful effects of ragging and the importance of mutual respect and harmony among peers.
- **Poster & Slogan Display:** Creative posters, slogans, and banners prepared by students were exhibited across the campus and shared on digital platforms to spread awareness.
- **Motivational Messages:** Faculty members and coordinators addressed the students, emphasizing the importance of discipline, unity, and creating a ragging-free environment.

Activities Undertaken

- **Awareness Campaigns:** Street plays, short talks, and awareness sessions were conducted to sensitize students about the consequences of ragging and the benefits of a positive, inclusive environment.
- **Poster & Banner Display:** Students prepared informative posters, slogans, and banners that were displayed within the campus to reinforce the anti-ragging message.
- **Faculty Interaction:** The Principal, Dean, and senior faculty members interacted with students, highlighting the importance of discipline and encouraging them to stand against ragging.
- **Digital Outreach:** Awareness material and messages were also shared through digital platforms to ensure wider participation and understanding.

Principal

Outcomes

- **Increased Awareness:** Students gained a clear understanding of the harmful effects of ragging and its legal, social, and psychological consequences.
- **Positive Student Engagement:** Active participation by students helped foster unity, discipline, and respect within the campus.
- **Commitment to a Safe Campus:** Students, faculty, and NSS volunteers together resolved to maintain a ragging-free, supportive, and encouraging environment.

Conclusion

The **Anti-Ragging Week** organized by NSS Unit 3 of the Faculty of Paramedical Sciences, Bareilly International University, concluded successfully with wholehearted participation from students and faculty members. The week-long activities served as an important reminder that ragging is not only a punishable offense but also a grave social evil. By taking the pledge and engaging in awareness drives, the university community reaffirmed its commitment to creating a **safe, disciplined, and student-friendly environment**.

रैगिंग एक गंभीर सामाजिक बुराई

बरेली, अमृत विचारः बरेली इंटरनेशनल यूनिवर्सिटी के फैकल्टी ऑफ पैरामेडिकल साइंसेज में एंटी-रैगिंग सप्ताह का आयोजन 12 से 18 अगस्त तक किया गया। इस कार्यक्रम का मुख्य उद्देश्य छात्रों में रैगिंग के प्रति जागरूकता फैलाना और विश्वविद्यालय परिसर को रैगिंग-मुक्त बनाना था।

सप्ताहभर चली गतिविधियों में छात्रों ने रैगिंग के विरुद्ध शपथ ली और नुक्कड़ नाटक का मंचन हुआ, जिसमें छात्रों ने रैगिंग के दुष्परिणामों को प्रभावशाली ढंग से प्रस्तुत किया। पैरामेडिकल साइंसेज संकाय के प्राचार्य डॉ. प्रशांत गुप्ता ने छात्रों को आपसी सम्मान, सहयोग और अनुशासन का संदेश दिया। इसके अतिरिक्त छात्रों ने पोस्टर प्रतियोगिता में भाग लेकर हाथ से बने एवं डिजिटल पोस्टरों के माध्यम से रैगिंग विरोधी संदेश को और सशक्त किया। ये पोस्टर विश्वविद्यालय परिसर के साथ-साथ डिजिटल प्लेटफॉर्म पर भी प्रदर्शित किए गए। कार्यक्रम के दौरान पैरामेडिकल साइंसेस संकाय के डीन डॉ. पुष्पेंद्र कन्नौजिया ने कहा कि रैगिंग केवल एक शरारत नहीं, बल्कि यह एक गंभीर सामाजिक बुराई है। यह छात्रों के मानसिक, शैक्षणिक और भावनात्मक विकास में बाधा उत्पन्न करती है। हमारा कर्तव्य है कि हम सभी मिलकर रैगिंग-मुक्त माहौल बनाएं। इस अवसर पर विश्वविद्यालय की कुलपति डॉ. लता अग्रवाल ने कहा कि एक रैगिंग-मुक्त विश्वविद्यालय ही स्वस्थ और प्रगतिशील शिक्षा का वातावरण प्रदान कर सकता है। पैरामेडिकल साइंसेस संकाय की ओर से आयोजित यह सप्ताह निश्चित रूप से छात्रों के लिए प्रेरणा का स्रोत बनेगा। एंटी-रैगिंग सप्ताह के इस कार्यक्रम में एनएसएस कार्यक्रम अधिकारी अंकित कुमार ने छात्रों को समाज में सकारात्मक बदलाव लाने के लिए प्रेरित किया।

Report on 'Har Ghar Tiranga – Lecture on Importance of the National Flag & National Unity'

Name of Event: Lecture on "Har Ghar Tiranga – Importance of the Tricolour and National Unity"
Date: August 13, 2024
Day: Tuesday
Venue: Bareilly International University

Event Overview

On the occasion of the nationwide **'Har Ghar Tiranga' campaign**, Bareilly International University organized a lecture on the **significance of the National Flag and national unity**. The program was jointly hosted by the **Faculty of Paramedical Sciences .BIU College of Pharmacy**, , **Faculty of Forensic Sciences**, and **Rohilkhand College of Pharmacy**. The event aimed to enlighten students about the history, values, and symbolism of the Indian Tricolour, instilling in them a sense of patriotism, discipline, and unity.

Event Highlights

- **Lecture on Tricolour's Significance:** Eminent faculty members delivered lectures on the history, values, and symbolism of the National Flag. The sessions emphasized how the flag represents freedom, integrity, and national pride.
- **Student Interaction:** Students actively participated by asking questions about the historical relevance and importance of the Tricolour in India's struggle for independence and nation-building.
- **Har Ghar Tiranga Campaign Awareness:** Students were guided to participate in the government's initiative by uploading their pictures with the flag on the official website *harghartiranga.com*.
- **Inspirational Address:** Faculty leaders encouraged students to uphold the values of patriotism, unity, and responsibility as future professionals.

Activities Undertaken

- **Awareness Lecture:** Faculty members from Pharmacy, Paramedical Sciences, and Forensic Sciences delivered talks highlighting the importance of the National Flag and national unity.
- **Interactive Session:** A Q&A round allowed students to engage in discussions on constitutional values and patriotic responsibility.

Final for record pls.
25/8/25.

Principal

- **Participation in National Campaign:** Students were motivated to actively participate in the *Har Ghar Tiranga* campaign by hoisting the Tricolour at their homes and sharing pictures digitally.
- **Motivational Guidance:** Senior faculty addressed the importance of patriotism and collective responsibility in building a strong, united nation.

Outcomes

- **Patriotism Strengthened:** Students developed a deeper understanding of the symbolic significance of the Tricolour.
- **Active Campaign Participation:** The lecture motivated students to join the *Har Ghar Tiranga* movement, there by contributing to the national initiative.
- **Enhanced National Unity:** The event reinforced the importance of national unity, responsibility, and constitutional values among young learners.

Conclusion

The lecture on **'Har Ghar Tiranga – Importance of the National Flag and National Unity'** organized at Bareilly International University was a resounding success. The active participation of students and the motivational words of faculty members created an atmosphere of patriotism and collective responsibility. This initiative not only celebrated the spirit of freedom but also instilled in students the values of discipline, unity, and respect for the nation.

NSS UNIT-III

Report on One-Day Camp – 2025

Event Title: Health Check-up Camp

Date: 01/03/2025

Day: Saturday

Objective: The primary objective of organizing the Health Check-up Camp was to assess the basic health parameters of students and create awareness about the importance of regular health check-ups. The camp aimed to promote preventive healthcare measures among school children and educate them about maintaining a healthy lifestyle.

Activities:

- **Health Screening**: A comprehensive health check-up was conducted for the students of PoorvaMadhyamik School, SimraAjooba Begum, BithriChainpur, Bareilly, Uttar Pradesh. The check-up included measuring height, weight, Body Mass Index (BMI), pulse rate, blood pressure (BP), and oxygen saturation (SpO2). Trained medical staff and NSS volunteers assisted in recording the health parameters of each student.
- **Health Awareness Session**: After the check-up, a brief session was conducted to educate students about the significance of balanced nutrition, physical activity, and personal hygiene in maintaining good health. They were also informed about the importance of regular health monitoring to prevent potential health issues.
- Dr. PushpendraKannojia, Principal, Faculty of Paramedical Sciences, addressed the students and emphasized the necessity of regular health check-ups for early detection of health issues. He encouraged students to adopt healthy habits such as eating nutritious food, staying active, and maintaining hygiene. His motivating words inspired the students to take better care of their health.

Impact: The Health Check-up Camp successfully provided a preliminary health assessment for the students and created awareness regarding essential health indicators. The students actively participated and gained valuable insights into the importance of monitoring their health. Teachers and school staff appreciated the initiative and expressed interest in conducting similar health programs in the future.

Conclusion: The one-day health check-up camp proved to be a significant initiative in promoting preventive healthcare and encouraging students to adopt a healthier lifestyle. The NSS Unit remains dedicated to organizing such programs for the well-being of society. The event was successfully conducted under the guidance of Program Officer Mr. Ankit Kumar, with the support of NSS volunteers and medical staff.

NSS UNIT-III

Report on One-Day Camp – 2025

Event Title: Malnutrition Awareness Campaign

Date: 26/02/2025

Day: Wednesday

Objective: The primary objective of organizing the Malnutrition Awareness Campaign was to educate NSS volunteers and students about the causes, consequences, and prevention of malnutrition. The event aimed to spread awareness regarding the importance of balanced nutrition, healthy eating habits, and government schemes available to combat malnutrition, especially among children and women.

Activities:

- **Awareness Lecture**: An informative lecture on malnutrition was delivered by Ms. Babita Sharma, Associate Professor, BIU College of Pharmacy, to NSS volunteers and the students of PoorvaMadhyamik School, SimraAjooba Begum, BithriChainpur, Bareilly, Uttar Pradesh. The session covered essential topics such as nutritional deficiencies, the role of vitamins and minerals in growth and development, and practical ways to maintain a balanced diet with locally available resources. The students actively participated in the discussion and gained valuable insights into maintaining good health through proper nutrition.

- Dr. PushpendraKannojia, Principal, Faculty of Paramedical Sciences, graced the event with his presence and emphasized the significance of nutrition in overall well-being. He encouraged students to spread awareness about malnutrition and adopt healthy dietary practices in their daily lives. His words motivated the participants to take proactive steps in ensuring a healthier future for themselves and their communities.

Impact: The Malnutrition Awareness Campaign successfully educated the students and volunteers about the critical issue of malnutrition and provided them with practical knowledge on improving their dietary habits. The session empowered the participants with information on affordable nutritious food sources and the importance of a well-balanced diet. The event received positive feedback, with students expressing their interest in sharing their learning with their families and peers.

Conclusion: The one-day camp on malnutrition awareness proved to be an impactful initiative in promoting a healthy lifestyle and preventing malnutrition. The NSS Unit remains committed to organizing such awareness programs to benefit society. The event was made successful with the active participation of volunteers and the guidance of Program Officer Mr. Ankit Kumar.

NSS UNIT-III

Report on One-Day Camp – 2025

Event Title: **Rally for Cleanliness**

Date: 28/01/2025

Day: Tuesday

Objective: The primary objective of organizing the one-day camp was to promote awareness about cleanliness and hygiene among the community members. The event aimed to instill a sense of responsibility in individuals towards maintaining a clean environment and following hygienic practices. It also encouraged community participation in cleanliness initiatives and emphasized the role of cleanliness in preventing diseases.

Activities:

1. **Rally for Cleanliness**: NSS volunteers actively participated in a rally that moved through the nearby areas, carrying banners and placards with slogans emphasizing the importance of cleanliness, sanitation, and hygiene. The rally attracted local residents, students, and shopkeepers, encouraging them to contribute towards a cleaner society. Slogans such as "Swachh Bharat, Swasth Bharat" and "Cleanliness is next to Godliness" echoed throughout the rally, making a significant impact on the onlookers.
2. **Oath for Cleanliness**: After the rally, all volunteers and participants took an oath to uphold cleanliness in their surroundings and promote hygiene practices in their daily lives. The oath-taking ceremony reinforced the commitment of individuals towards a cleaner and healthier environment. The participants pledged to avoid littering, properly dispose of waste, and educate others about the importance of cleanliness in public and private spaces.
3. **Cleanliness Drive**: As part of the campaign, NSS volunteers engaged in a cleanliness drive in the nearby areas, collecting waste, removing debris, and ensuring the proper disposal of garbage. The volunteers cleaned streets, public places, and surrounding areas near schools and markets, setting an example for the local community. The drive also included an awareness session on waste segregation and the importance of reducing, reusing, and recycling waste materials.

Impact: The rally and cleanliness drive successfully motivated the local residents to adopt better hygiene and sanitation practices. The enthusiastic participation of NSS volunteers and their efforts in cleaning the surroundings left a significant impact on the community, inspiring them to take proactive steps in keeping their environment clean. Many residents expressed their willingness to continue the cleanliness initiative in their locality and actively participate in future cleanliness programs. The event also helped in fostering a sense of civic responsibility among students and volunteers.

Conclusion: The one-day camp on cleanliness proved to be a valuable initiative in spreading awareness about hygiene and environmental responsibility. Through collective efforts, NSS volunteers demonstrated the significance of maintaining cleanliness and encouraged sustainable practices among the people. The event was made successful with the dedication of all participants and the guidance of Program Officer Mr. Ankit Kumar. The NSS Unit remains committed to organizing similar activities to contribute towards a cleaner and healthier society.

NSS UNIT-III

Report on National Service Scheme (NSS) Special 7-Day Camp
Faculty of Paramedical Sciences, Bareilly International University

Date: 4th March 2025 to 10th March 2025

Event: 7-Day NSS Camp Organized by Faculty of Paramedical Sciences, Bareilly **International** University

Objective:

The primary objective of the 7-day NSS camp was to engage volunteers in various activities aimed at community development, health awareness, environmental sustainability, and social responsibility. The camp aimed to empower volunteers with knowledge and skills that could be applied for the betterment of society while instilling a sense of civic duty and commitment towards national service.

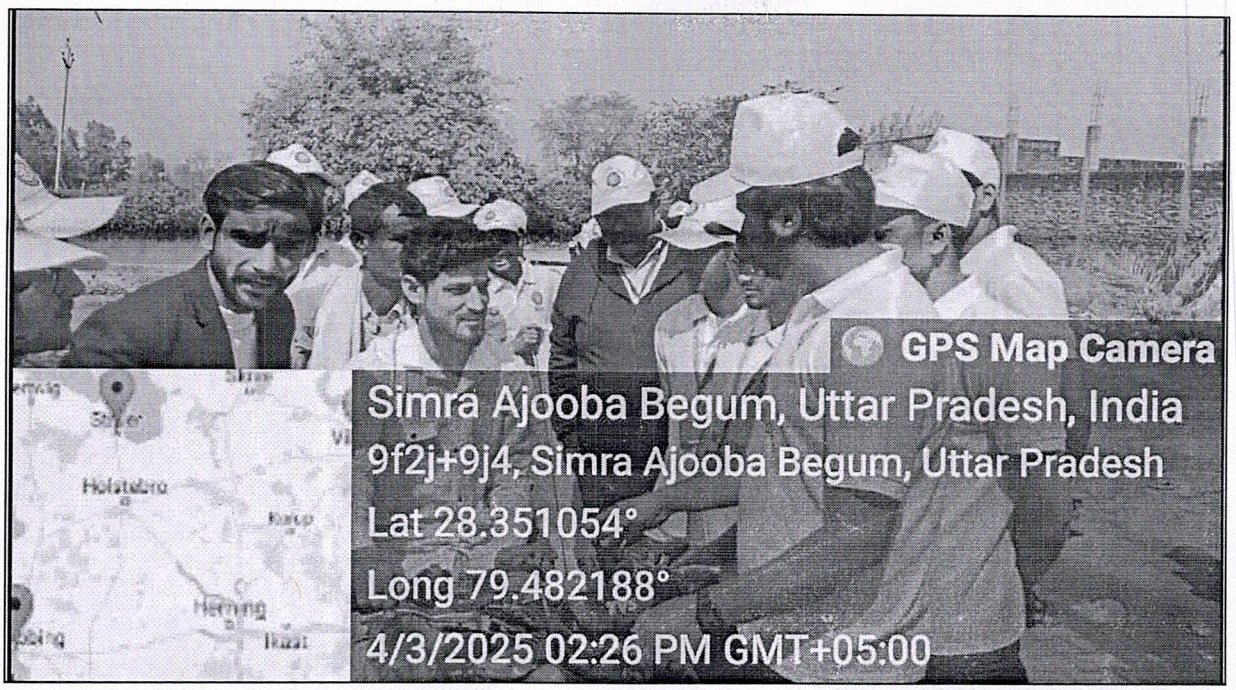

Day 1 (4th March 2025)

Road Safety Rally (Spreading Awareness for Safer Roads)

The camp commenced with a road safety rally to promote awareness about traffic rules and responsible road behavior. Led by NSS volunteers, the rally moved through key areas of SimraAjooba Begum village, displaying banners and placards advocating for safe driving practices. The event was instrumental in educating villagers, especially young riders, about the importance of helmets, seat belts, and adherence to traffic regulations.

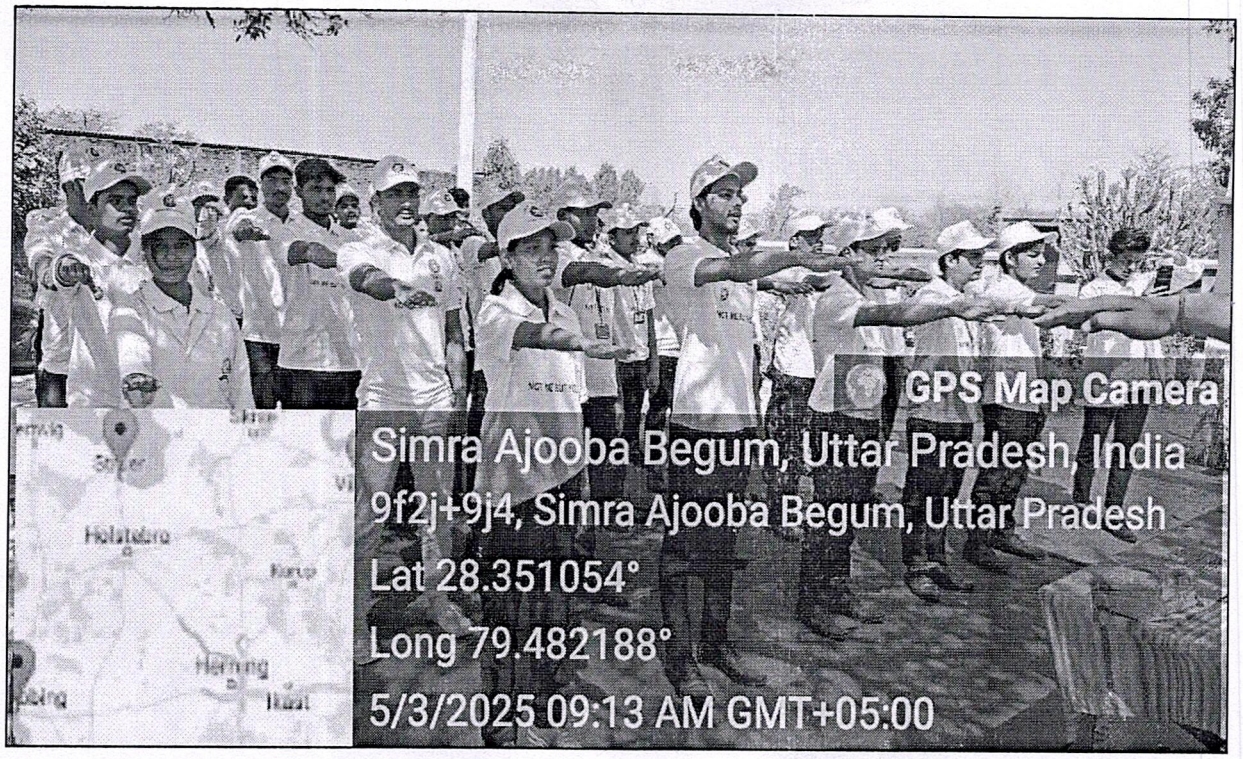

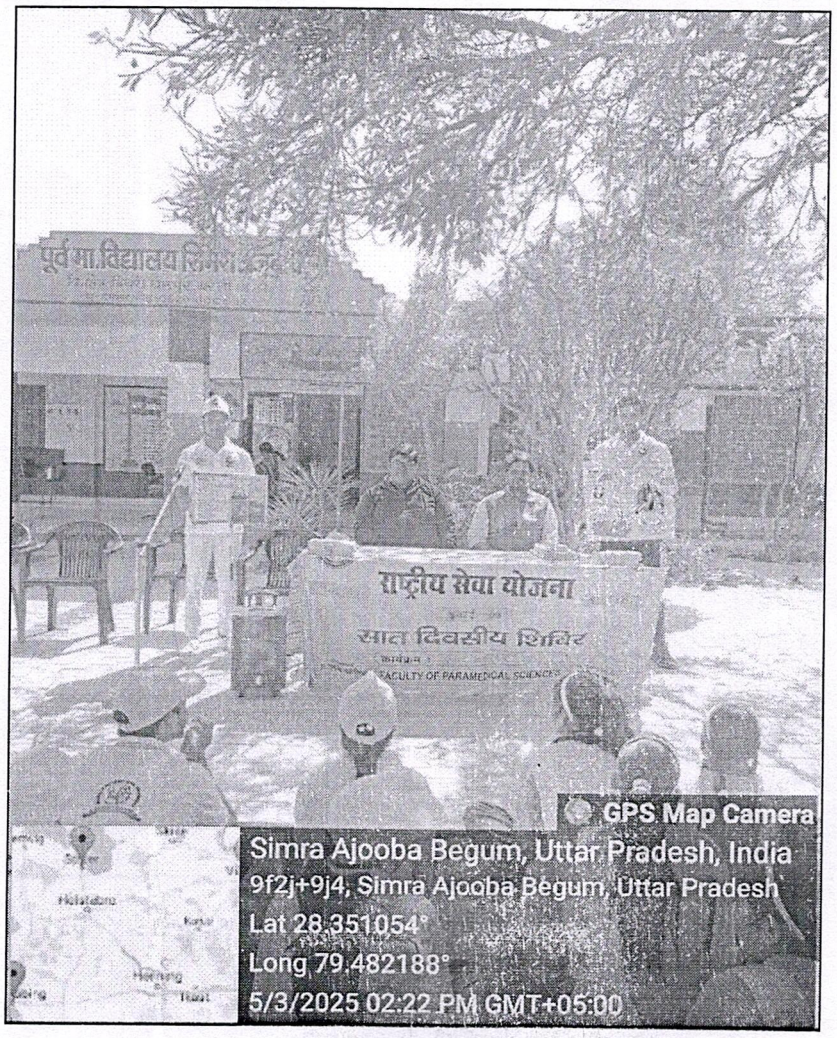

Day 2 (5th March 2025)
Water Conservation Awareness (Preserving Every Drop)

A crucial session on water conservation was conducted, emphasizing the need for sustainable water usage and conservation practices. Mr. Pranjil Gangwar guided the volunteers and villagers through practical demonstrations on rainwater harvesting, water recycling, and responsible water consumption. The session included a rally through the village, where volunteers distributed pamphlets on water conservation techniques and their benefits.

Day 3 (6th March 2025)
BetiBachao, BetiPadhao Awareness (Empowering the Girl Child)

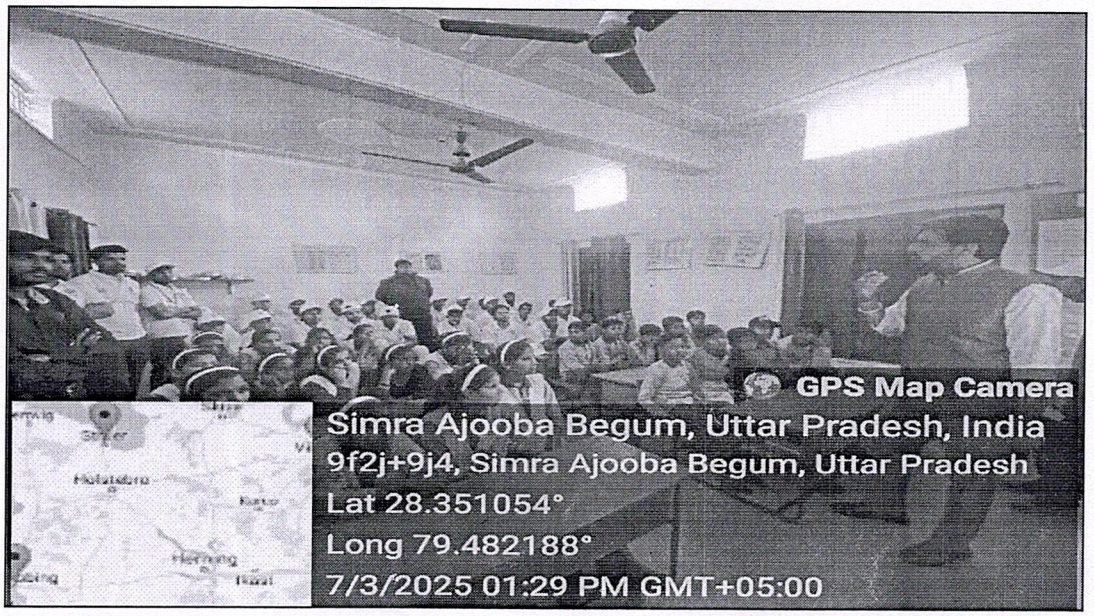

A special awareness drive on gender equality and female education was led by Ms. Babita Sharma, Associate Professor at BIU College of Pharmacy. The session emphasized the importance of education for girls and the role of society in ensuring a safe and encouraging environment for them. Volunteers actively engaged in discussions with local families, promoting the cause of girls' education and empowerment.

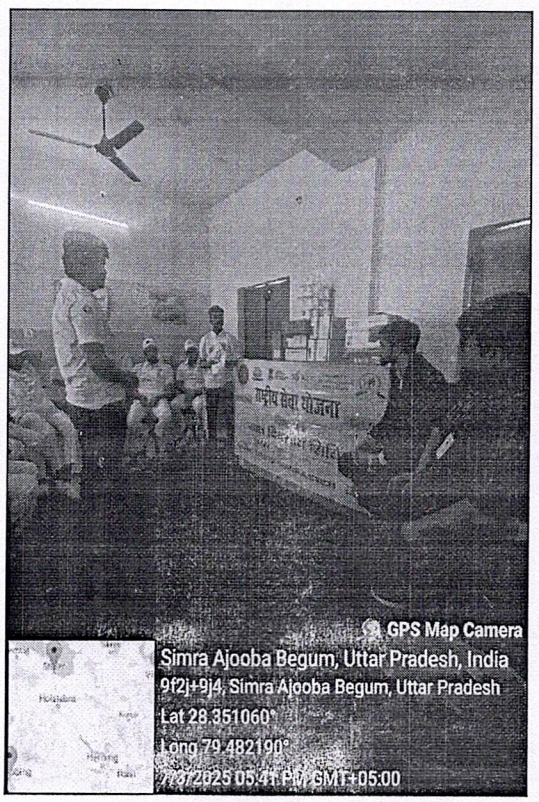

Day 4 (7th March 2025)
Cyber Crime Awareness (Navigating the Digital World Safely)

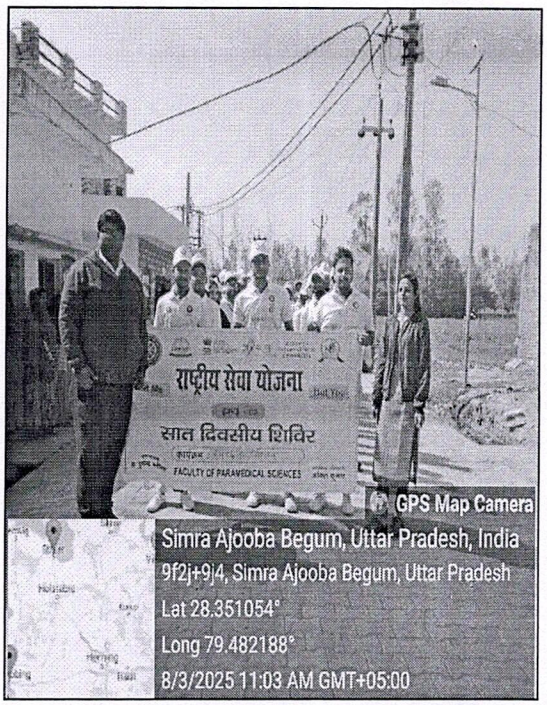

A session on cybercrime awareness was conducted by Mr. Prashant Sharma, Assistant Professor at BIU College of Pharmacy. The session covered essential aspects of online safety, cyber fraud, and preventive measures to protect oneself from digital threats. The discussion focused on educating villagers about safe internet practices and identifying cyber threats. An interactive Q&A session helped address concerns about online scams and data privacy.

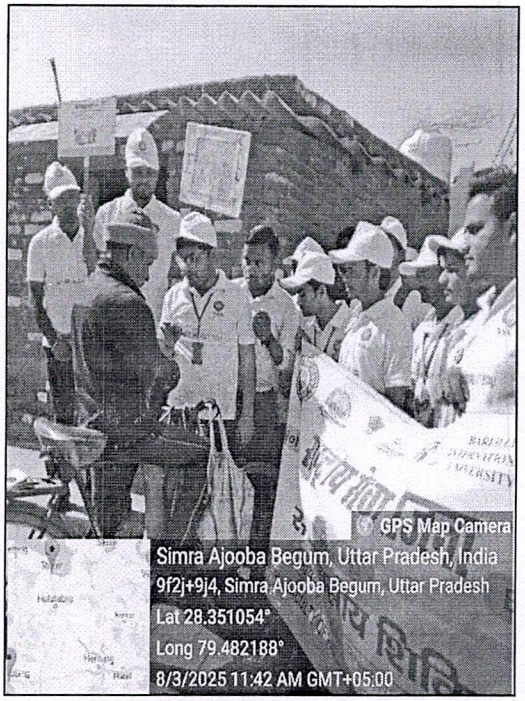

Day 5 (8th March 2025)
Cleanliness Drive & Health Camp (For a Healthy and Clean Community)

The day began with a cleanliness drive led by Ms. Shreya Bharadwaj from the Faculty of Paramedical Sciences. Volunteers actively participated in cleaning public spaces and raising awareness about sanitation and hygiene. Later, a health camp was organized under the guidance of Mr. Yogendra from BIU College of Pharmacy, where villagers underwent basic health check-ups, including blood pressure, pulse rate, height, weight, and BMI assessments. The health camp provided essential insights into general well-being and preventive healthcare measures.

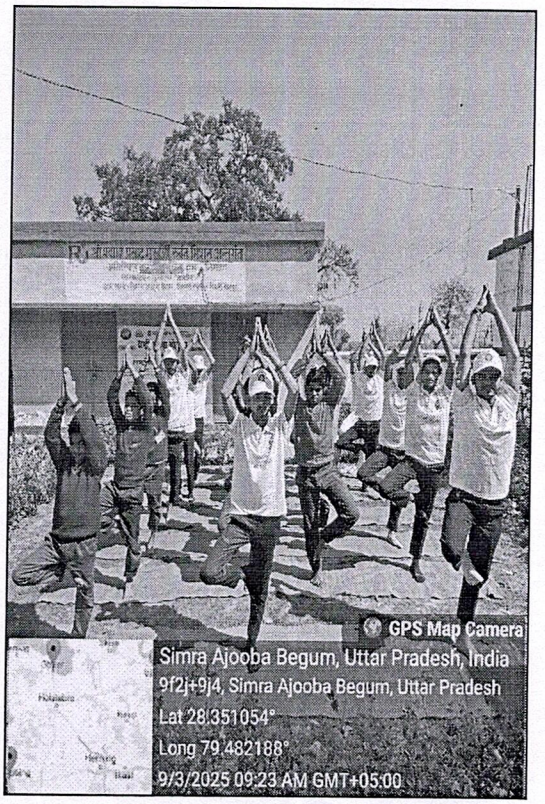

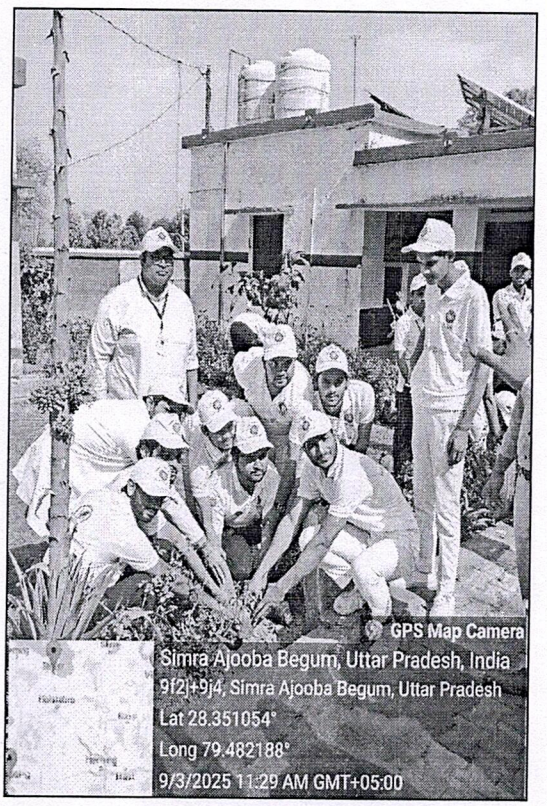

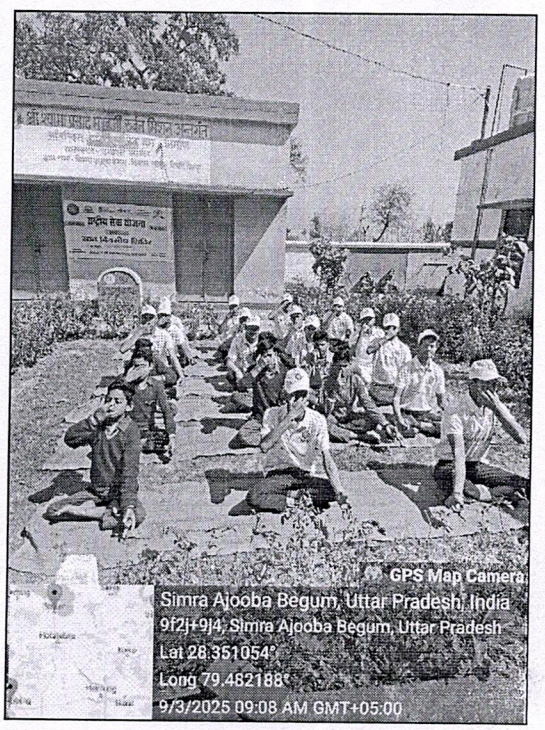

Day 6 (9th March)
Tree Plantation & Yoga Session

A tree plantation drive was conducted, during which 10 saplings were planted to promote environmental conservation. Later, a yoga session was held under the guidance of Mr. Siddhant Shukla, Assistant Professor at the Faculty of Paramedical Sciences. The session aimed at promoting physical and mental well-being through various yoga postures and breathing techniques.

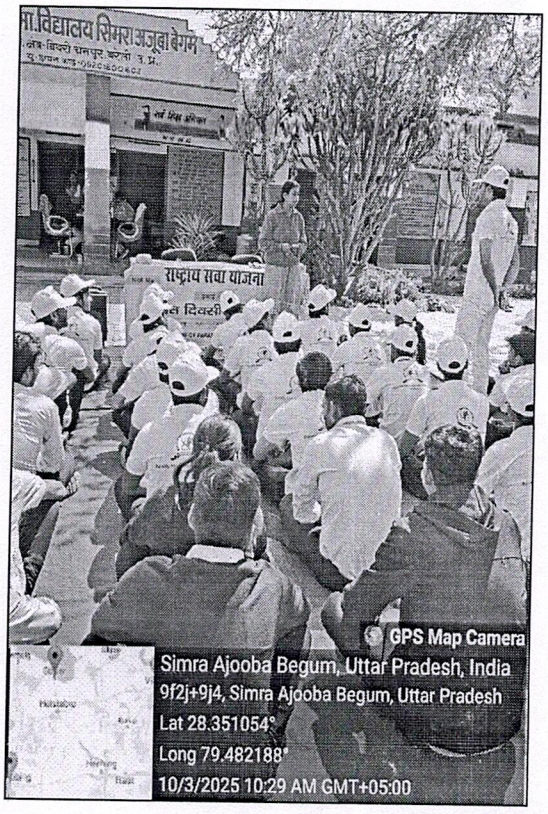

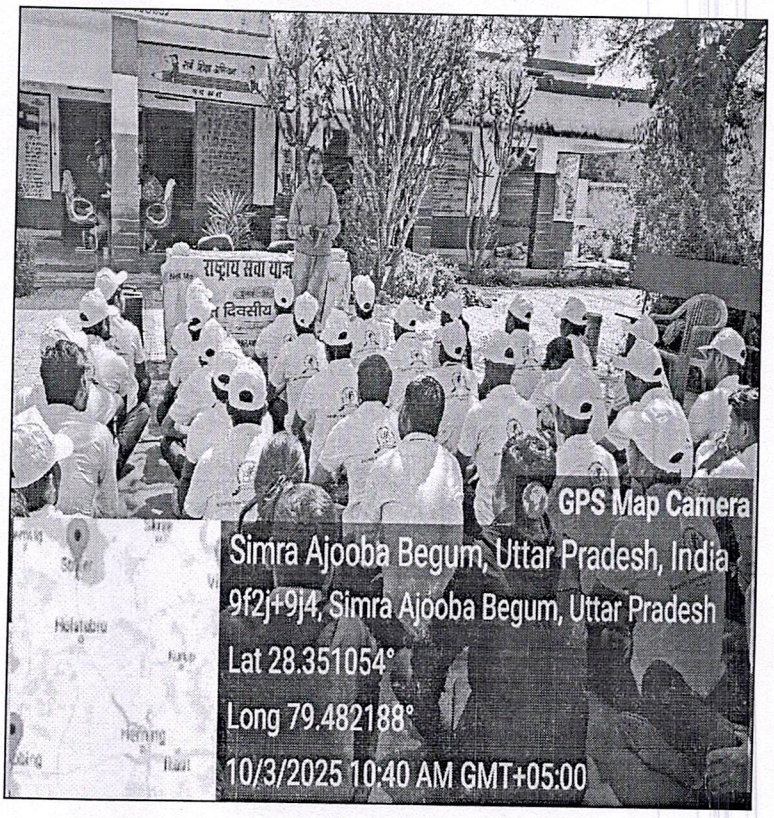

Day 7 (10th March)
Motivational Session & Closing Ceremony

The final day of the camp featured a motivational session conducted by Mrs. SujataKatiyar, who inspired volunteers to continue their journey of selfless service and leadership. The closing ceremony was graced by the presence of Registrar Dr. Sushil Thakur, Principal Dr. PushpendraKannojia, Mr. Pratap Singh (Principal of PoorvMadhyamikVidyalaya, SimraAjooba Begum), and Gram Pradhan Mr. Sonu. The event concluded with a vote of thanks by Mr. Ankit Kumar, acknowledging the dedication and efforts of all participants throughout the camp.

Conclusion and Acknowledgment:

The 7-day NSS camp was a remarkable success, fulfilling its objectives of community development, health awareness, environmental protection, and social responsibility. Through a variety of activities and informative sessions, volunteers gained valuable skills and experiences that will serve them in their future endeavors. The camp fostered a spirit of teamwork, discipline, and dedication towards societal welfare. **Dr. PushpendraKannojia, Principal of the Faculty of Paramedical Sciences, expressed his heartfelt appreciation to the NSS volunteers and program officer Mr. Ankit Kumar for his unwavering commitment to social service.**

Vice Chancellor Dr. Lata Agarwal extended best wishes to all volunteers, emphasizing the importance of service to society and urging them to continue making meaningful contributions towards nation-building.

NSS UNIT-III

Report on My Bharat Outreach Program

Name of Event: My Bharat Outreach Program

Date: 20.12.2024

Day: Friday

Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly

Event Overview:

The National Service Scheme (NSS) Unit 3 of the Faculty of Paramedical Sciences at Bareilly International University organized a special outreach program aimed at raising awareness about the My Bharat Portal. The event was held on 20th December 2024 and was led by Mr. Ankit Kumar, NSS Program Officer. The program primarily targeted the student community to educate them about the functionalities and benefits of the My Bharat Portal and to encourage new students to join the portal.

The event aligned with the objectives of the NSS to foster youth engagement and participation in national development activities. By introducing students to the My Bharat Portal, the initiative sought to enhance their involvement in various government programs and schemes aimed at empowering youth.

Event Highlights:

1. **Introduction to My Bharat Portal:** Mr. Ankit Kumar began the session by explaining the purpose and features of the My Bharat Portal. He detailed how the portal serves as a platform to connect youth with various national and regional initiatives, volunteer opportunities, and skill development programs.
2. **Awareness Drive:** The lecture emphasized the importance of digital literacy and the role of platforms like My Bharat in bridging the gap between the youth and government resources. Mr. Kumar highlighted the ease of accessing information, applying for programs, and tracking individual participation through the portal.
3. **Student Registrations:** A dedicated session was held to assist new students in registering on the My Bharat Portal. Volunteers guided participants through the registration process, ensuring they could access and explore the portal's features seamlessly.
4. **Interactive Session:** Students had the opportunity to interact with Mr. Kumar and ask questions about the portal's functionalities, its relevance to their academic and professional growth, and the various opportunities it provides.

24/12/24

Ankit

Activities Undertaken:

- **Presentation on My Bharat Portal:** A detailed presentation was delivered, highlighting the key features and benefits of the portal.
- **On-the-Spot Registration:** NSS volunteers facilitated on-the-spot registrations for new students, ensuring active participation.
- **Q&A Session:** An interactive discussion allowed students to clear their doubts and share their feedback about the portal.

Outcomes:

- **Increased Awareness:** The program successfully raised awareness among students about the My Bharat Portal, its features, and its significance in youth engagement.
- **New Registrations:** A considerable number of new students registered on the portal during the event, marking an increase in the portal's user base from the university.
- **Empowered Youth:** Students felt empowered and motivated to utilize the My Bharat Portal as a tool for their personal and professional development.
- **Positive Feedback:** The event received positive feedback from participants, who appreciated the initiative and the support provided during the registration process.

Conclusion:

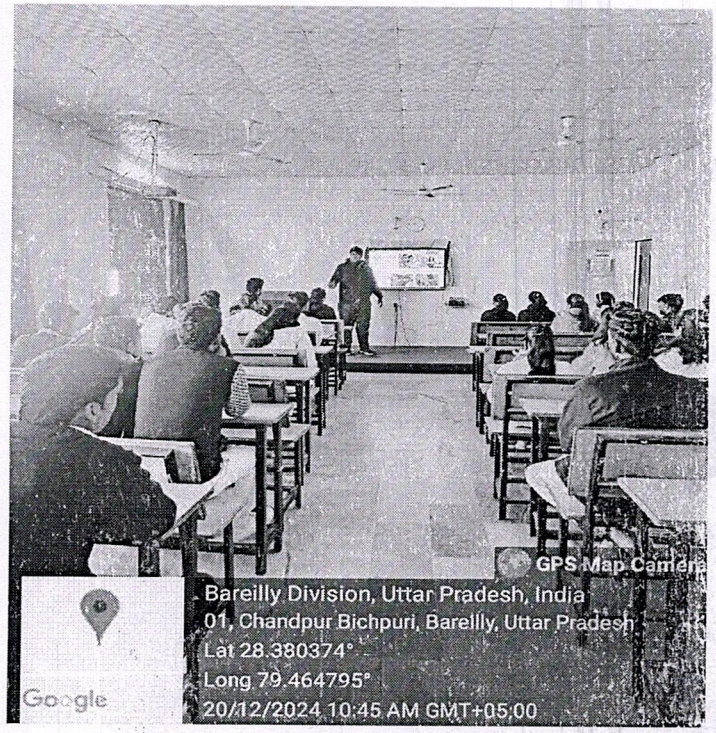

The My Bharat Outreach Program organized by NSS Unit 3 was a significant step toward promoting digital awareness and youth engagement. The event, led by Mr. Ankit Kumar, successfully introduced students to the My Bharat Portal, facilitating new registrations and enhancing their understanding of the platform's benefits. This initiative not only educated students about the importance of digital platforms in modern governance but also aligned with the NSS's mission to empower the youth and foster active citizenship. The program's success underscores the importance of such outreach initiatives in bridging the gap between young citizens and government-led opportunities for growth and development.

NSS UNIT-III

Report on Sadak Suraksha Pakhwada 2024

Name of Event: Road Safety Awareness Campaign (Sadak Suraksha Pakhwada)

Dates: 02/10/2024 – 16/10/2024

Venue: Institution premises and nearby areas

Event Overview:

The National Service Scheme (NSS) Unit 3 organized a series of road safety awareness events under the "Sadak Suraksha Pakhwada" initiative. These activities took place from October 2, 2024, to October 16, 2024, with the aim of educating students, teachers, parents, and the local community about the importance of road safety, traffic rules, and regulations. Various programs, including competitions, health check-ups, and awareness rallies, were conducted with active participation from students, faculty members, and NSS volunteers.

Event Highlights:

- To raise awareness about road safety rules and regulations among students, teachers, and the local community.
- To encourage safe driving practices and highlight the importance of health check-ups for vehicle drivers.
- To actively involve students in spreading road safety awareness through rallies, speeches, and NSS volunteer activities.

Activities Undertaken:

1. **Inauguration Program (Sadak Suraksha Pakhwada):**

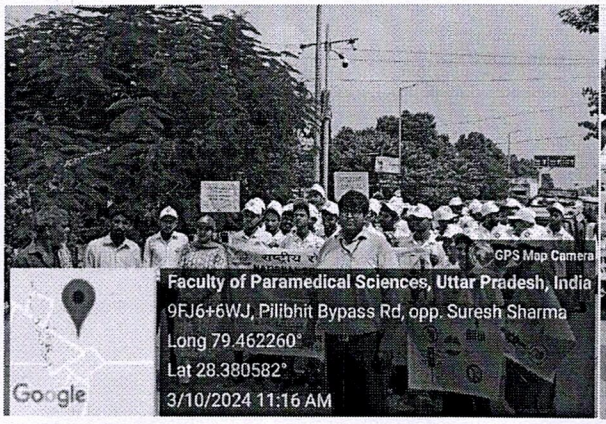

Date: 02/10/2024

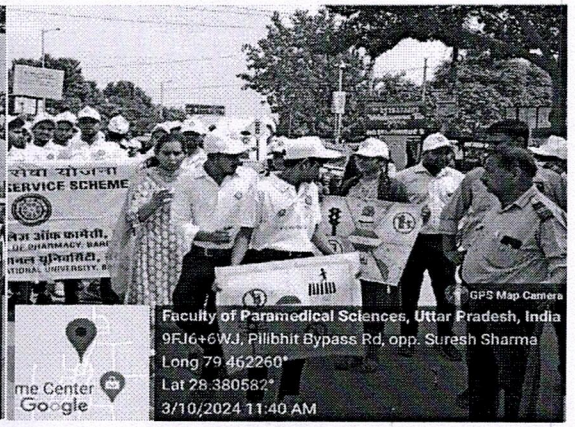

The campaign began with an official inauguration of the "Sadak Suraksha Pakhwada." The event was attended by the institution's principal, faculty members, NSS volunteers, and students. A detailed talk was given on the importance of road safety in everyday life, emphasizing the role of students in creating a safer environment. All attendees took a collective pledge to adhere to traffic rules, use helmets and seatbelts, and promote safe driving among peers.

2. **Awareness Program (Students, Teachers & Parents):**

Date: 03/10/2024

This session involved presentations on road safety aimed at students, teachers, and parents. Volunteers highlighted common traffic violations, such as not wearing helmets or using mobile phones while driving. The program emphasized how responsible behavior on roads not only protects individuals but also contributes to overall public safety. Parents were encouraged to set good examples for their children by strictly following traffic rules.

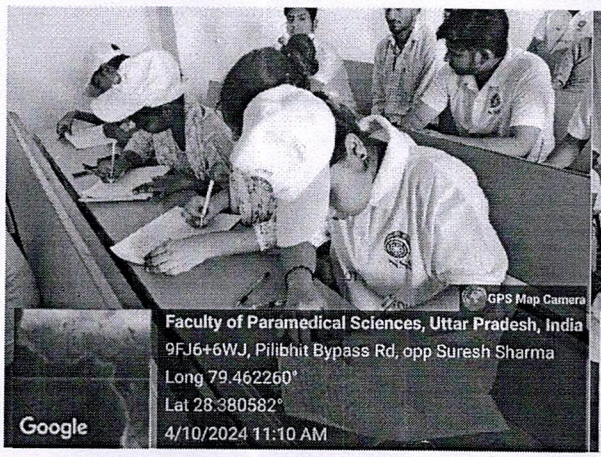

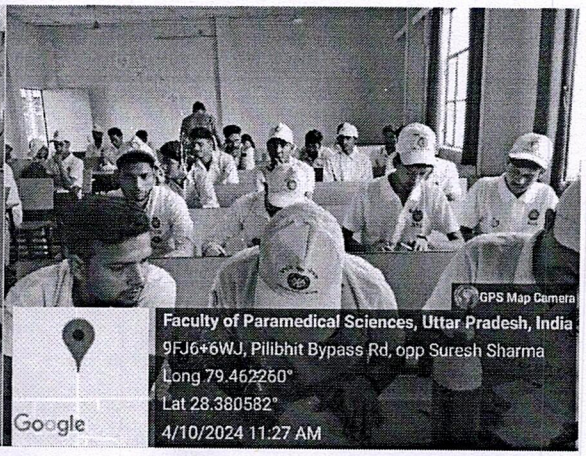

3. **Speech Competition & Essay Competition:**

Date: 04/10/2024

A speech and essay competition was organized on the theme "Safe Roads, Safe Life." Students were invited to express their thoughts on how road safety measures could be improved in their community. Many students shared personal stories of road accidents and highlighted the need for better infrastructure and stricter enforcement of traffic laws. Pallav Saxena got the first prize in speech and Saiful khan got the first prize in Essay competition. This competition helped in instilling a deeper understanding of road safety issues.

4. **Awareness Program (Students) Oath Ceremony:**

Date: 05/10/2024

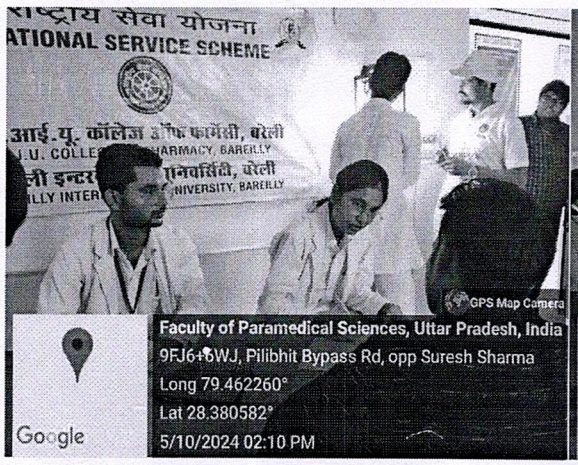

A formal oath ceremony was conducted where all participating students pledged to become road safety ambassadors. They vowed to always wear helmets, avoid using phones while driving, follow traffic signals, and spread awareness about road safety among their peers and family. This was followed by a briefing on how they could contribute to making roads safer.

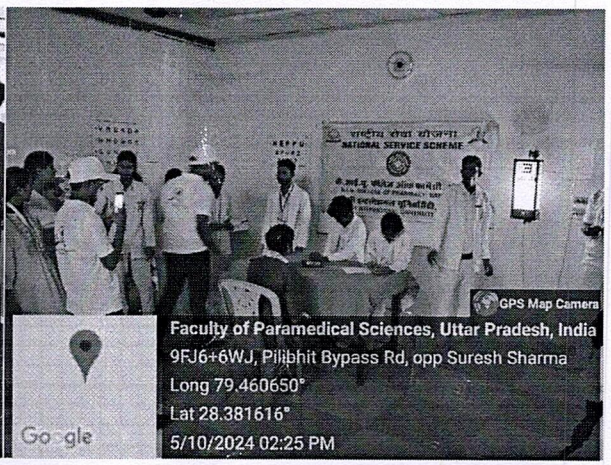

5. **Health & Eye Check-up Camp for Vehicle Drivers:**

Date: 05/10/2024

Health and eye check-up camps were conducted for vehicle drivers to ensure their physical fitness, especially their vision. Optometrist assessed drivers' eyesight, general health, and potential risk factors that could affect their ability to drive safely. Drivers were advised on the importance of regular health check-ups and were provided with pamphlets on maintaining their health for safe driving.

6. **Awareness Rally:**

Date: 07/10/2024

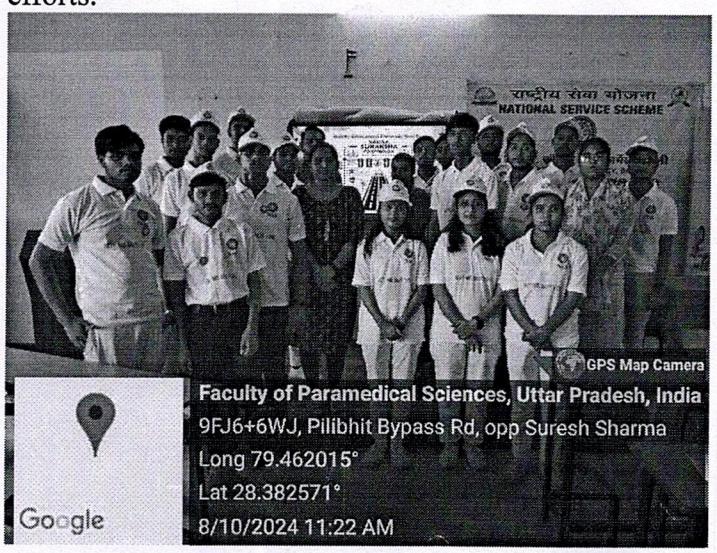

An awareness rally was held by NSS volunteers and students. Participants carried placards and banners with messages such as "Drive Safely, Save Lives" and "Follow Traffic Rules, Prevent Accidents." The rally moved through local streets, spreading awareness among pedestrians, drivers, and shopkeepers about the importance of following traffic rules.

7. **Foundation of Road Safety Club and Awareness Program for Parents:**

Date: 08/10/2024

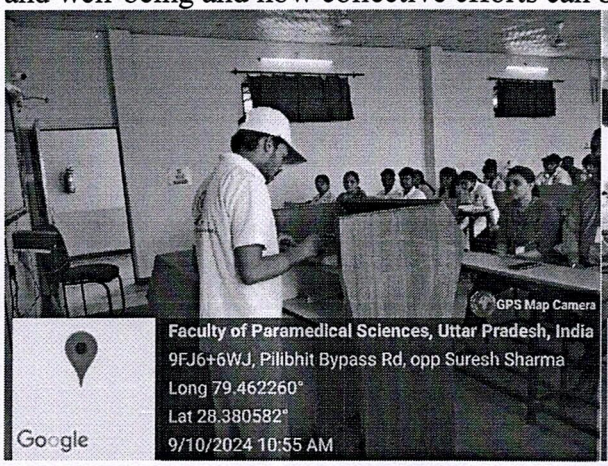

A Road Safety Club was established, and an awareness session was held to inform parents about their role in road safety education. Parents were given insights on how to discuss road safety with their children and the significance of their involvement in community awareness efforts.

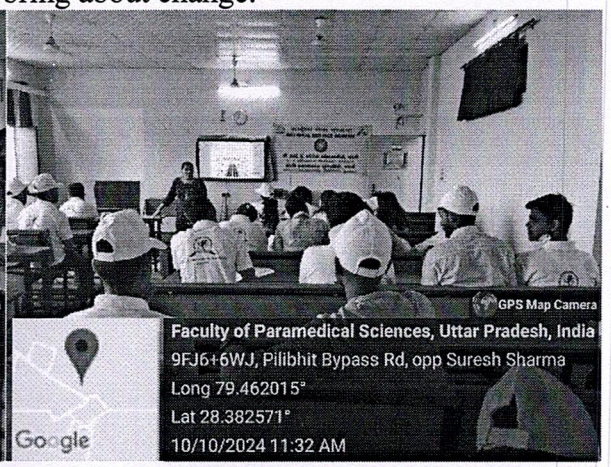

8. **Awareness Program for College Teachers and Students:**

Dates: 09/10/2024 & 10/10/2024

Programs were conducted to raise awareness among college teachers and students regarding road safety rules. NSS volunteers highlighted the impact of road safety on community health and well-being and how collective efforts can bring about change.

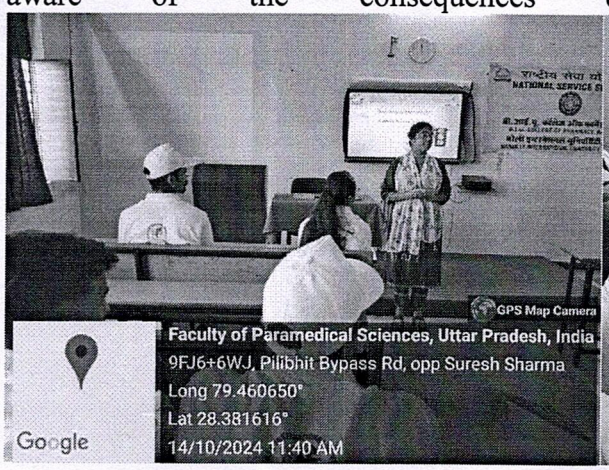

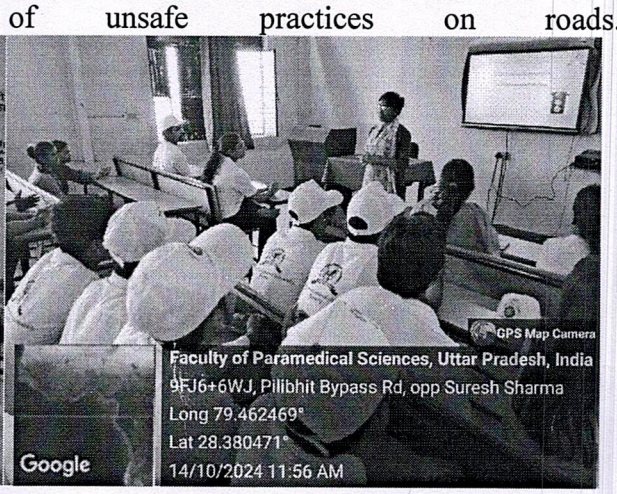

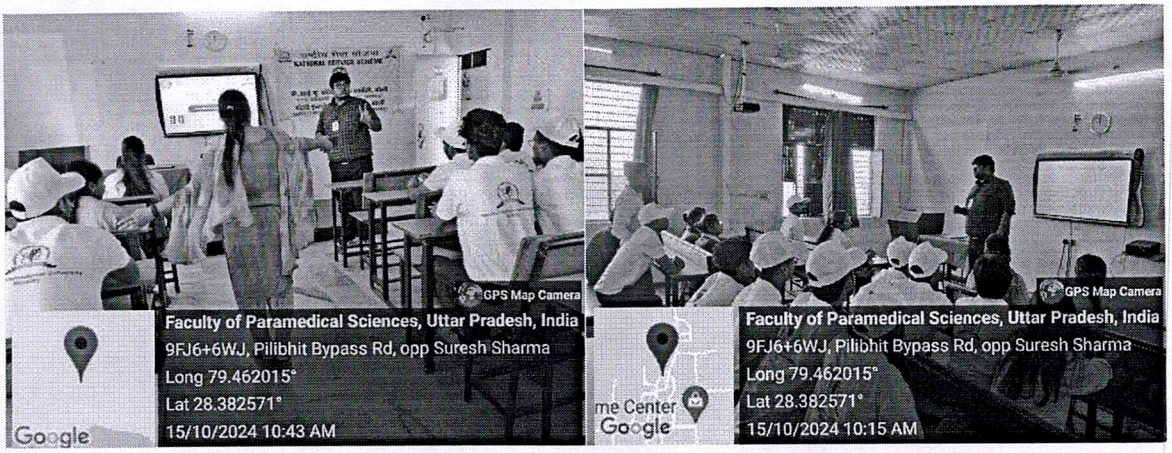

9. **Transport Safety Committee Meeting and Teacher Training:**

Dates: 14/10/2024 & 15/10/2024

A meeting of the Transport Safety Committee was held to discuss road safety measures and formulate strategies for long-term awareness programs. Teachers received specialized training to help them integrate road safety education into their curriculums, making students more aware of the consequences of unsafe practices on roads.

Outcomes:

- Increased awareness among students, teachers, and parents about the importance of road safety.
- Active participation of students and NSS volunteers in spreading road safety awareness through various activities.
- Positive feedback from participants, who appreciated the educational value and real-world impact of the campaign.

Conclusion:

The Road Safety Awareness Campaign organized by NSS Unit 3 was a resounding success. Through a series of educational events and activities, the initiative significantly contributed to spreading awareness about road safety in the institution and the community. The involvement of students, teachers, and NSS volunteers was commendable, and the campaign helped instill a sense of responsibility towards safe driving practices.

Report on 'Swachhta Hi Sewa' Mega Event

Name of Event: Swachhta Hi Sewa – Mega Event Targeting Single-Use Plastic

Date: September 20, 2024

Day: Friday

Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly

Event Overview:

The National Service Scheme (NSS) Unit 3 of the Faculty of Paramedical Sciences at Bareilly International University organized a mega event under the nationwide 'Swachhta Hi Sewa' campaign. The focus of this event was on addressing the issue of single-use plastic waste. The event aimed to raise awareness about the environmental hazards of single-use plastic and to encourage participants to adopt sustainable alternatives.

Students, faculty members, and volunteers participated enthusiastically, joining hands to clean the campus and nearby areas, while also spreading the message of sustainability and plastic reduction. The event was a major step towards creating a plastic-free environment within and around the university.

Event Highlights:

- **Campus and Area Clean-Up:** Volunteers from NSS Unit 3 led a clean-up drive in and around the university, collecting single-use plastic waste and disposing of it properly. This initiative encouraged participants to reduce plastic consumption in their daily lives.
- **Awareness Campaign:** NSS volunteers educated the university community about the harmful effects of single-use plastics on the environment and human health. They distributed flyers and conducted small discussions on how to replace plastics with eco-friendly alternatives such as jute or cloth bags.
- **Sustainable Practices:** Volunteers promoted the adoption of sustainable practices by demonstrating how easily single-use plastics can be replaced by reusable items in daily activities.

Activities Undertaken:

- **Plastic Collection Drive:** The volunteers organized a thorough collection of plastic waste in designated areas of the campus and nearby localities. Proper segregation and disposal methods were followed to ensure that the waste was handled responsibly.
- **Sustainability Awareness:** The event involved presentations and discussions led by faculty members and NSS coordinators. These sessions emphasized the importance of reducing plastic consumption and making conscious lifestyle changes to protect the environment.
- **Pledge for a Plastic-Free Campus:** Towards the end of the event, all participants took a pledge to minimize their use of single-use plastic and promote plastic-free habits in their communities.

(Ankit Kumar)

Outcomes:

- **Heightened Awareness:** The event raised awareness among students, faculty, and local communities about the damaging effects of single-use plastics and the need to switch to sustainable alternatives.

- **Commitment to Sustainability:** The collective efforts demonstrated the power of community action, as students and faculty committed to promoting eco-friendly habits in their personal and professional lives.

Conclusion:

The 'Swachhta Hi Sewa' mega event, organized by NSS Unit 3 of the Faculty of Paramedical Sciences, Bareilly International University, was a great success. The focus on eliminating single-use plastic waste resonated well with participants, who engaged actively in clean-up activities and awareness drives. This initiative not only educated students and faculty about the dangers of plastic pollution but also motivated them to take actionable steps towards a more sustainable future. By addressing a critical environmental issue, the NSS unit reaffirmed its commitment to the well-being of the community and the planet.

NSS UNIT-III
Report on Cyber Crime Awareness

Name of Event: Cyber Crime Awareness Lecture
Date: 16/08/2024
Day: Friday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Event Overview:
The National Service Scheme (NSS) Unit 3 of the Faculty of Paramedical Sciences at Bareilly International University organized a comprehensive and informative lecture on cyber crime awareness on Friday, the 16th of August, 2024. The lecture was an integral part of the NSS Unit's ongoing efforts to provide students with critical knowledge and skills for navigating the challenges of the modern digital world. The event was led by Mr. Prashant Kumar Sharma, an expert in cybersecurity, who aimed to shed light on various facets of cyber crime, methods used by cybercriminals, and preventive measures individuals can take to protect themselves.

In an era where digital technology is deeply integrated into our lives, the importance of cybersecurity cannot be overstated. The lecture was timed to address growing concerns about online safety, especially among young students who are vulnerable to cyber threats. Mr. Sharma's expertise ensured that students understood both the theoretical and practical aspects of cybersecurity.

Event Highlights:

- **Awareness of Cyber Crimes:** The lecture focused on raising awareness among students about different forms of cybercrimes, including phishing, identity theft, cyberbullying, ransom ware attacks, and hacking. Mr. Sharma explained how these crimes are perpetrated, the tactics used by cybercriminals, and the consequences of these crimes on individuals and society.
- **Importance of Cybersecurity:** Mr. Sharma emphasized the critical role of cybersecurity in protecting personal information and maintaining privacy. He discussed cybersecurity measures, such as using strong passwords, enabling two-factor authentication, regularly updating software, and being cautious about sharing personal information online.
- **Interactive Demonstration:** A highlight of the event was a live demonstration by Mr. Sharma, using a mobile camera with infrared light to show how it could take continuous pictures at 10-minute intervals without the user's knowledge. This demonstration highlighted the risks of unauthorized access to personal devices.

Activities Undertaken:

Lecture on Cyber Crime:

Mr. Prashant Kumar Sharma delivered a thorough lecture covering the evolution of cyber crime, its origins, and how it has evolved into a sophisticated industry. He explained specific types of cyber crimes, using real-world examples and case studies to illustrate the severity of these crimes.

Demonstration of Infrared Light:

The live demonstration of infrared light from a mobile camera was a key highlight. Mr. Sharma used a mobile device to show how it could be covertly activated to take pictures at regular intervals without the user's knowledge. He also provided tips on detecting and preventing such intrusions.

Interactive Session:

After the lecture, an interactive session was held, where students asked questions about cybersecurity. Mr. Sharma answered questions on legal protections against cyber crime, the role of government in combating cyber threats, and best practices for maintaining online privacy.

Outcomes:

- **Enhanced Understanding:** The lecture enhanced students' understanding of cyber crimes and cybersecurity. Students left with a deeper awareness of online dangers and steps they can take to protect themselves.
- **Increased Vigilance:** The infrared light demonstration reminded students of the need for vigilance when using digital devices. Students expressed a commitment to being more cautious about their online activities.
- **Positive Feedback:** The event received positive feedback from students and faculty. Many praised the lecture for its relevance and practicality, and the interactive session was appreciated.

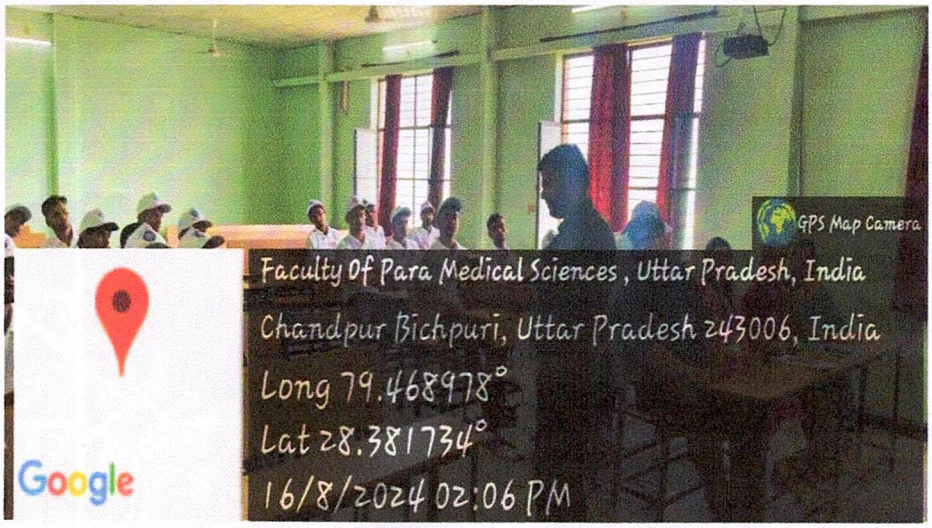

Conclusion:

The Cyber Crime Awareness Lecture organized by NSS Unit 3 was a success. The event educated students about cyber crime and cybersecurity and provided practical tools and strategies for online safety. Mr. Prashant Kumar Sharma's lecture was informative and impactful, reinforcing the importance of cyber vigilance. The NSS Unit's commitment to student safety was demonstrated through this initiative, contributing to a more informed and security-conscious student community.

NSS UNIT-III
Report on Union Budget 2024 Awareness Lecture

Name of Event: Union Budget 2024 Awareness Lecture
Date: 23.08.2024
Day: Friday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly

Event Overview:

The National Service Scheme (NSS) Unit 3 of the Faculty of Paramedical Sciences at Bareilly International University organized an insightful lecture on the Union Budget 2024 for NSS volunteers. The lecture, delivered by Mr. Surya Prakash, was designed to provide students with a comprehensive understanding of the key aspects of the Union Budget and its implications for various sectors of the economy, with a particular emphasis on initiatives and allocations under the Ministry of Youth Affairs and Sports.

The lecture aimed to demystify the Union Budget, helping students to grasp the broader economic and social goals outlined by the government for the financial year. By focusing on the Ministry of Youth Affairs and Sports, the session highlighted the government's commitment to youth development and sports promotion, aligning with the objectives of the National Service Scheme.

Event Highlights:

- **Understanding the Union Budget:** Mr. Surya Prakash began by explaining the structure and significance of the Union Budget, detailing how it is formulated and the processes involved in its approval. He broke down complex financial terms and concepts, making them accessible to the students.
- **Focus on Ministry of Youth Affairs and Sports:** The lecture emphasized the specific allocations and schemes announced for the Ministry of Youth Affairs and Sports in the Union Budget 2024. Mr. Prakash discussed how these funds are intended to support youth programs, sports infrastructure, and training initiatives across the country. He highlighted the government's focus on fostering talent and enhancing sports facilities, which are crucial for youth empowerment and national development.
- **Economic and Social Impacts:** Mr. Prakash also discussed the broader economic and social impacts of the Union Budget, including how the budgetary provisions would affect different sectors, including education, healthcare, and employment. He linked these impacts to the opportunities and challenges faced by the youth of the country.

Activities Undertaken:

Lecture on Union Budget 2024:
Mr. Surya Prakash provided an in-depth analysis of the Union Budget 2024, focusing on its key features and the priorities set by the government. He explained the significance of various

budgetary allocations and how they align with the government's vision for economic growth and social welfare.

Discussion on Ministry of Youth Affairs and Sports:

A major part of the lecture was dedicated to discussing the initiatives under the Ministry of Youth Affairs and Sports. Mr. Prakash outlined how the budget provisions would be utilized to promote sports at the grassroots level, enhance training facilities, and support youth engagement programs. He emphasized the importance of these initiatives in nurturing the potential of the country's youth.

Outcomes:

- **Enhanced Understanding of the Budget:** The lecture significantly enhanced the students' understanding of the Union Budget and its relevance to their lives and future careers. Students gained insights into how government policies are shaped and implemented through the budget.
- **Increased Awareness of Youth and Sports Initiatives:** The focus on the Ministry of Youth Affairs and Sports provided students with a clear picture of the government's efforts to support youth development and sports promotion. This awareness is expected to inspire greater participation in sports and youth programs among the volunteers.
- **Positive Feedback:** The event received positive feedback from both students and faculty members. Many appreciated the clarity with which Mr. Prakash explained complex budgetary concepts and the emphasis placed on youth and sports-related initiatives.

Conclusion:

The Union Budget 2024 Awareness Lecture organized by NSS Unit 3 was a highly informative and engaging event. The lecture, delivered by Mr. Surya Prakash, provided NSS volunteers with valuable insights into the Union Budget and the government's financial planning. By focusing on the Ministry of Youth Affairs and Sports, the event highlighted the NSS Unit's commitment to promoting youth development and sports. This initiative not only educated the students on the importance of the Union Budget but also reinforced the significance of government support for youth and sports activities in the nation's progress.

NSS UNIT-III

Report on Indian Flag Awareness Lecture

Name of Event: Indian Flag Awareness Lecture
Date: 13/08/2024
Day: Tuesday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Event Overview:

The National Service Scheme (NSS) Unit 3 of Faculty of Paramedical Sciences, Bareilly International University organized a special lecture on the importance and history of the Indian national flag as part of the "Har Ghar Tiranga" initiative. The event was led by Mr. Ankit Kumar, NSS Program Officer, with the aim of fostering patriotism and educating students about the significance of the Indian flag.

Event Highlights:

- To educate students about the history and symbolism of the Indian national flag.
- To spread awareness about the "Har Ghar Tiranga" campaign.
- To encourage students to actively participate in the campaign by hoisting the flag at their homes.

Activities Undertaken:

Lecture on Indian Flag:

Mr. Anurag Bharti delivered an insightful lecture covering the evolution of the Indian flag, its colors, and the Ashoka Chakra, emphasizing the deep significance behind the national emblem.

Awareness Campaign:

The students were informed about the "Har Ghar Tiranga" campaign, which encourages citizens to display the Indian flag at their homes during the Independence Day celebrations.

Participation in Har Ghar Tiranga:

After the lecture, students were motivated to participate in the "Har Ghar Tiranga" initiative. They took selfies with the Indian flag and uploaded them to the official Har Ghar Tiranga portal, demonstrating their support for the campaign.

Outcomes:

- Increased awareness among students about the historical and cultural significance of the Indian flag.
- Active participation of students in the "Har Ghar Tiranga" initiative, with many proudly displaying the national flag at their homes.
- Positive feedback from both students and faculty, appreciating the educational value of the lecture and the patriotic spirit it invoked.

Conclusion:

The Indian Flag Awareness Lecture was a successful event, highlighting the commitment of NSS Unit 3 of Faculty of Paramedical Sciences, Bareilly International University, Bareilly to promoting national pride and awareness. The efforts of Mr. Anurag bharti, played a crucial role in educating students about the rich history of the Indian flag and encouraging their participation in the "Har Ghar Tiranga" campaign. This initiative not only deepened students' understanding of the flag's significance but also strengthened their connection to the nation's cultural heritage.

NSS UNIT-3

Report on Tree Plantation under "100 days activity"

Name of Event: Tree Plantation Drive "Ek pedMaa ke naam"

Date: 08/08/2024

Day: Thrusday

Venue: Campus of Bareilly International University, Bareilly

Event Overview:

The National Service Scheme (NSS) Unit 3 of Faculty of Paramedical Sciences, Bareilly International University organized a tree plantation drive to promote environmental sustainability and awareness among students and staff. The event was coordinated by Mr. Ankit Kumar, NSS Program Officer, and aimed at enhancing the green cover of the university campus while instilling a sense of environmental responsibility.

Event Highlights:

- To promote environmental awareness and the importance of trees.
- To engage students and staff in a collective effort to improve the campus environment.
- To contribute to the global effort against climate change by planting more trees.

Activities Undertaken:

1. **Awareness Campaign:**
   - Informative sessions were conducted to educate participants about the importance of trees and the benefits they provide to the environment and society.
2. **Tree Planting:**
   - Volunteers participated in planting saplings in designated areas of the campus.

- Each participant was guided on the proper techniques for planting and caring for the saplings.

3. **Support Services:**
    - Volunteers ensured the saplings were adequately watered and protected.
    - Arrangements were made for the regular maintenance of the planted trees.

Outcomes:

- A substantial number of saplings were successfully planted across the university campus.
- Increased environmental awareness among students and staff.
- Positive feedback from participants regarding the initiative and their involvement.

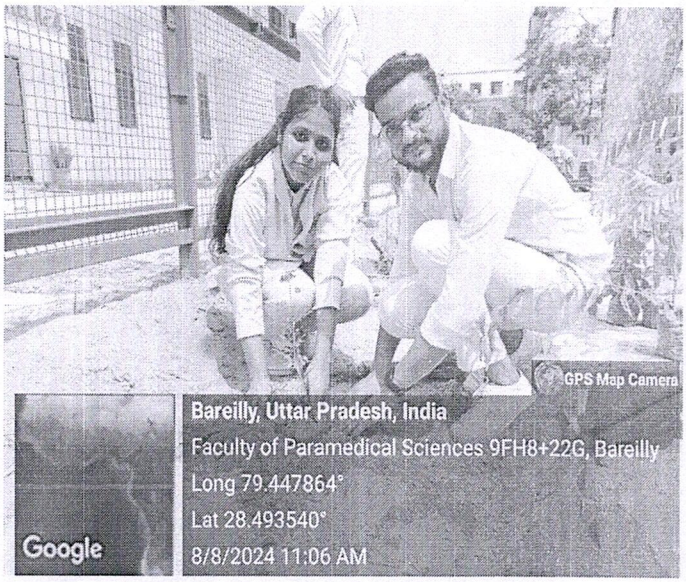

Conclusion:

The tree plantation drive was a great success, highlighting the dedication of NSS Unit 3 and Faculty of Paramedical Sciences, Bareilly International University to environmental sustainability and community involvement. The efforts of the volunteers, under the guidance of Mr. Ankit Kumar, played a crucial role in enhancing the campus environment and promoting a greener future. This initiative not only helped in increasing the green cover of the university but also fostered a sense of responsibility towards environmental conservation among the participants.

Report
on
100th Anniversary of the "Kakori Train Action"

Date: August 9, 2024

Event:100th Anniversary of the Kakori Train Action

Location: RMCH Bareilly International University

On August 9, 2024, RMCH Bareilly International University celebrated the 100th anniversary of the Kakori Train Action with a series of educational and engaging activities. This event provided an opportunity for everyone to reflect on the importance of the Kakori Train Action in India's fight for independence.

Event Highlights:

Opening Ceremony

National Anthem: The event began with the National Anthem, led by Vice Chancellor Dr. Lata Agarwal, setting a respectful tone for the day's activities.

Lecture by Ms. Shikha Singh

Historical Overview: Ms. Shikha Singh gave a detailed lecture on the Kakori Train Action. She explained the planning, execution, and aftermath of the train robbery carried out by the Hindustan Republican Association (HRA) on August 9, 1925.

Key Points:

- Strategic Planning: Ms. Singh discussed how the HRA members carefully planned the train robbery, including how they selected the Saharanpur-Lucknow passenger train as their target.

- Execution:She described how the train was hijacked at Kakori station, how the revolutionaries seized government funds, and how they managed to escape.

- Aftermath: The British response was also covered, including the manhunt, trials, and harsh punishments given to the revolutionaries.

Panel Discussion

Historical Analysis: After the lecture, a panel discussion was held where historians and scholars further explored the impact of the Kakori Train Action on the freedom movement and its lasting significance. This session allowed for a deeper understanding of the event's historical importance.

Exhibition

Historical Artifacts: An exhibition showcased historical artifacts, documents, and photographs related to the Kakori Train Action, giving a visual look into the time period and the revolutionary activities.

Interactive Booths: There were also booths with interactive displays where attendees could engage with the history through multimedia presentations and simulations of key events.

Cultural Performances

Dramatization: Students performed a dramatization of the Kakori Train Action, bringing to life the dramatic events of the train robbery and the subsequent struggles of the revolutionaries.

Patriotic Music and Poetry: The event included performances of patriotic music and poetry that honored the bravery and sacrifice of the freedom fighters.

Closing Ceremony

Inspirational Speeches: The event concluded with speeches from Principal of RMCH, Dr. Digvijay Singh, and the Registrar of the University, Dr. Sushil Kumar Thakur. They shared inspiring thoughts on the lasting legacy of the Kakori Train Action and its relevance today.

Acknowledgements: Dr. Sakshi Bhatnagar, who organized the event, was thanked for her efforts in making sure the commemoration was meaningful and well-organized.

Attendance and Participation: The event was well-attended by the Principal of Dental Sciences, the Principal of the B.I.U College of Pharmacy, representatives from Rohilkhand College of Nursing, B.I.U College of Humanities & Journalism, as well as faculty members, NSS Programme Officers, volunteers, and students from various departments.

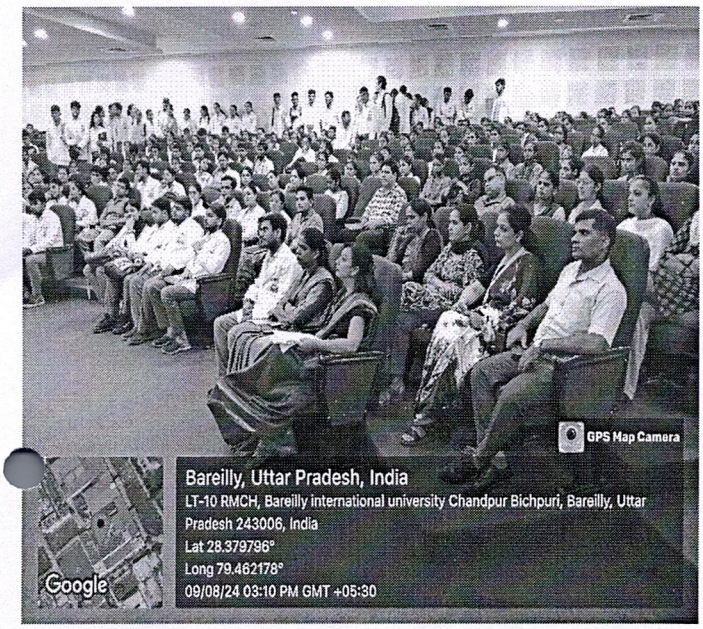

Conclusion:

The 100th anniversary of the Kakori Train Action was marked by a series of activities that honored the revolutionary spirit of the past while providing valuable learning experiences for everyone who attended. The event served as a strong reminder of the sacrifices made during India's fight for independence and highlighted the importance of remembering and learning from our history.

Report: Nasha Mukti Bharat Awareness Program

Event Date: 12th August 2024

Day: Monday

Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly

Event Overview:

On 12th August 2024, the NSS Unit 3 of the Faculty of Paramedical Sciences at Bareilly International University organized a "Nasha Mukti Bharat" awareness program aimed at educating students about the dangers of drug abuse and the importance of building a drug-free society. The event saw active participation from students who united to take a pledge against drug use.

Event Highlights:

Pledge Against Drug Use: The program began with the students taking a solemn pledge to abstain from drugs and to advocate for a healthy, drug-free lifestyle among their peers and communities.

Address by Principal Dr. Pushpendra Kannojia: Dr. Pushpendra Kannojia addressed the gathering with a powerful speech, emphasizing the severe consequences of drug use. He elaborated on the physical, mental, and social harm that drug addiction causes, urging students to remain committed to a drug-free life. His words were both inspiring and educational, reinforcing the need for awareness and vigilance.

Program Conducted by Mr. Ankit Kumar: Mr. Ankit Kumar, the NSS Programme Officer, efficiently organized and conducted the event. His dedication to the cause of a drug-free India was evident as he guided the program and motivated students to take active roles in promoting awareness. He highlighted the importance of youth participation in the "Nasha Mukti Bharat" campaign and encouraged students to be ambassadors of change.

Conclusion:

The "Nasha Mukti Bharat" awareness program was a significant success, leaving a lasting impression on all who attended. The event not only underscored the critical importance of staying drug-free but also inspired students to take the message of a drug-free society to their communities. The NSS Unit, led by Mr. Ankit Kumar, continues to play a crucial role in instilling social responsibility and awareness among students.

Report on Assisting Patients in Ayushman Bharat Hospital

Name of Event: Assisting Patients for Ayushman Bharat

Date: 16/07/2024

Day: Tuesday

Venue: Rohilkhand Medical College and Hospital, Bareilly

Event Overview:

The National Service Scheme (NSS) Unit 1 of Faculty of Paramedical Sciences, Bareilly International University, Bareilly organized a special initiative to assist patients at Rohilkhand Medical College and Hospital as part of the Ayushman Bharat program. The event was coordinated by Mr. Ankit Kumar, NSS Program Officer, and aimed at facilitating the enrollment and benefits of the Ayushman Bharat health insurance scheme for eligible patients.

Event Highlights:

- To spread awareness about the Ayushman Bharat program.
- To assist patients in understanding and enrolling in the Ayushman Bharat scheme.
- To provide support to hospital staff in managing patient queries related to the program.

Activities Undertaken:

1. Awareness Campaign

- Informative sessions were conducted in the hospital waiting areas to educate patients and their families about the benefits and eligibility criteria of the scheme.

2. Enrollment Assistance

- They guided patients through the necessary paperwork and helped them fill out forms Correctly.

3. Support Services

- They also assisted in directing patients to the appropriate hospital departments for further assistance.

4. Coordination with Hospital Staff

- Close coordination was maintained with hospital staff to ensure the smooth functioning of the initiative.
- Volunteers helped manage the influx of patients seeking information and ensured orderly processing of their queries.

(Ankit Kumar)

Outcomes:

- A significant number of patients were successfully enrolled in the Ayushman Bharat scheme.
- Increased awareness about the health insurance program among patients and their families.
- Positive feedback from both the hospital staff and patients regarding the assistance provided by the NSS volunteers.

Conclusion:

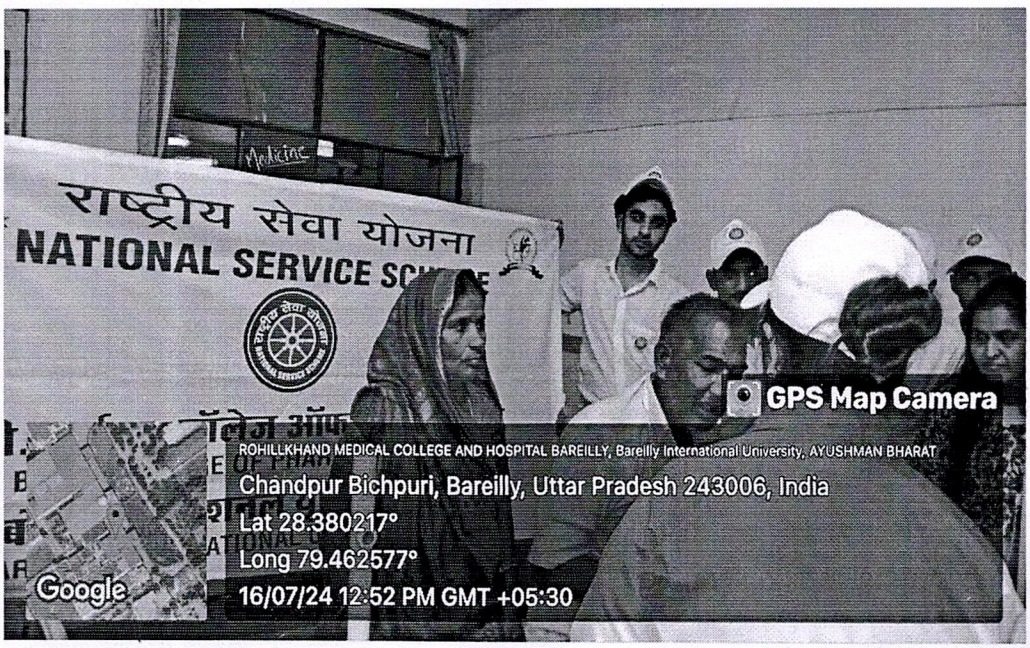

The event was a resounding success, demonstrating the commitment of NSS Unit 3 and Faculty of Paramedical Sciences, Bareilly International University, Bareilly to community service and public health improvement. The efforts of the volunteers, under the guidance of Mr. Ankit Kumar, significantly contributed to the betterment of patient services at Rohilkhand Medical College and Hospital. This initiative not only helped in spreading awareness about the Ayushman Bharat program but also empowered patients by providing them with necessary assistance to avail the scheme's benefits.

Report on Drug-Free India Campaign

Name of Event: Drug-free India Campaign

Date: 11/07/2024

Day: Thursday

Venue: Bareilly International University, Bareilly

Event Overview:

The N.S.S volunteers at Faculty of Paramedical Sciences organized a comprehensive drug abuse awareness activity. This event aimed to educate students and the community about the dangers of drug abuse and promote a drug-free lifestyle. The programme included various segments, including a lecture delivered by Ms. Sujata & an enlightening speech by Dr. Pushpendra Kannojia, the Principal of Faculty of paramedical Sciences.

Event Highlights:

Lecture by Ms. Sujata

Ms. Sujata, a renowned expert in substance abuse prevention, delivered a compelling lecture that focused on the following key points:

1. **Understanding Drug Abuse:**
   - Definition and types of drugs commonly abused.
   - The psychological and physical effects of drug addiction.
2. **Prevention Strategies:**
   - The importance of education and awareness in preventing drug abuse.
   - Effective strategies for resisting peer pressure.
3. **Support Systems:**
   - The role of family and friends in supporting individuals struggling with addiction.
   - Available resources and helplines for those seeking help.

Pledge-Taking Activity

As a crucial part of the programme, a pledge-taking activity was conducted where all attendees, including students, faculty, and community members, stood together to take a solemn vow against drug abuse. The pledge was led by the student Aditya. The key points of the pledge included:

(Ankit Kumar)

1. **Commitment to a Drug-Free Life:**
    - A personal commitment to abstain from the use of illegal drugs.
2. **Spreading Awareness:**
    - A promise to educate others about the dangers of drug abuse.
3. **Support and Solidarity:**
    - A vow to support friends and family members in their efforts to stay drug-free.

The pledge-taking activity was a powerful moment, symbolizing the collective resolve to combat drug abuse and foster a healthier, safer community.

Enlightening Words by Dr. Pushpendra Kannojia:

Dr. Pushpendra, the Principal of Faculty of paramedical Sciences, concluded the programme with a heartfelt speech. He emphasized the following points:

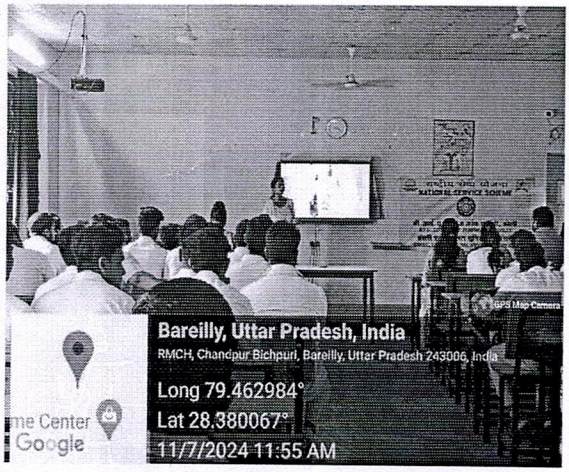

1. **The Role of Education:**
    - The crucial role educational institutions play in raising awareness about drug abuse.
    - Encouraging students to take part in awareness campaigns and peer education.
2. **Holistic Development:**
    - Promoting a balanced lifestyle that includes physical, mental, and emotional well-being.
    - The importance of extracurricular activities in keeping students engaged and away from harmful substances.
3. **Community Involvement:**
    - Encouraging community involvement in drug prevention programmes.
    - The significance of collaborative efforts between educational institutions, families, and local organizations.

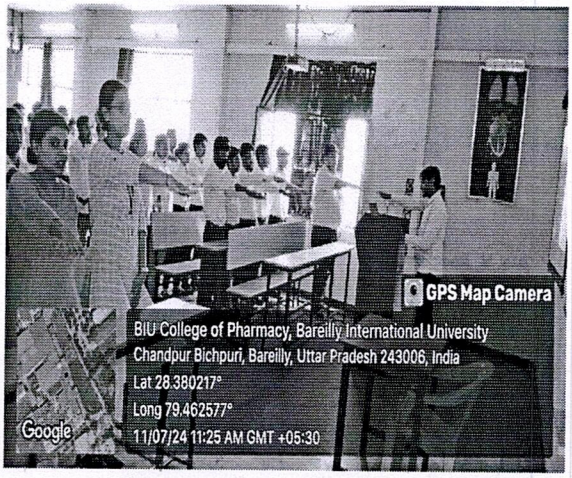

Conclusion: The drug abuse activity organized by Bareilly International University was a resounding success. The insightful lecture by Ms.Sujata and the motivational speech by Dr. Pushpendra Kannojia provided valuable knowledge and inspiration to all attendees. During the Program faculty members, teaching and non-teaching staff, students and N.S.S volunteers were present to make the event successful. Dr. Pushpendra's words left a lasting impact on the attendees, reinforcing the message of unity and collective responsibility in the fight against drug abuse. The program highlighted the importance of education, awareness, and community support in preventing drug abuse and promoting a healthy, drug-free lifestyle.

Report on Visit in Mentally Retarded Shelter cum Training Home

Date of Visit: March 1, 2024

Venue: Mentally Retarded Shelter cum Training Home

Objective: To distribute snacks to mentally retarded children and engage in interactive activities to bring joy and companionship.

Activities Undertaken:

1. **Distribution of Snacks:** We distributed nutritious snacks to the children, ensuring they received adequate sustenance.
2. **Interactive Sessions:** Engaged the children in interactive sessions such as storytelling, singing, and simple games to foster a sense of community and joy.
3. **Personal Interaction:** Volunteers had one-on-one conversations with the children to understand their individual needs and provide emotional support.
4. **Assistance with Daily Tasks:** We offered assistance to the staff in helping with daily tasks and chores around the shelter.

Impact of the Visit:

1. **Emotional Upliftment:** The children seemed delighted and engaged throughout the visit, displaying smiles and laughter.
2. **Nutritional Support:** The provision of nutritious snacks contributed to their physical well-being and health.
3. **Community Bonding:** The interactive sessions facilitated bonding among the volunteers, children, an staff, creating a supportive and inclusive environment.

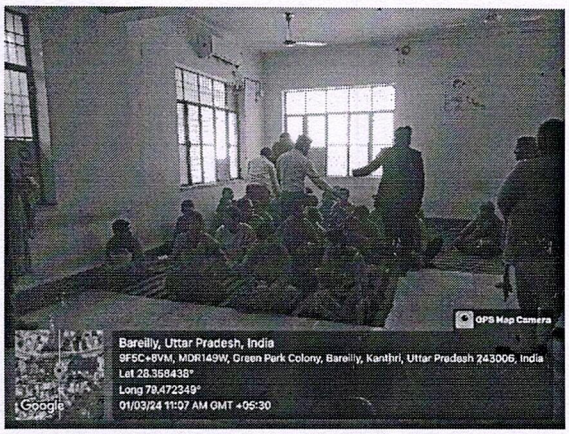

Conclusion:

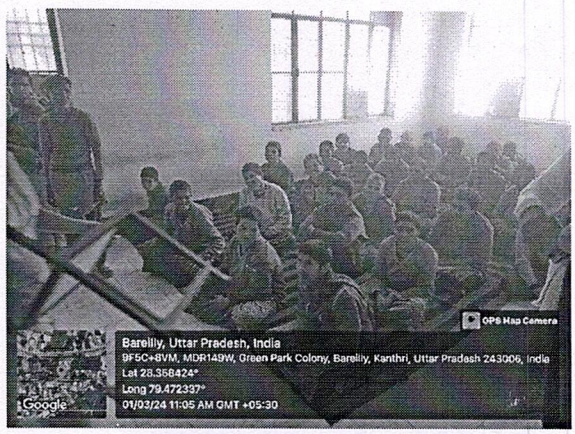

The visit to the Mentally Retarded Shelter cum Training Home was a fulfilling experience, highlighting importance of compassion and support for vulnerable communities. Through our efforts, we aimed to b joy, companionship, and a sense of belonging to the children, contributing to their overall well-being look forward to continuing our collaboration with the shelter and exploring ways to further enhanc lives of its residents. A sincere thanks to Mr. Ankit Kumar , Mr. Vishnu D. Tiwari, Dr. Swarnima (PT) for their valuable support to make this event a success.

Report on National Service Scheme (NSS) Special 7-Day Camp Unit III

Date: 11/03/2024 to 17/03/2024
Event: 7-Days NSS Camp Organized by Faculty of Paramedical Sciences, Bareilly NSS Unit- III
Number of Participants: 50 Volunteers

Objective:

The primary objective of the 7-day NSS camp was to engage volunteers in various activities aimed at community development, health awareness, disaster management, and social responsibility. The camp aimed to empower volunteers with knowledge and skills that could be applied for the betterment of society and to instill a sense of civic duty and responsibility.

Day 1 (11th March)

Plantation (A Green Beginning)

The camp commenced with a plantation drive aimed at increasing green cover in the village and promoting environmental sustainability. Volunteers planted saplings across designated areas, contributing to the ecological balance of the region. This activity not only beautified the surroundings but also raised awareness about the importance of trees in mitigating climate change.

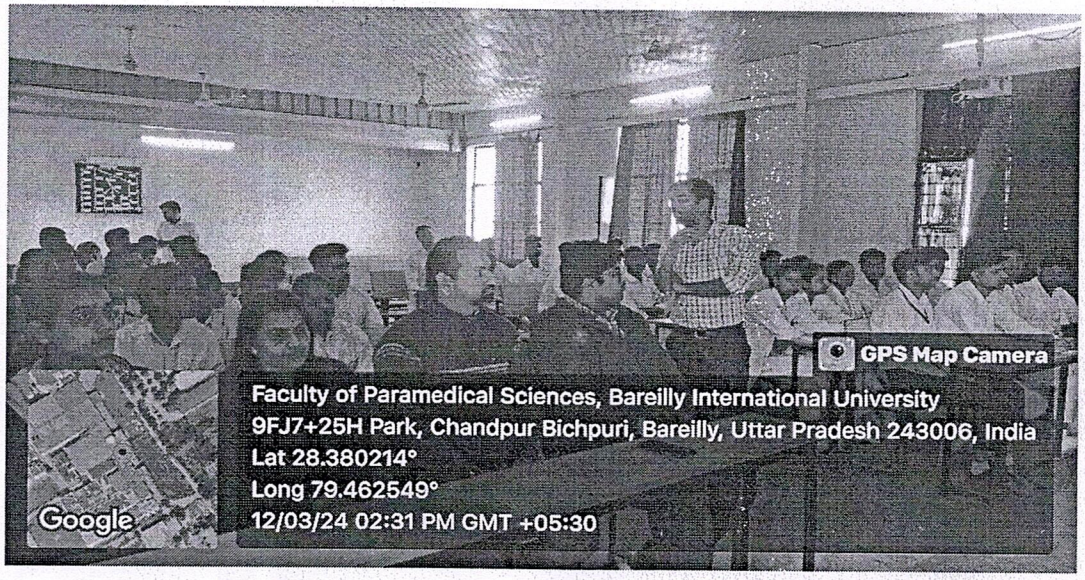

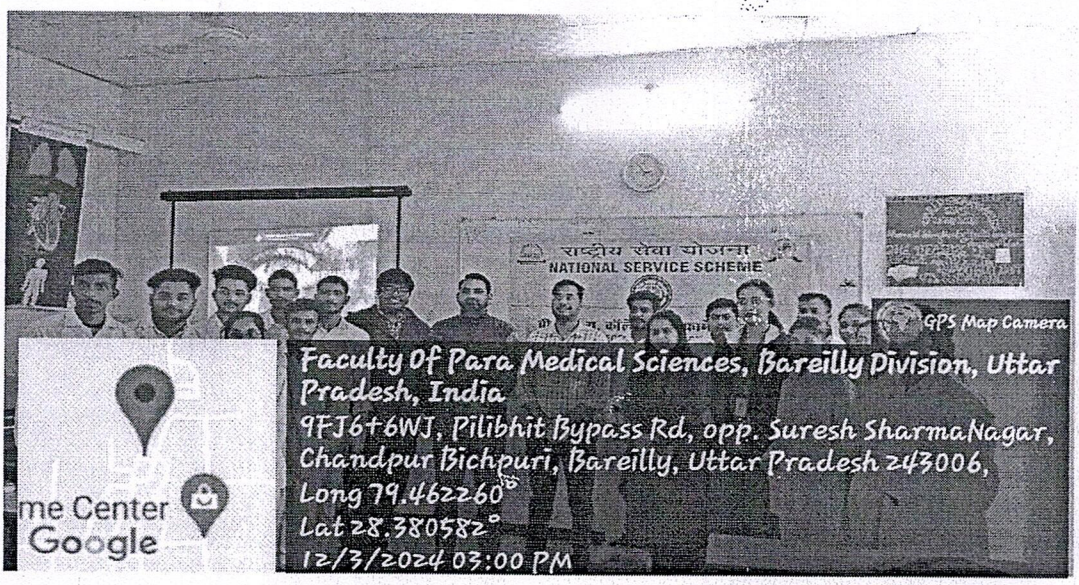

Day 2: (12th March)

Health Awareness Lecture on Glaucoma (A Clear Vision for Health)

Mr. Vishnu Datt Tiwari delivered a comprehensive lecture on glaucoma, a prevalent eye disease, highlighting its causes, symptoms, and preventive measures. Following the lecture, eye testing sessions were conducted to screen for eye-related issues, providing with valuable insights into their ocular health.

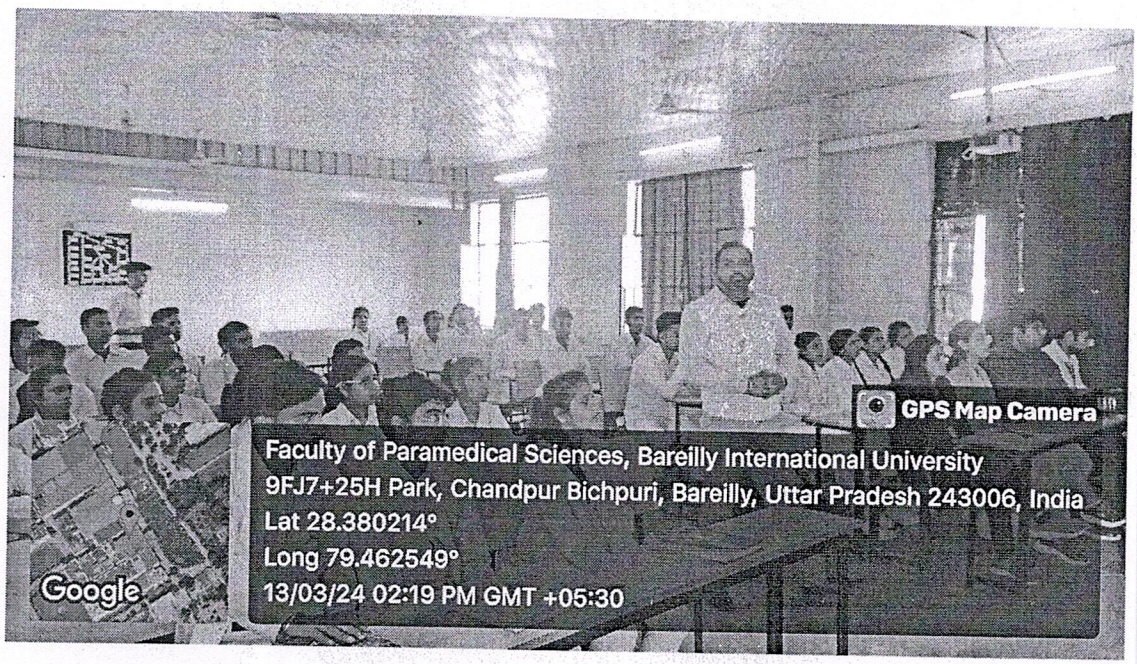

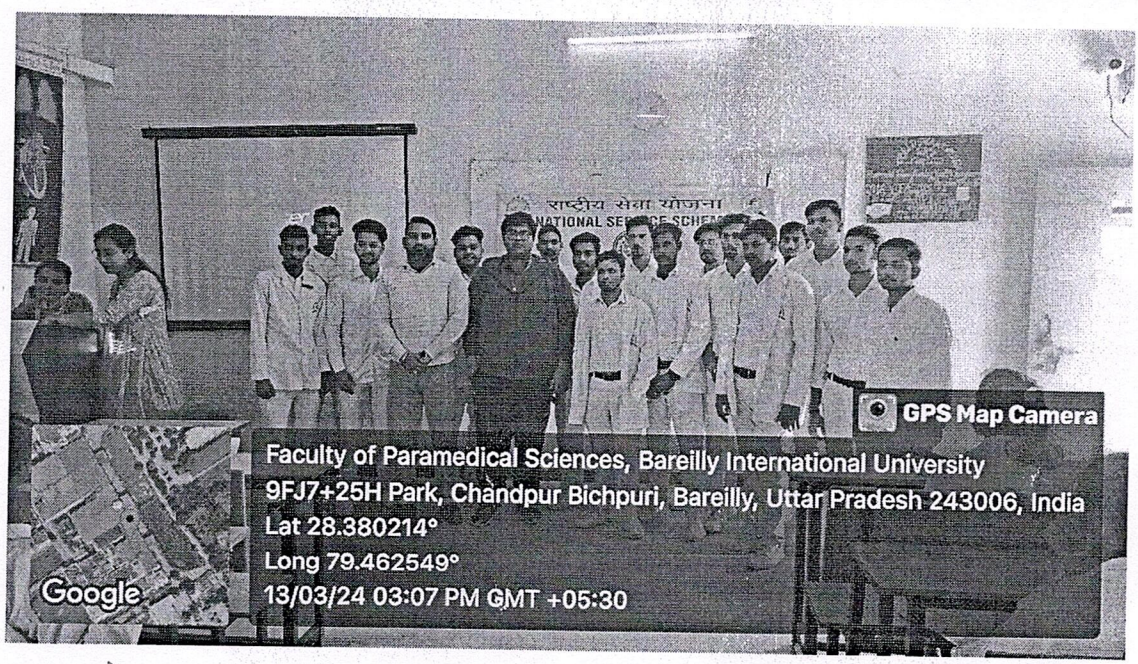

Day 3: (13th March)

Disaster Management (Preparedness in the face of Adversity)

Mr. Surya Prakash led a session on disaster management, equipping volunteers with skills and knowledge to respond effectively to natural calamities and emergencies. Practical demonstrations and simulations were conducted to familiarize volunteers with disaster response protocols and procedures.

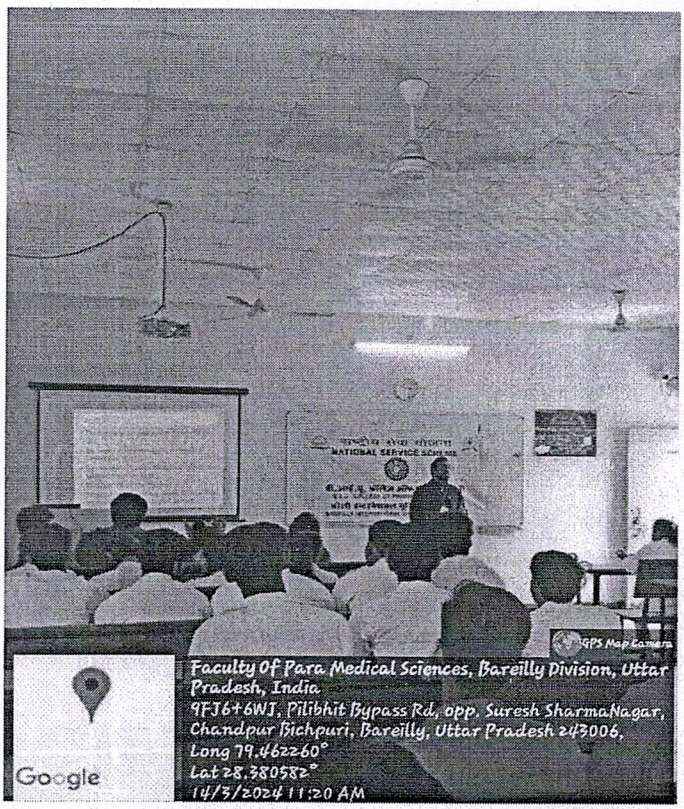

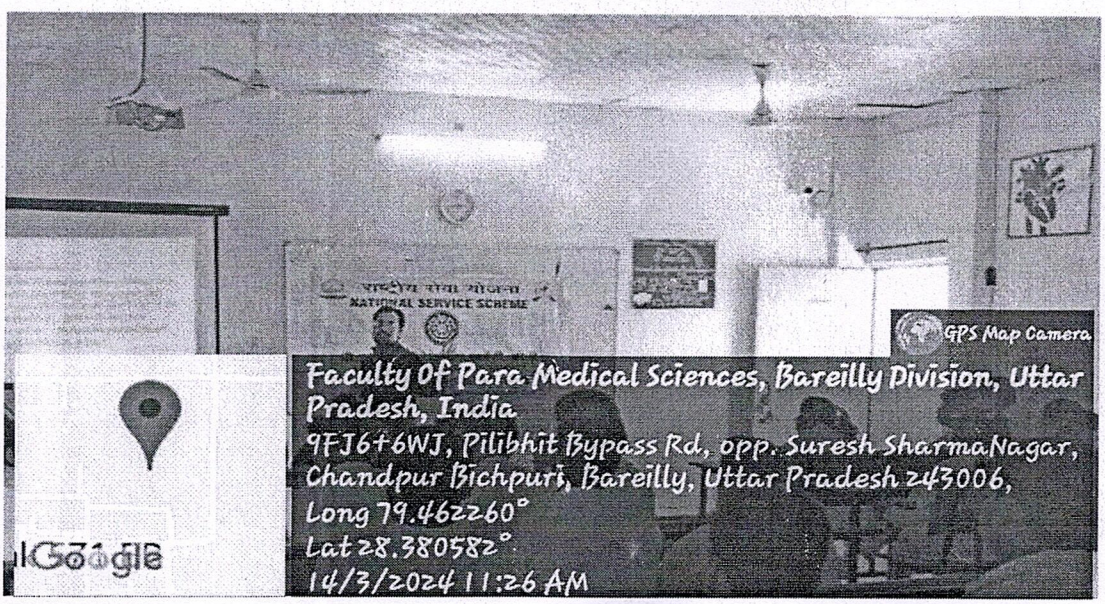

Day 4: (14th March)

CPR Workshop

Dr. Prashant Gupta conducted a workshop on Cardio-Pulmonary Resuscitation (CPR), teaching volunteers' life-saving techniques to respond to cardiac emergencies. Practical demonstrations and hands-on training enabled volunteers to learn CPR procedures effectively.

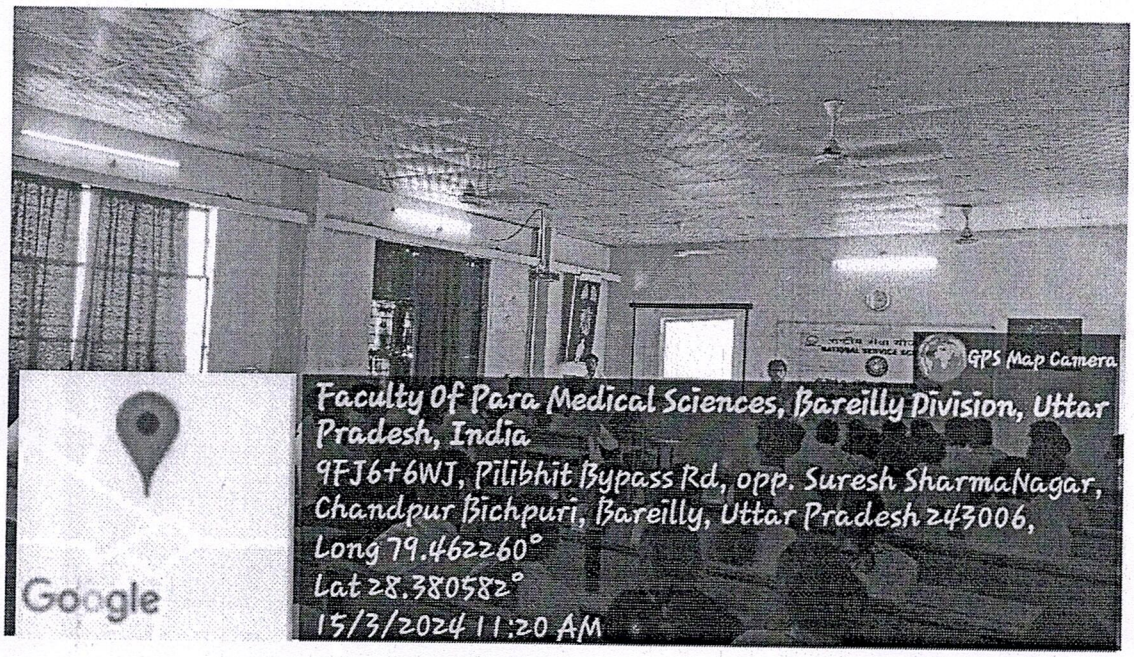

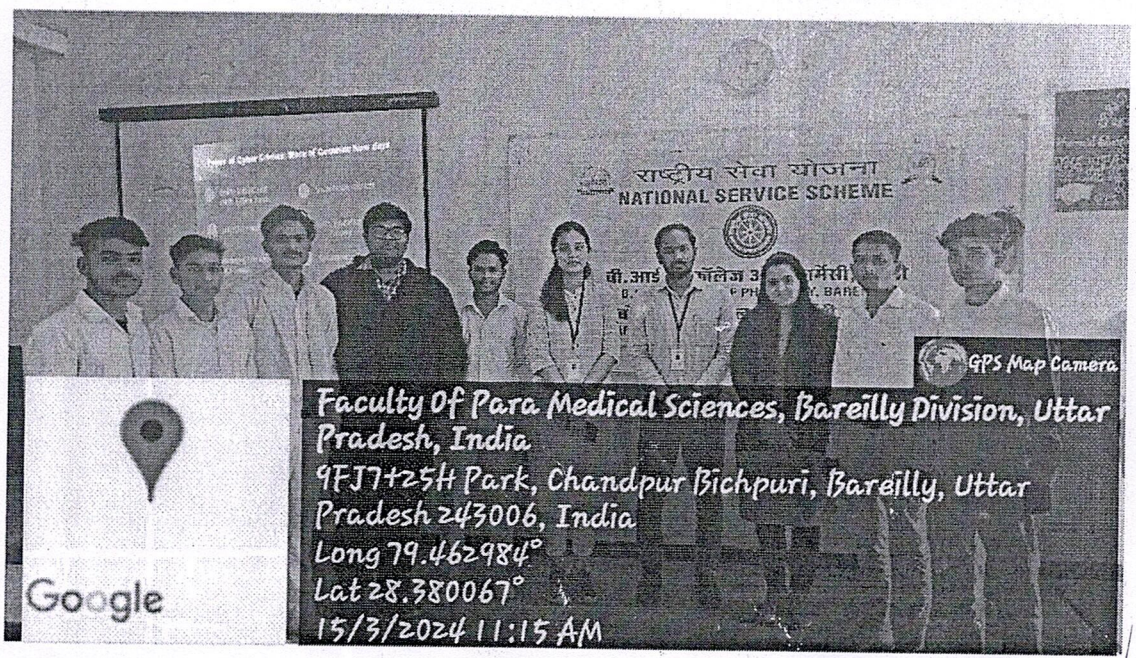

Day 5: (15th March)

Lecture on Cyber Crime Awareness (Vigilance in the Digital Realm)

Mr. Alim delivered an insightful lecture on cybercrime awareness, highlighting common online threats, cybersecurity practices, and measures to safeguard personal information. The session aimed to educate volunteers and villagers about the risks associated with online activities and ways to stay safe in the digital realm.

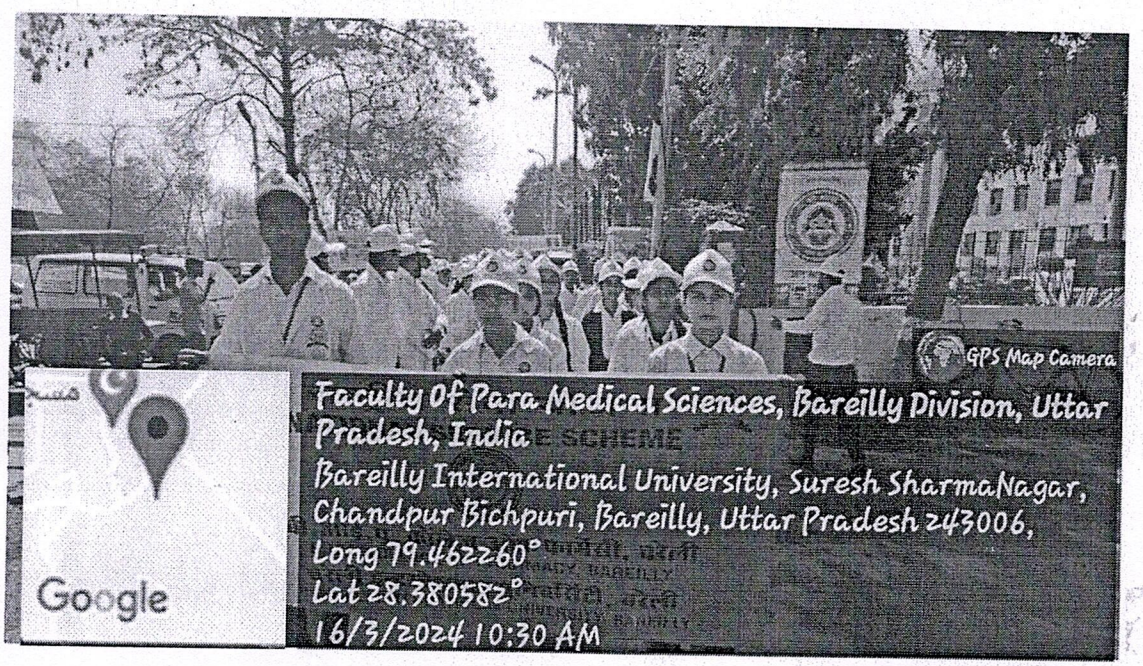

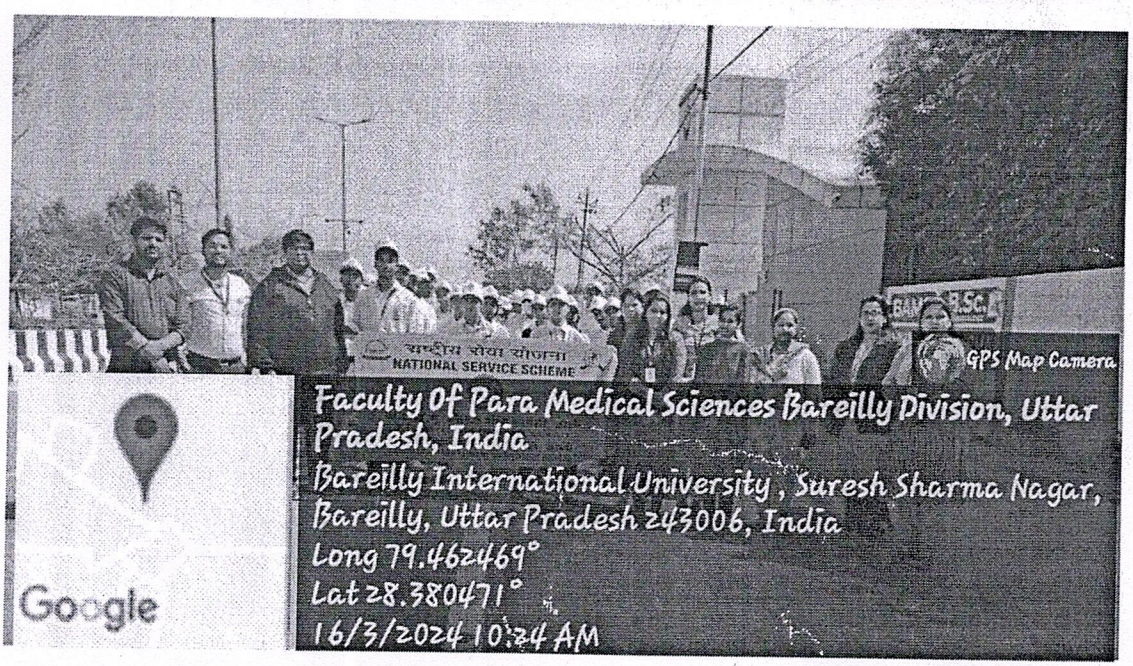

Day 6: (16th March)

Road Safety Rally (Navigating the roads to Safety)

Mr. Prashant Sharma organized a road safety rally aimed at promoting awareness about traffic rules, safe driving practices, and the importance of wearing helmets and seat belts. Volunteers marched through the village, carrying placards and banners with road safety messages, advocating for responsible road behavior.

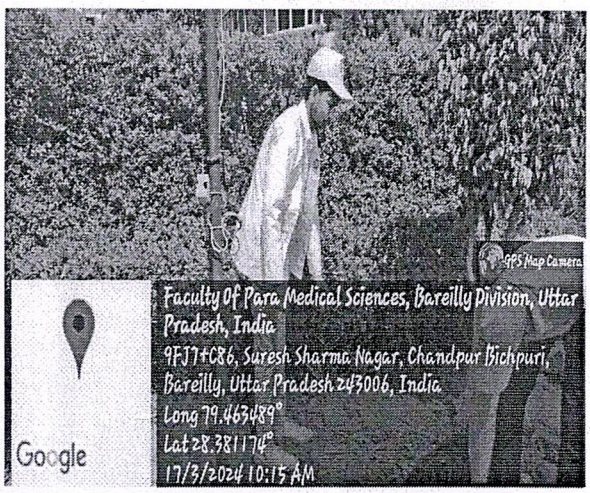

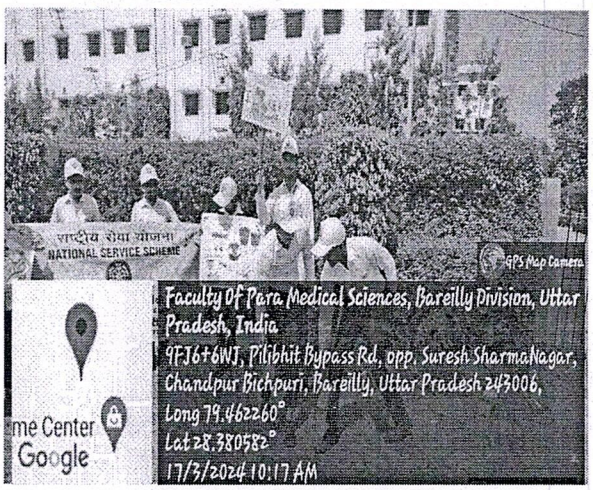

Day 7: (17th March)

Cleanliness Activities and Closing Ceremony

On the final day of the camp, volunteers engaged in cleanliness drives, undertaking various initiatives to clean public spaces and promote sanitation awareness. The activities culminated in a closing ceremony, where participants reflected on their experiences, shared insights gained, and pledged to continue their efforts towards community development.

Conclusion and Acknowledgement:

The 7-day NSS camp was a resounding success, achieving its objectives of community development, health awareness, disaster management, and social responsibility. Through a series of engaging activities and informative sessions, volunteers were empowered with knowledge and skills that will contribute to the overall well-being and progress of the village. The camp not only fostered a spirit of service and volunteerism but also left a lasting impact on the community, laying the foundation for continued efforts towards positive change and development. Dr. Pushpendra Kannojiya, Principal of Faculty of Paramedical Sciences, extended heartfelt appreciation to the NSS volunteers and program coordinators for their exemplary dedication to social service. He encouraged them to continue their efforts in contributing to the betterment of society.

Report on Women's Day Celebration – 2024

Name of Event: Women's Day Celebration
Theme of Event: Invest in women: Accelerate Progress
Date: March 8, 2024
Day: Friday
Venue: Faculty of Paramedical Sciences, Bareilly International University
Event Overview:

On March 8, 2024, Faculty of Paramedical Sciences, Bareilly International University celebrated National Women's Day with great fervour and enthusiasm. The event aimed to honor and recognize the achievements of women while also highlighting the importance of gender equality and women's empowerment in our society. We were honored to have Mrs. Shikha Singh, Assistant Professor, Rohilkhand College of Nursing as our esteemed chief guest for the event.

Event Highlights:

1. **Lecture by Chief Guest Mrs. Shikha Singh on Women Empowerment :**

The highlight of the event was a thought-provoking lecture delivered by Mrs. Shikha, a distinguished advocate for women's rights and empowerment. Mrs. Shikha shared her insights and experiences, emphasizing the importance of empowering women economically, socially, and politically. She highlighted the challenges women face in various spheres of life and called for collective action to create a more inclusive and equitable society.

2. **Lecture by Dr. Pushpendra Kannojia on Women Education:**

In addition to Mrs. Shikha's lecture, Dr. Pushpendra Kannojia, an esteemed educator and principal, faculty of paramedical sciences , delivered an enlightening discourse on the importance of education in empowering women. Dr. Kannojia discussed the transformative impact of education on women's lives, enabling them to pursue their aspirations, break barriers, and contribute meaningfully to society. He emphasized the need for accessible and quality education for all women, irrespective of their background or socio-economic status.

3. **Interactive Sessions and Discussions:**

Following the lectures, attendees engaged in interactive sessions and discussions, sharing their perspectives and ideas on how to promote women's education and literacy. Participants exchanged valuable insights and strategies for overcoming challenges and expanding educational opportunities for women across different age groups and communities.

4. Quiz Competition:

The celebration commenced with a quiz competition focusing on women's history, achievements, and contributions to society. Participants, both men and women, engaged in a friendly yet intellectually stimulating competition, showcasing their knowledge and awareness about women's issues and accomplishments.

Conclusion:

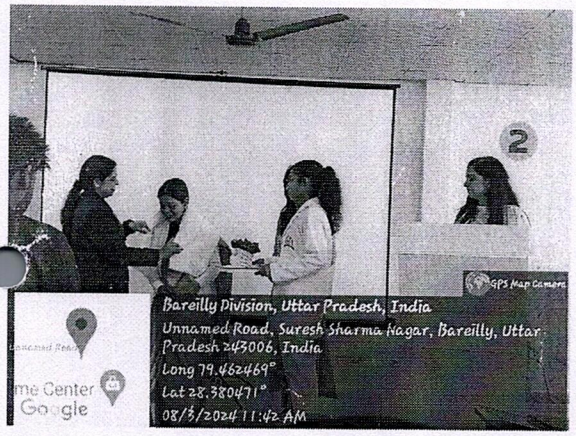

The National Women's Day celebration organized by Faculty of Paramedical Sciences Bareilly was a resounding success, bringing together individuals from diverse backgrounds to honor and celebrate the achievements of women. Through engaging activities such as quiz competitions, singing performances, and insightful lectures by Mrs. Shikha and Dr. Pushpendra Kannojia, the event inspired attendees to continue working towards gender equality, women's empowerment, and education for all. As we reflect on this memorable occasion, let us reaffirm our commitment to building a world where every woman and girl can thrive and fulfill her potential. A sincere thanks to Mr. Ankit Kumar , Ms. Gulafshan Saifi, Mrs. Mahima Tiwari, Dr. Swarnima Singh (PT) for there dedication to make this event a grand success.

Report

Date of Event: 20th March 2024
Day of Event: Wednesday

Introduction: On March 20, 2024, the National Service Scheme (NSS) program organized an event on Oral Health Day. The event aimed to raise awareness about oral health and its importance among the students. The event was meticulously planned and executed under the guidance of NSS Program Officer, Ms. Babita Sharma.

Event Highlights:

1. **Address by Dr. Pushpender Kannojia:** Dr. Pushpender Kannojia, Principal of B.I.U College of Pharmacy, delivered an insightful addresses and emphasized the significance of oral health in overall well-being and highlighted the role of pharmacists in promoting oral hygiene through appropriate medication counsellingand patient education.

2. **Lecture by Dr. Prashant Gupta:** The event commenced with an enlightening lecture by Dr. Prashant Gupta, a renowned dental expert. Dr. Gupta shared valuable insights into maintaining good oral hygiene, common dental problems, and preventive measures. His presentation was informative and engaging, capturing the attention of the audience and imparting crucial knowledge about oral health.

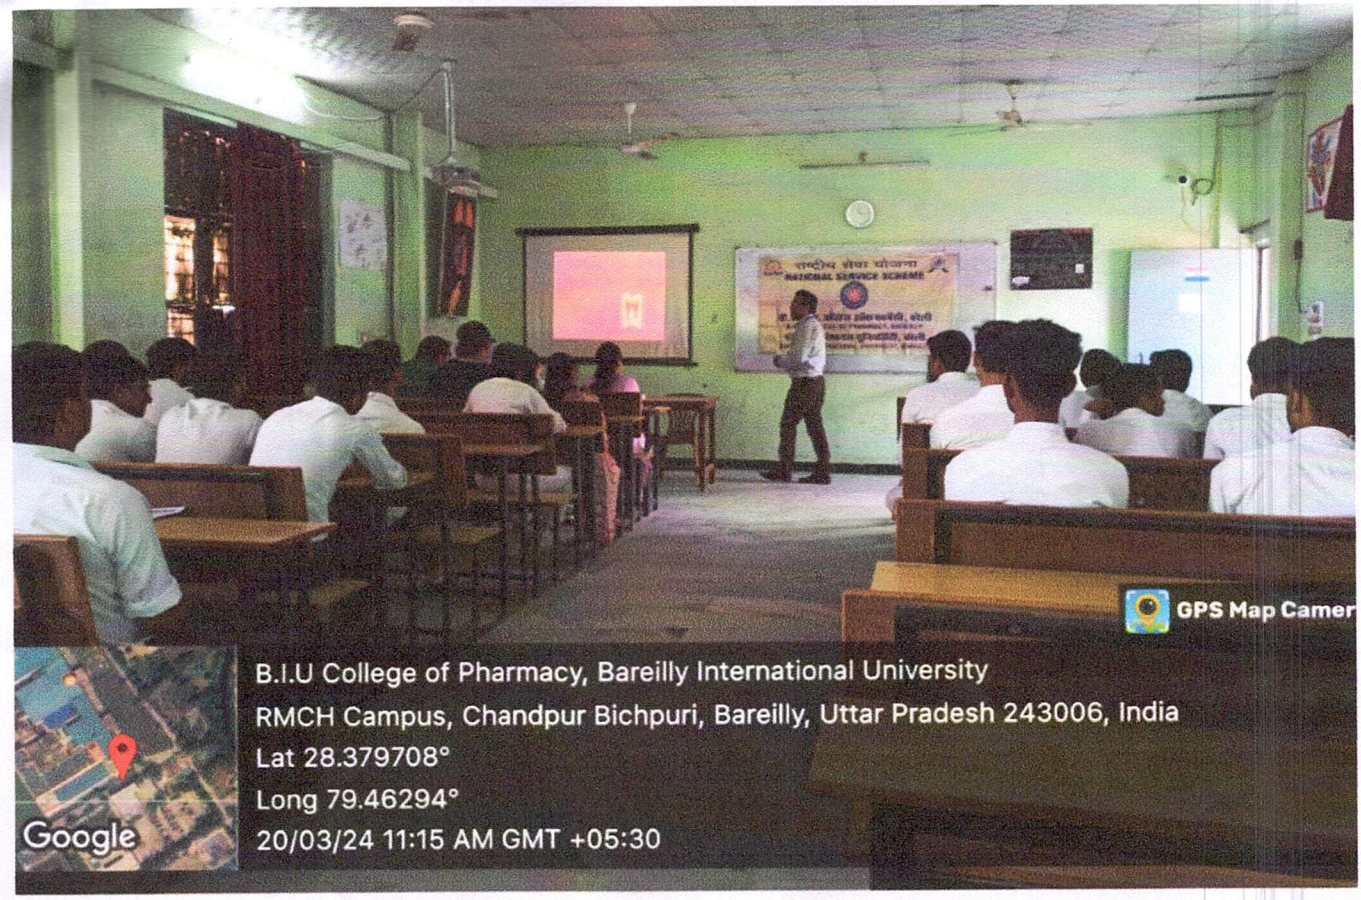

3. **Question and Answer Segment:** An interactive Q&A segment provided students with the opportunity to seek clarification on any doubts or queries they had regarding oral health. Facilitators, including dental experts and faculty members, addressed the questions raised by the students, offering valuable insights and practical advice.

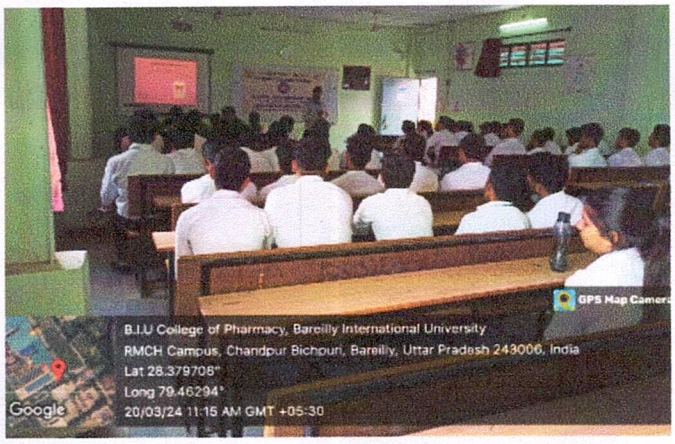

Conclusion: The Oral Health Day celebration organized by the NSS Unit at B.I.U College of Pharmacy, Bareilly International University, through significant promoting awareness about oral hygiene among the students and question and answer. The informative lecture by Dr. Prashant Gupta, coupled with the efficient monitoring by Mr. Prashant Kumar Sharma, contributed to the success of the event. Dr. Pushpender Kannojia appreciated all the event members for organizing the event for their efforts and dedication.

Report on World Oral Health Day – 2024

Name of Event: Lecture on World Oral Health Day
Theme of Event: A Happy Mouth is a Happy Body
Date: 20/03/2024
Day: Wednesday
Objective:

The objective of the event was to raise awareness about the importance of oral health and its impact on overall well-being, in alignment with World Oral Health Day. The event saw participation of NSS volunteers, along with faculty members, staff, and students from the institution.

Highlights of the Event:

1. Lecture on Oral Health:

- An expert speaker Dr. Prashant Gupta delivered a comprehensive lecture on various aspects of oral health, including preventive measures, common oral diseases, and the importance of regular dental check-ups.

- Interactive sessions were conducted to engage participants and address their queries.

2. Demonstration and Awareness Activities:

- Practical demonstrations on proper brushing and flossing techniques were organized to educate participants on oral hygiene practices.

Conclusion:

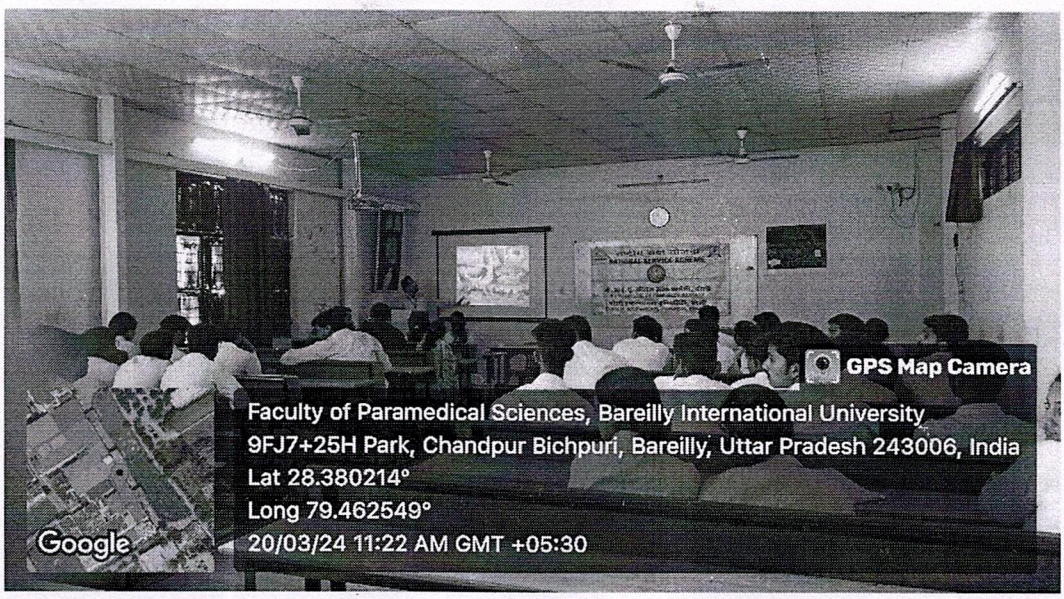

The lecture on World Oral Health Day served as a valuable platform to promote awareness about the importance of oral hygiene and preventive dental care. Through interactive sessions and practical demonstrations, participants gained insights into maintaining optimal oral health practices. The event underscored the NSS's commitment to community health promotion and empowerment. We extend our gratitude to all participants, speakers, volunteers, and organizers who contributed to the success of the event. Sincere thanks to Mr. Ankit Kumar, Dr. Prashant Gupta, Dr. Swarnima Singh (PT), and Mr. Vishnu Datt Tiwari for their contribution in making this event a success.

NSS UNIT-III

Report on World Water Day – 2024

Event Title: Street Play on World Water Day

Date: 22/03/2024

Day: Friday

Objective:

The primary objective of organizing the street play was to raise awareness about the Importance of water conservation and sustainable water management practices in observance of World Water Day.

Activities:

1. Street Play Performance: A team of enthusiastic NSS Volunteers performed a thought-provoking street play focusing on the significance of water conservation and highlighting the challenges faced due to water scarcity and pollution. The play was creatively scripted to engage the audience and convey the message effectively.
2. Interactive Sessions: Following the street play, interactive sessions were conducted to facilitate discussions among the audience members. Volunteers encouraged participants to share their perspectives on water conservation.
3. Pledge Campaign: A pledge campaign was organized wherein attendees were encouraged to commit to adopting water-saving practices in their daily lives and spreading awareness about the importance of water conservation within their social circles.

Impact:

The street play event succeeded in capturing the attention of a diverse audience and fostering meaningful conversations about water conservation. Participants expressed their commitment to implementing water-saving measures and pledged to contribute towards building a sustainable future for all.

Conclusion:

The Street Play on World Water Day served as a powerful platform to disseminate vital information about water conservation and inspire collective action towards safeguarding this precious resource. By raising awareness and fostering a sense of responsibility among individuals, the event aimed to contribute to the global efforts aimed at ensuring access to clean and safe water for all. A sincere thanks to Mr. Ankit Kumar, Dr. Swarnima Singh (PT), Mrs. Mahima Sharma, Mr. Vishnu D Tiwari for their contribution to make this event a great success.
