Response:

Bareilly International University: Infrastructure and Facilities Overview

Bareilly International University (BIU), situated in Bareilly, Uttar Pradesh, comprises several constituent units designed to provide state-of-the-art education in various fields:

1. Rohilkhand Medical College & Hospital
2. Institute of Dental Sciences
3. Rohilkhand Ayurvedic Medical College & Hospital
4. Rohilkhand College of Nursing
5. Faculty of Paramedical Sciences
6. Faculty of Forensic Sciences
7. BIU College of Pharmacy
8. BIU College of Management
9. BIU College of Humanities & Journalism

All units feature modern infrastructure and facilities that comply with the standards of relevant regulatory bodies.

Teaching and Learning Resources- BIU offers extensive teaching and learning resources, including well-equipped classrooms, ICT-enabled lecture theaters, demonstration rooms, seminar halls, and clinical learning facilities.

Lecture Theatres- The university has spacious, air-conditioned lecture halls that foster dynamic discussions. Three modern lecture theaters are equipped with LCD projectors, smart boards, JBL sound systems, and online lecture capabilities. All learning spaces are well-furnished and ventilated, enhancing the overall educational experience.

Facilities for Clinical Learning- Rohilkhand Medical College & Hospital is NABH accredited and provides a robust clinical learning environment. The hospital features more than 1500 beds, ensuring ample opportunities for bedside teaching. Students gain valuable experience in various specialties, supported by facilities like the Rohilkhand Cancer Research Centre for advanced clinical exposure.

Community Learning- The Department of Community Medicine facilitates exposure to real-world healthcare settings. Students adopt families in rural areas and engage in educational visits to public health institutions, enhancing their understanding of community health dynamics.

AYUSH-Related Learning- The Department of Wellness Naturopathy and Yoga offers a

holistic health center on campus. This facility provides integrated therapies for lifestyle diseases, benefitting many patients. During the COVID-19 pandemic, the department also provided AYUSH KADHA to support patients and staff.

Laboratories and Dissection Hall- BIU houses 58 practical and research laboratories, all equipped according to statutory guidelines. The Dissection Hall features a spacious, air-conditioned environment with advanced facilities, including a Virtual Anatomy Cadaver Dissection Table.

Central Diagnostic Laboratory- The hospital includes a fully developed, NABL-accredited central diagnostic laboratory, operating 24/7. It provides a range of services, including clinical biochemistry, pathology, and microbiology, using advanced automated equipment for quality assurance.

Skill Lab- The state-of-the-art Skill Lab features seven simulation rooms equipped with ICT facilities and high- fidelity mannequins. This lab enables practical learning across various subjects, fostering hands-on experience for students.

Through these comprehensive facilities, BIU ensures a robust educational environment that prepares students for professional success.
