4.1.3

Avaliabilty and adequency of general campus facilities and overall ambience:

General campus facilities play a crucial role in shaping the student experience, with hostels, medical facilities, and canteen, post office, bank, roads and signage, topography, greenery, alternate sources of energy, STP, clean and green tech tower, water purification plant being some of the most significant aspects.

Availability of staff quarters viz Block A to G and Tower building for residential allocation of faculty, and availability of student hostels to provide adequate accommodation to a majority of students, both undergraduate and post graduate, and facilities typically include basic amenities such as beds, desks, and storage, recreational areas, and study rooms. Campus provides devotional facility for students as well as patients.

Hostel accommodation including mess facility 24x7 hot and cold water supply, electricity supply, power back-up makes it a good campus stay. On-campus medical facilities are generally available to cater to students' health needs. These often include basic healthcare services, emergency care, and mental health support.

Availability of guest house provide stay for any students's relative and external teaching staff.

Campus canteens are typically plentiful, providing a range of food options to cater to diverse tastes and dietary requirements. They are crucial for students who live on campus or spend long hours there. The adequacy of canteen facilities often depends on the number of outlets, variety of food, pricing, and quality.

4.1.3

Availability and adequacy of general campus facilities and overall ambience

Response:

Bareilly International University, Bareilly campus runs an adequate number of campus facilities required to support its students and staff members. The facilities and the overall ambience makes the environment of the campus conducive for teaching-learning as well as extra/co-curricular activities, security of its residents and visitors, and provides help for some of the routine works of day to day life. The campus facilities include hostels, medical facilities, and toilets, bank (ATMs), etc. The campus is having a good green cover with thousands of different varieties of trees adding to the soothing and healthy ambience. A number of green initiatives adds to the sustainability of the campus like solar energy, rain water harvesting, bio gas plant, sewage treatment plant, etc. Signage and topographical maps are available at all required points throughout the campus for proper information and directions. The campus is well secured through its security services and guards are employed throughout the campus. Also, the campus is secured with 24 hours CCTV surveillance. Fire extinguishers are installed. The University has disabled friendly barrier free environment.

Hostel facilities: The University has separate hostel accommodation facility for boys and girls with ample number of rooms and enough space. The rooms are well furnished having all basic amenities along with attached toilets. Experienced hostel wardens are appointed in order to take good care of all the hostellers.

Medical Facilities: All type of General and Super-specialty medical facilities are available 24x7 in the university campus.

Wash Rooms: There are adequate number of wash rooms in the university. There are separate wash facilities for male, female and physically challenged.

Canteen Facilities for Students and Staff: University has four canteens inside the campus that provides healthy and nutritious food and snacks for staff members, All the canteens have to have FSSI certificate for operating in the campus. (Burger Farm & Nothing Before Coffee).

Departmental Store & Stationary Mart: The campus has its own departmental store for day to day needs. Apart from this a stationery store is there to provide the students with their requirements.

Bank and ATM facilities: Canara bank has a branch in the university campus providing all type of banking facilities to students and faculty members. There are many ATMs nearby the campus operated by Canara bank and IDBI bank etc.

Green & Sustainable Initiatives: Sewage water treatment plant, Rain Water Harvesting Plant, RO (Reverse osmosis) Water Purifiers Plant, Air filteration tower and Solar Power generation plant.

Greenery & Park: All the avenues and roads within the University are adorned with tall trees bearing green leaves and beautiful flowers to create a homogenous feeling amongst everyone within the campus. Park facility is available in the campus, recreation facilities is available for children.
