International Students Cell and Activities at the Institution

The institution has a dedicated International Students Cell that serves as a support system for students from abroad, fostering a welcoming environment and promoting cultural diversity. In the preceding academic year, the cell played a key role in facilitating the seamless admission, integration, and academic progression of international students. The cell provides orientation programs, counseling, and various cultural exchange activities to ensure a smooth transition for these students.

In addition to international students, the institution also accommodates students from different states within India. The cell actively addresses the unique needs of these students, ensuring they have equal access to all campus resources and support systems. Special attention is given to language assistance, cultural integration, and academic guidance, allowing students from other states to thrive in their studies and personal growth.

Memorandum of Understanding (MOUs)

The institution has established a series of MOUs with various global and national universities to enhance academic collaborations and research opportunities. These partnerships help facilitate student exchange programs, joint research initiatives, and access to international academic resources. The ongoing international relationships have allowed students in the fields of Humanities and Journalism to experience cross-cultural academic environments, attend workshops, and engage in international research.

Activities and Initiatives

Throughout the year, the institution's International Students Cell organized a range of activities, including cultural festivals, international student meetups, and country-specific showcases. In the context of Humanities and Journalism, special guest lectures, webinars, and panel discussions were held with prominent scholars and journalists from across the world, allowing students to expand their perspectives on global issues. These activities also provide students with a platform to showcase their talents and engage in meaningful dialogues on cultural and social topics.

Additionally, the institution has supported its international students by organizing cultural immersion programs, language exchange sessions, and collaborative workshops between students from different academic backgrounds. For students pursuing Journalism, the institution has also established media partnerships with international organizations, offering internships and real-world exposure to global journalism practices.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN **UV Technologies** (ISO: 9001:2005 – C. No.: GSC/0325/111 along with the Reg. No.: UDYAM-UP-08-0030090) AND **BIU College of Humanities & Journalism**

This **Memorandum of Understanding (MoU)** is entered into on this by and between **UV Technologies** (Address: Lochi Nagla, Near Shewazpur, Budaun-243601, Email- vaibhavjauhari0077@gmail.com, Mob. Number- 8126416161) and **BIU College of Humanities & Journalism**, Bareilly International University, Bareilly, U.P.

The purpose of this MoU is to formalize an industry-academia partnership between UV Technologies and BIU College of Humanities & Journalism, Bareilly International University, with the objective of providing students with valuable practical learning experiences and career advancement guidance that complement their academic studies. This collaboration aims to bridge the gap between theoretical knowledge and industry practices, empowering students to develop the skills and competencies necessary for success in the professional world. Through this initiative, both parties are dedicated to enhancing students' technical and soft skills, fostering industry-relevant learning, and preparing them for a seamless transition into their careers. By working together, UV Technologies and BIU College of Humanities & Journalism are committed to nurturing a generation of graduates who are well-equipped to meet the dynamic challenges of the modern workforce.

Scope of Collaboration

This collaboration seeks to enhance students' practical knowledge, industry experience, and career prospects through a series of targeted workshops. The following areas of expertise will be covered:

- **Web Development**
- **Digital Marketing**
- **Graphic Design**
- **Blockchain and Cryptocurrency**
- **Blockchain and Wallets**
- **Soft Skills and Professional Development**

Schedule:

One workshop on any of the topics listed above will be conducted each semester on the college campus by UV Technologies, subject to mutual agreement on timing.

Duration:

Each workshop will span two days to ensure in-depth learning and hands-on experience.

Content:

The workshops will cover key industry-relevant topics through engaging and interactive sessions. Practical exposure through hands-on projects will be an integral part of the workshops, led by experienced trainers from UV Technologies.

Skill Enhancement:
Through this collaboration, students will gain critical, real-world experience that will significantly enhance their technical and soft skills. This exposure is intended to bridge the gap between academic learning and professional expectations.

Job-Oriented Learning:
These workshops are specifically designed to provide job-oriented learning, equipping students with the skills needed to meet industry demands. Topics will be aligned with current industry trends and best practices.

Learning Outcomes:
Upon completion of the workshops, students will gain practical exposure and hands-on experience in the fields listed above, thereby enhancing their employability. Participants will also acquire skills that are directly applicable to the modern job market.

Certification:
Students who successfully complete the workshops will be awarded certificates issued by UV Technologies, validating their skills and achievements.

Feedback and Evaluation:
To ensure continuous improvement and relevance of the workshops, UV Technologies will collect feedback from students and faculty. This will help in refining future sessions and adapting the content to meet evolving industry needs.

Future Collaboration:
Both parties agree to explore further opportunities for collaboration, including but not limited to internship programs, industry visits, and guest lectures, to provide students with more holistic learning experiences.

Intellectual Property:
Any course material, presentation, or content developed during the workshops remain the intellectual property of the College and UV Technologies. Students may not distribute, sell, or reproduce these materials without prior written consent from the College and UV Technologies.

Financial Involvement

The workshops and all related activities will be provided free of cost. However, each student is required to pay a nominal registration fee of Rs. 50 for participation in each workshop. This fee will be collected by UV Technologies.

Responsibilities of UV Technologies

- **Conduct Professional Training:** UV Technologies will deliver high-quality workshops, ensuring that all content is aligned with current industry standards and best practices. These workshops will provide students with practical, hands-on experience.

Web Design Workshop at Bareilly International University

Bareilly International University (BIU) successfully hosted a comprehensive Web Design Workshop on Monday, May 26, 2025. This significant event was a collaborative initiative, meticulously organized by the BIU College of Humanities & Journalism and the BIU College of Management, underscoring the university's commitment to fostering essential skills among its students.

Objective and Vision: The primary objective of the workshop was to equip students with fundamental and advanced web design skills, recognizing their critical importance in the rapidly evolving professional landscape. The event aimed to bridge the gap between theoretical knowledge and practical application, preparing students for future career challenges and opportunities.

Inauguration and Expert Insights: The workshop commenced with an emphasis on the vital role of skill development. **Utkarsh Johri, Director of U.V. Technologies**, a distinguished expert in the field, eloquently highlighted the paramount importance of acquiring practical skills, stating, "possessing skills is essential for every individual to progress in the future." His remarks set a forward-looking tone for the workshop, resonating with the aspirations of the attendees. **Sarj Gupta** further reinforced this sentiment, emphasizing the indispensable nature of such workshops for holistic skill development.

Comprehensive Curriculum and Practical Knowledge: The core of the workshop involved an in-depth session led by **Vaibhav Johri, Founder of U.V. Technologies**. Mr. Johri provided students with comprehensive insights into various facets of web design, covering essential topics that form the bedrock of modern web development. His detailed explanations encompassed:

- **HTML (HyperText Markup Language):** The foundational language for creating the structure and content of web pages.
- **CSS (Cascading Style Sheets):** Essential for controlling the presentation, layout, and visual styling of web documents.
- **JavaScript:** A powerful scripting language for adding interactivity and dynamic behavior to websites.
- **Global Standards:** Emphasis on adhering to international web standards for accessibility, compatibility, and future-proofing.
- **Text Formatting:** Practical aspects of presenting textual content effectively on web pages.

This meticulously crafted curriculum ensured that students gained a well-rounded understanding of the core technologies and principles governing web design.

Encouragement and Support from Leadership: The workshop received significant encouragement and support from the university leadership. **Dr. Avneesh Singh Chauhan, the Principal of the college**, addressed the participating students, extending his heartfelt best wishes and congratulations. His encouraging words served as a morale booster, reaffirming the university's dedication to student success and skill enhancement.

Active Participation and Diverse Representation: The workshop witnessed enthusiastic and active participation from a diverse cohort of students, faculty members, and coordinators, reflecting the interdisciplinary nature of the event. Attendees hailed from various programs across both the BIU

College of Humanities & Journalism and the BIU College of Management, fostering a rich environment for cross-disciplinary learning and interaction.

Student Participants:

- **BA - Mass Communication:** Barshni Gupta, Yusra Zaidi, Vanshika Patel, Yanka Gangwar, Tanya Singh, Priya Devi, and Shivanshu.
- **BBA - Finance & Taxation:** Garima Verma, Shifa Intezar, Vishnu Gupta, Harshit Patel, Himesh Kumar, Priya Jha, Sana Fatima, Zainab Fatima, and Nitin Maurya.
- **B.Com (Hons):** Priyanshi Gupta, Nimra Khan, Akshita Pandey, Zamzam Fatima Lutfi, Ruby Noor, Vikas Patel, Anuja Kushwaha, and Vikesh Yadav.
- **BCA - IT & Multimedia:** Anshu Maurya, Dhruv Agarwal, Prince Rathore, Lakshya Verma, Durgesh Maurya, Manisha Joshi, Anchal Singh, Nidhi Bharti, and Alisha Qureshi.

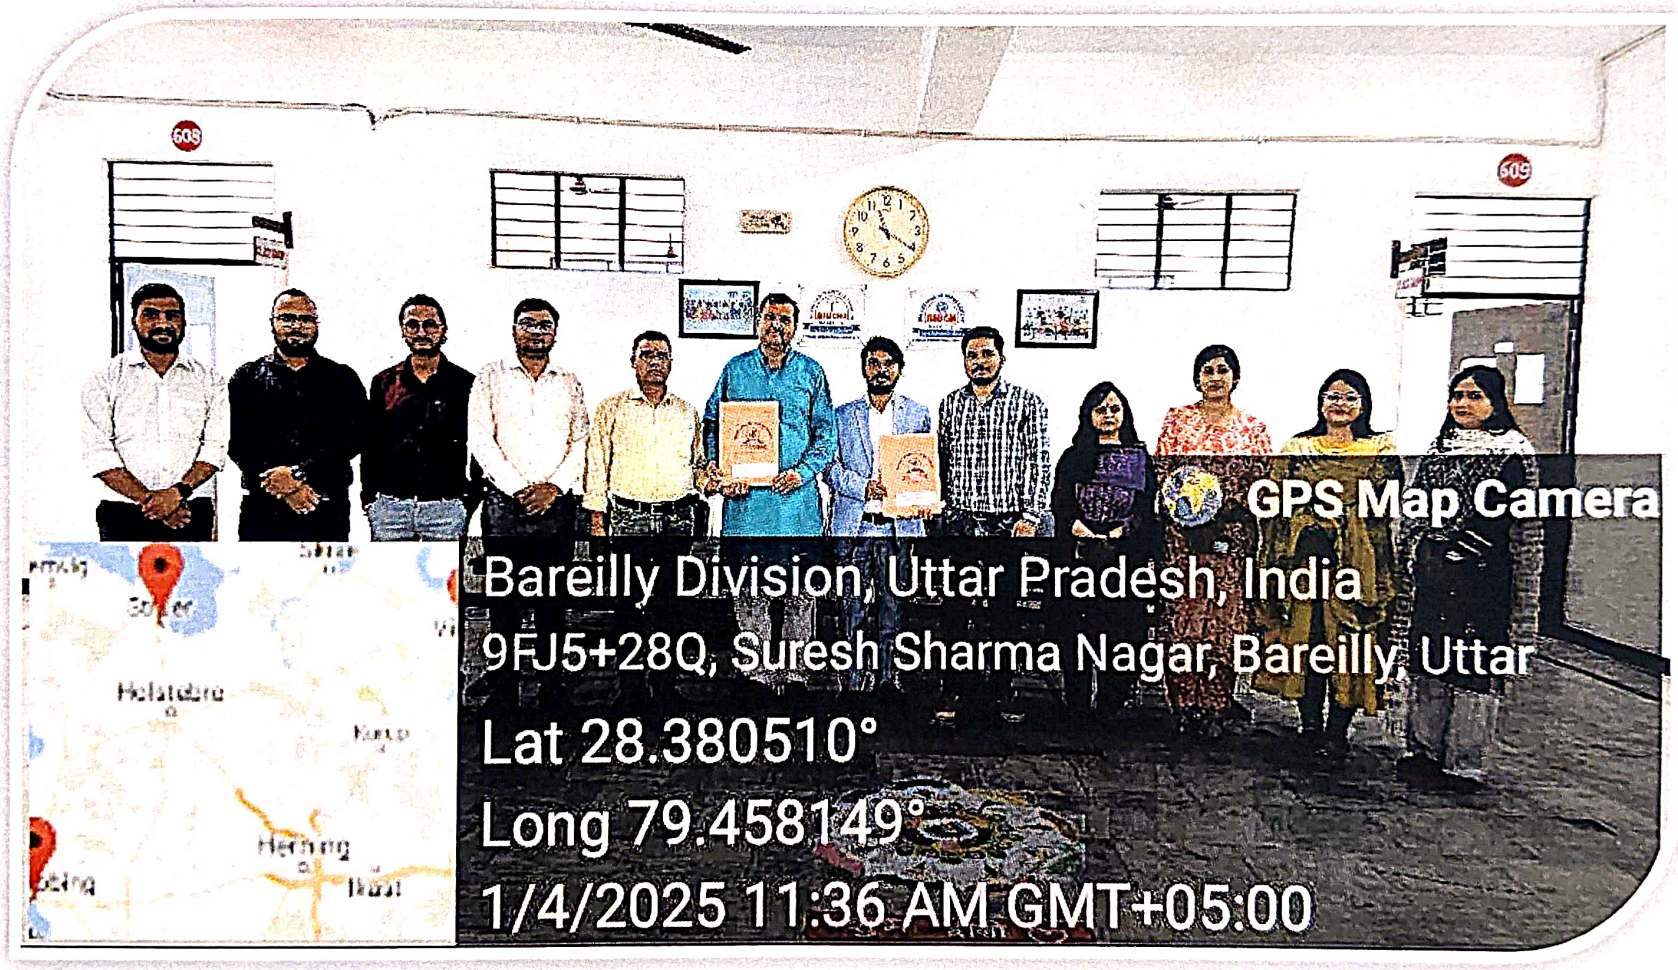

Faculty and Coordinators Present:

- **BA - Mass Communication Coordinator:** Poorvi Saxena
- **BBA - Finance & Taxation Coordinator:** Atul Babu
- **B.Com (Hons) Coordinator:** Shalini Singh
- **BCA - IT & Multimedia Coordinator:** Shivom Shankhdhar
- **Other College Faculty:** Dr. Sunil Kumar Singh, Shivanshu Agnihotri, and Shweta Singh.

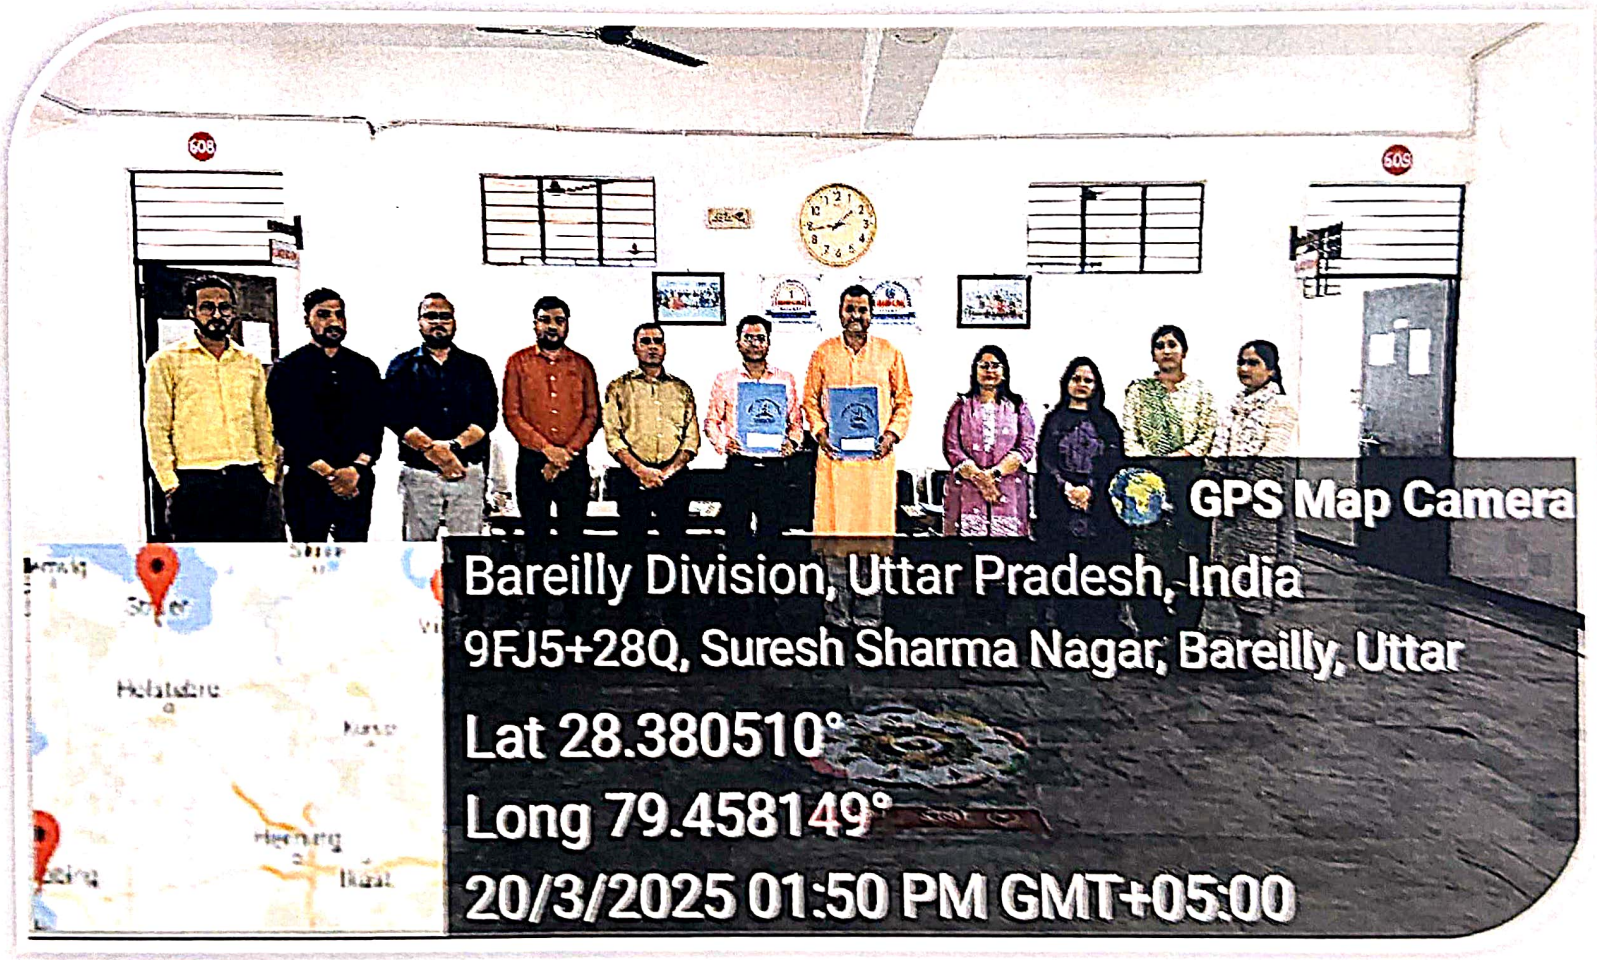

Certificate Distribution: As a testament to their successful participation and newly acquired skills, certificates were formally awarded to all students. The certificates were distributed by the program conveners and other esteemed faculty members, signifying the successful completion of the workshop and acknowledging the students' dedication.

Conclusion: The Web Design Workshop at Bareilly International University was an unequivocal success, effectively achieving its goal of empowering students with essential web design skills. The collaborative efforts of the BIU College of Humanities & Journalism and the BIU College of Management, coupled with the expert guidance from U.V. Technologies, created an enriching and impactful learning experience. The workshop not only enhanced students' technical proficiencies but also underscored the growing importance of practical skills in today's dynamic professional landscape, preparing them to thrive in their future endeavors. BIU continues to demonstrate its commitment to providing its students with opportunities that are relevant, cutting-edge, and career-oriented.

Write-up for NAAC – Student Council and Activities in Institutional Development & Student Welfare (Specific to Humanities and Journalism)

The **Student Council** of the institution plays a pivotal role in promoting student welfare, leadership development, and fostering a sense of community. The council is structured to represent the diverse interests and concerns of students across various disciplines, including Humanities and Journalism. The **election process** for the Student Council is transparent and democratic, wherein students from all departments, including Humanities and Journalism, are encouraged to participate. Nominations are invited for various posts such as President, Vice-President, General Secretary, and Treasurer, and elections are held annually to ensure fair representation.

Apart from the Student Council, students of the Humanities and Journalism departments are actively involved in several **cultural and sports cells.** These cells provide a platform for students to showcase their talents, whether through cultural events like drama, poetry recitals, debates, or sports activities. Regular **activity reports** highlight the students' achievements and contributions, demonstrating their active participation in the growth of both the institution and their personal development.

The institution also has a variety of **clubs** focused on specific interests. For example, in Humanities, there are clubs dedicated to literary pursuits, while the Journalism department hosts media clubs that help students gain practical exposure in journalism, editing, and content creation. These clubs engage in regular activities such as workshops, guest lectures, writing competitions, and publishing newsletters or magazines, which provide students with invaluable experiences. Membership in these clubs is open to all students, with leadership roles being taken up by those showing exceptional skills and dedication.

In terms of **professional society chapters,** the Humanities and Journalism departments boast active affiliations with various recognized bodies. These chapters organize seminars, conferences, and workshops, helping students stay abreast of the latest developments in their fields. Students actively participate in these events, gaining both academic insight and professional networking opportunities.

The institution also maintains **committees** where students, particularly those from Humanities and Journalism, are nominated for active participation. These committees focus on aspects like curriculum development, event management, student grievances, and sustainability projects. **Minutes of Meetings (MOM)** from these committees are regularly documented and made available for review, ensuring transparency in decision-making processes and accountability.
