PRESENCE OF STUDENT COUNCIL AND ITS ACTIVITIES FOR INSTITUTIONAL DEVELOPMENT AND STUDENT WELFARE

The Institution upholds the values of participative governance and student empowerment through the active presence of a **Student Council**. The council functions as a structured platform for students to voice their concerns, contribute to institutional planning, and collaborate in co-curricular and welfare initiatives. It promotes democratic values and instills a sense of leadership and responsibility among students across all academic programs, including **MHA, MPH, BBA, BCA, and B.Com**.

1. Details of the Student Council

The Student Council operates under the guidance of the Dean of Student Affairs and faculty coordinators. The Council is constituted through a transparent selection or nomination process that ensures fair representation from each academic program and year of study.

Key Objectives of the Student Council:

- To act as a liaison between the student body and institutional authorities.
- To organize academic, cultural, and sports events.
- To contribute to quality improvement through student feedback and suggestions.
- To foster a positive and inclusive campus environment.

The Council includes:

- President, Vice President, Secretary, and Joint Secretary
- Program-specific class representatives (MHA, MPH, BBA, BCA, B.Com)
- Coordinators for various domains (cultural, sports, academics, outreach)

2. List of Committees with Student Representation

Student members are included in various statutory and non-statutory institutional committees to ensure that their perspectives are taken into account in policy formulation and operational decisions.

Examples of Committees with Student Members:

- **Internal Quality Assurance Cell (IQAC)**
- **Anti-Ragging Committee**
- **Cultural and Sports Committee**
- **Library Committee**
- **Grievance Redressal Committee**
- **Academic Advisory Board (Student Wing)**
- **Health and Wellness Committee**
- **Placement and Career Guidance Cell**

These committees include one or more student representatives from relevant programs to ensure inclusivity and collaborative decision-making.

3. Minutes of Meetings (MoM) – Overview

Meetings of these committees are conducted periodically, and **Minutes of Meetings (MoM)** are documented and archived by the respective conveners. The MoMs reflect the participatory role of students in discussions related to academic scheduling, campus facilities, grievance handling, cultural programming, and student support mechanisms.

While MoMs are confidential and shared only with stakeholders, they typically cover:

- Issues raised by student members.
- Suggestions for academic and infrastructural improvements.
- Planning and execution of student-led events.
- Recommendations for institutional welfare and development.

These records demonstrate the effectiveness of student engagement in enhancing the academic and administrative environment.
