Minutes of the Meeting

Meeting was conducted on 20th October 2021 in Lecture Hall of Institute of Dental Sciences, Bareilly. Members welcomed by Dr Sunil The following agendas were discussed in the meeting 1. Endowment prizes 2. Modes of increasing the funds in Alumni association 3. Inviting Alumni to share their experiences to students regarding preparation for PG NEET

Meeting started with a welcome address. After discussing how COVID has changed the course of life in all professional fields a moment of silence was observed to all the near and dear who we lost in the past year. It was suggested to start an Endowment prize by the alumni to the students who are in need. This suggestion was passed successfully and it was decided to be followed up with all the Alumni once COVID protocols are relaxed. It was decided that funds from Alumni should be increased. Hence methods were requested from Alumni. It was suggested to build a strong relationship with alumni by having yearly meets and have fund raising events. This too was agreed to be followed up once COVID protocols were relaxed Alumni were welcomed to take part in guest lectures whenever they were free to help the future generation on how to choose a course, prepare for it and not to be let down if what they desired was not achieved.

Minutes of the Meeting

Meeting was conducted on 20th October 2021 in Lecture Hall of Institute of Dental Sciences, Bareilly. Members welcomed by Dr Sunil The following agendas were discussed in the meeting 1. Endowment prizes 2. Modes of increasing the funds in Alumni association 3. Inviting Alumni to share their experiences to students regarding preparation for PG NEET

Meeting started with a welcome address. After discussing how COVID has changed the course of life in all professional fields a moment of silence was observed to all the near and dear who we lost in the past year. It was suggested to start an Endowment prize by the alumni to the students who are in need. This suggestion was passed successfully and it was decided to be followed up with all the Alumni once COVID protocols are relaxed. It was decided that funds from Alumni should be increased. Hence methods were requested from Alumni. It was suggested to build a strong relationship with alumni by having yearly meets and have fund raising events. This too was agreed to be followed up once COVID protocols were relaxed Alumni were welcomed to take part in guest lectures whenever they were free to help the future generation on how to choose a course, prepare for it and not to be let down if what they desired was not achieved.

INVITATION

Dear Colleagues and Students,

Greetings from the vibrant city of Bareilly, It gives me immense pleasure to invite you to this wonderful scientific programme suitable for all Interns, Post Graduate Students, Faculty & Private Practitioners organised by Institute of Dental Sciences, Bareilly International University, Bareilly on 25th February 2023.

This scientific event will focus on the various aspects and challenges we face during full arch reconstructions in implantology along with brain storming concepts of tilted implants, immediate temporization, and various surgical and prosthetic approached to rehabilitate full mouth cases with implants. I hope you all will be benefitted by the lecture and demonstrations by very talented & experienced speaker.

I welcome you all to join us in this scientific endeavor to make this event successful.

Dr. Sathyajith Naik
Organising Chairman

Speaker is a Board Certified Implantologist, has been awarded 'Diplomate in Oral Implantology' by the American Board of Oral Implantologists (ABOI). She is a Diplomate at t International Congress of Oral Implantologists. (DICOI, USA).

She is the co author of the book CLINICAL FIXED PROSTHODONTICS and also the co author in the book GRAFTLESS SOLUTION FOR THE EDENTULOUS PATIENT. Speaker has published various articles both nationally and internationally and also maintains a successful private practice at Navi Mumbai for the past 20 years.

About The Programme

One of the major revolutions in implant dentistry is the introduction of tilted implants as a treatment modality for complete edentulous and terminally dentate patients. Advanced grafting and sinus lift procedure in severely atrophic jaws may not always be acceptable or a desirable modality for most of these patients. Tilted implants are one of the most effective techniques to functionally and economically rehabilitate such patients in minimum time duration.

KEY POINTS

This Workshop Aims at Discussing:

- The rationale of tilted implants.
- Surgical protocols for tilted implants and Zygomatic implants.
- Prosthetic components for atrophic jaws.
- Immediate temporisation including denture conversion.
- Various options in final restoration in severely atrophic jaws.
