Report on 'Swachhta Hi Sewa' Mega Event – Targeting Single-Use Plastic

Date: September 20, 2024
Day: Friday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Organized by: NSS Unit 3, Faculty of Paramedical Sciences

Event Overview:

On September 20, 2024, the **National Service Scheme (NSS) Unit 3** of the Faculty of Paramedical Sciences at **Bareilly International University** successfully organized a **mega event under the 'Swachhta Hi Sewa' campaign**, with a special focus on eliminating single-use plastic. The event aimed to promote environmental responsibility by raising awareness of the harmful effects of plastic pollution and encouraging the adoption of eco-friendly practices.

Event Highlights:

- **Clean-Up Drive:**

  Volunteers conducted a cleanliness drive across the campus and nearby areas, collecting single-use plastic waste and ensuring its responsible disposal.
- **Awareness Campaign:**

  Through the distribution of informative flyers and interactive discussions, NSS volunteers educated participants about the environmental and health hazards posed by plastic and promoted the use of alternatives like jute and cloth bags.
- **Promotion of Sustainable Practices:**

  Demonstrations were conducted showcasing simple lifestyle changes, such as switching to reusable bottles, bags, and containers to replace single-use plastics.

Activities Undertaken:

- **Plastic Waste Collection Drive:**

  Volunteers actively collected and segregated plastic waste in designated zones, ensuring eco-friendly disposal methods were followed.
- **Pledge for Plastic-Free Living:**

  At the conclusion of the event, participants took a collective pledge to minimize the use of single-use plastics and to adopt eco-conscious habits in their communities.

My Bharat Outreach Program

Date: 20th December 2024
Day: Friday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Organized by: NSS Unit-III

The My Bharat Outreach Program was organized by NSS Unit-III on 20th December 2024 at the Faculty of Paramedical Sciences, Bareilly International University. The primary objective of the event was to raise awareness among students about the **My Bharat Portal**, a government platform designed to connect youth with national opportunities such as volunteer work, training, and personal development.

The session was led by **Mr. Ankit Kumar**, NSS Program Officer, who provided a detailed presentation on the features, benefits, and functionalities of the portal. He highlighted how the platform helps youth participate in government initiatives and programs, enhancing their civic engagement and skill development.

A major highlight of the event was the **on-the-spot registration drive**, where students were assisted by NSS volunteers in creating their profiles and exploring the portal. An **interactive Q&A session** further helped clarify doubts and strengthened the students' understanding of the portal's utility.

The event received positive feedback, with several students registering during the program. The initiative successfully met its goal of promoting digital literacy and empowering students through awareness and participation in national development schemes.

PARIKSHA PAR CHARCHA

Event Name: Video Lecture on *"Pariksha Par Charcha"*
Date: 29th January 2024
Day: Monday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Organized by: NSS Unit-III

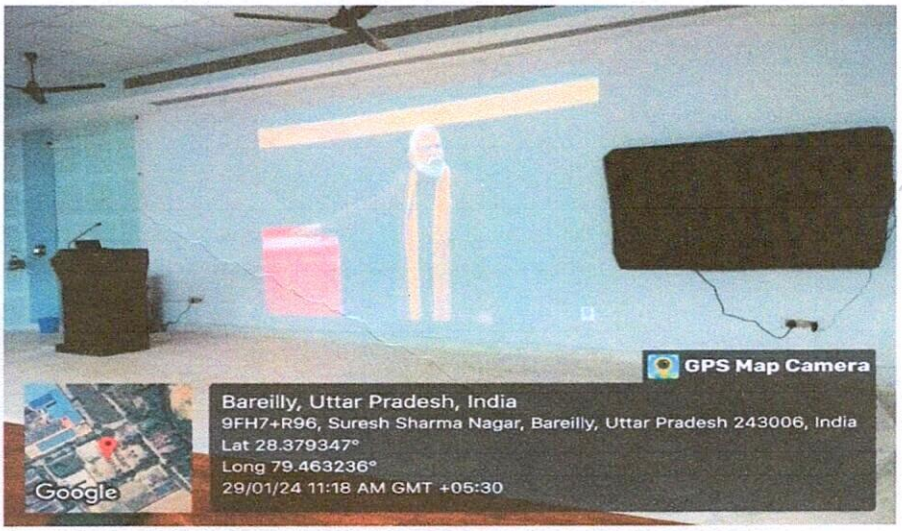

The National Service Scheme (NSS) Unit-III organized a special lecture session on **Pariksha Par Charcha**, featuring **Prime Minister Narendra Modi**, on 29th January 2024 at the Faculty of Paramedical Sciences. The event aimed to provide valuable insights and practical strategies to students for managing exam stress and enhancing academic performance.

The Online session began with an **inspiring address by Prime Minister Narendra Modi**, where he encouraged students to approach exams with a positive attitude, face challenges with confidence, and view learning as a lifelong journey. His words struck a chord with the audience, emphasizing focus, self-discipline, and mental wellness.

The program also featured **motivational talks** by renowned individuals from various professions who shared their personal journeys, setbacks, and achievements. These stories served as powerful examples of perseverance and self-belief.

To balance the intensity of the discussion, **cultural performances** were included, showcasing India's rich traditions and offering students a refreshing interlude. The performances added a vibrant and celebratory tone to the academic atmosphere.

In conclusion, *Pariksha Par Charcha 2024* was a successful initiative that not only addressed examination anxiety but also instilled a sense of resilience and optimism among students. The NSS team reaffirmed its commitment to the holistic development and well-being of the youth through such meaningful engagements.

Lecture on Indian Postal Services

Name of Event: Lecture on Indian Postal Services
Date: 24th August 2024 (Saturday)
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Organized by: NSS Unit-III, Faculty of Paramedical Sciences

Event Overview:
The National Service Scheme (NSS) Unit-III of the Faculty of Paramedical Sciences at Bareilly International University organized an informative lecture on **Indian Postal Services** on 24th August 2024. The session was conducted by **Mr. Surya Prakash**, Assistant Professor, with the objective of educating students about the historical journey, structure, and relevance of the Indian Postal Services—one of the most extensive communication and logistics networks in the world. The event aimed to bridge the knowledge gap regarding the modern contributions of this traditional institution, especially in rural development and digital transformation.

Event Highlights:
• **Historical Overview:** Mr. Surya Prakash began the session with a detailed account of the evolution of postal services in India—from ancient communication methods to the establishment of the official postal department during British rule.
• **Postal Services and Functions:** The lecture explored various services such as mail and parcel delivery, financial services (like postal savings, life insurance), and the launch of **India Post Payments Bank**.
• **Modernization and Technology:** A significant portion of the session highlighted the Indian Postal Service's efforts in embracing digital solutions, e-commerce services, IT integration, and improving efficiency to stay competitive in today's digital age.

Activities Undertaken:
• **Lecture on Indian Postal Services:** Mr. Prakash delivered a comprehensive presentation on the historical, functional, and technological dimensions of the Indian Postal Services. He also discussed present-day challenges and opportunities in the sector.
• **Interactive Session:** An engaging discussion followed, where students inquired about career paths in the postal department, the effect of digitization on traditional mail systems, and the role of postal services in national development.

World Water Day – 2024

Event Title: Street Play on World Water Day
Date: 22nd March 2024
Day: Friday
Organized by: NSS Unit-III, Faculty of Paramedical Sciences, Bareilly International University

Objective:
The primary objective of organizing the street play was to raise awareness about the importance of water conservation and sustainable water management practices, in alignment with World Water Day. The event aimed to educate students and the wider community about the urgent need to conserve water and adopt sustainable practices for a better future.

Activities:

1. **Street Play Performance:**
   • A dynamic and thought-provoking street play was performed by NSS volunteers. The play highlighted the significance of water conservation, focusing on the challenges posed by water scarcity, pollution, and the need for responsible water usage. The play was creatively scripted to captivate and engage the audience while effectively communicating the message.
2. **Interactive Sessions:**
   • After the performance, volunteers facilitated interactive sessions where the audience actively participated in discussions on water conservation practices. Attendees were encouraged to share their views, experiences, and suggestions on how they can contribute to preserving water.
3. **Pledge Campaign:**
   • A pledge campaign was organized, where participants were invited to take an oath to conserve water in their daily lives and promote awareness about its importance within their families and communities. The initiative aimed to inspire a collective effort toward sustainable water usage.

NATIONAL GIRL CHILD DAY

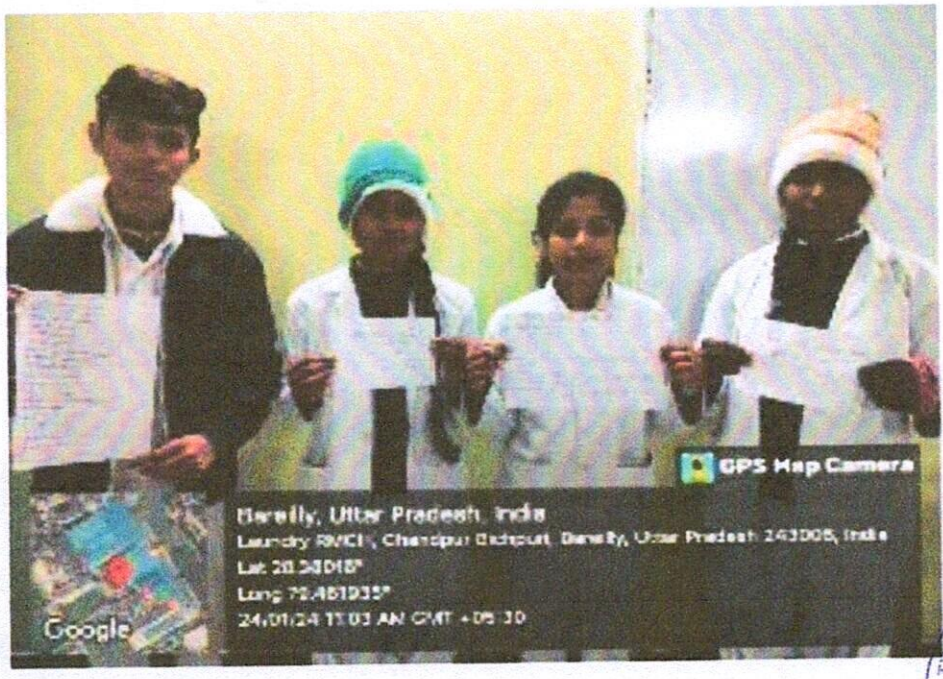

Event Name: Slogan Writing – *"From Dreams to Reality: Empower Her Journey"*
Date: 24th January 2024
Day: Wednesday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Organized by: NSS Unit-III
Number of NSS Volunteers: 15

To mark the occasion of **National Girl Child Day**, the National Service Scheme (NSS) Unit-III organized a slogan writing competition on 24th January 2024 at the Faculty of Paramedical Sciences, Bareilly International University. The event aimed to promote awareness about gender equality and the empowerment of the girl child.

A total of **15 NSS volunteers** participated enthusiastically in the event. The session began with a short introduction on the relevance of National Girl Child Day, followed by the main activity — a **slogan writing competition** on the theme *"From Dreams to Reality: Empower Her Journey."*

Participants showcased their creativity and commitment to gender equality through impactful slogans addressing issues like education, equal rights, and social empowerment for girls. An **awareness session** was also conducted to discuss the real-world challenges faced by girl children and the need for collective action in addressing them.

The event concluded on a positive note with heartfelt appreciation for all participants and volunteers. Special thanks were extended to **Mr. Ankit Kumar**, **Dr. Swarnima Singh PT**, and **Mr. Vishnu Datt Tiwari** for their guidance and contributions. The event served as a small yet meaningful initiative to inspire societal change and support the empowerment of every girl child.

NATIONAL VOTERS DAY

Event Name: Essay Writing – *"Youth Empowerment Through Voting: Shaping Tomorrow's Leaders"*
Date: 25th January 2024
Day: Thursday
Venue: Faculty of Paramedical Sciences, Bareilly International University, Bareilly
Organized by: NSS Unit-III
Number of NSS Volunteers: 25

On the occasion of **National Voters Day**, NSS Unit-III of the Faculty of Paramedical Sciences organized an impactful event on 25th January 2024, centered around the theme *"Youth Empowerment Through Voting: Shaping Tomorrow's Leaders."* The event witnessed the active participation of **25 NSS volunteers**, along with faculty support, in a series of educational and awareness-building activities.

The celebration began with an **oath-taking ceremony**, where participants pledged to uphold democratic principles and exercise their voting rights responsibly. This was followed by a **slogan writing activity**, which engaged students in creatively expressing their views on the importance of voting and civic responsibility.

The centrepiece of the event was the **essay writing competition**, where participants explored critical topics such as the influence of youth on democracy, the power of informed voting, and the role of young voters in shaping the nation's future. The essays reflected strong awareness, thoughtful analysis, and a commitment to national development through democratic participation.

The event served not only as a celebration of National Voters Day but also as a platform to educate and empower students about their role in democracy. Special thanks were extended to **Mr. Ankit Kumar**, **Mr. Vishnu Datt Tiwari**, and **Mr. Surya Prakash** for their valuable contributions in organizing and guiding the event.

Report on World Oral Health Day – 2024

Name of Event: Lecture on World Oral Health Day
Theme: *"A Happy Mouth is a Happy Body"*
Date: 20th March 2024 (Wednesday)
Venue: Faculty of Paramedical Sciences, Bareilly International University
Organized by: NSS Unit-III, Faculty of Paramedical Sciences

Objective:
The event was organized with the objective of raising awareness about the vital role of oral health in overall well-being, in alignment with the global observance of World Oral Health Day. NSS volunteers, students, faculty, and staff participated actively in the program, making it an enriching and impactful experience.

Highlights of the Event:

1. **Lecture on Oral Health:**
   • A detailed and informative lecture was delivered by **Dr. Prashant Gupta**, focusing on preventive dental care, the significance of oral hygiene, and the common oral health issues prevalent in all age groups.
   • The lecture also emphasized the importance of regular dental check-ups and early detection of oral diseases.
   • An engaging interactive session followed the lecture, where participants raised queries and received valuable expert responses.
2. **Demonstration and Awareness Activities:**
   • Practical demonstrations were conducted on correct brushing and flossing techniques to educate attendees on proper oral hygiene practices.
   • Posters and informative materials were shared with participants to reinforce oral health awareness.

World Environment Day

Event Name: World Environment Day Celebration
Theme: Restoring Our Earth
Date: 5th June 2024 (Wednesday)
Venue: Bareilly International University, Bareilly
Organized by: Bareilly International University

The World Environment Day Celebration was organized to raise awareness about the urgent need to protect and restore the environment. Aligned with the global theme *"Restoring Our Earth,"* the event brought together students, faculty, and environmental advocates to inspire action towards a sustainable future. The university was honored to have **Dr. Pushpendra Kannojia**, Principal, Faculty of Paramedical Sciences, as the chief guest.

Event Highlights:
• • **Lecture by Mr. Ankit Kumar:** Mr. Kumar, Assistant Professor, emphasized individual responsibility in promoting sustainable practices and preserving natural resources through small, consistent efforts.
• **Student Speeches:** Students from various faculties, including Aman Saifi, Atal Ojha, Anil, and Aditya, delivered compelling speeches on environmental degradation and proposed practical solutions.
• **Pledge Ceremony:** All attendees took a pledge to commit themselves to environmental conservation and restoration, reinforcing the theme of shared responsibility.

Activities Conducted:
• Motivational lectures on environmental awareness and restoration.
• Student-led speeches and ideas on eco-friendly practices.
• Collective pledge ceremony for environmental responsibility.
