"World Pharmacist Day" -2024

Theme- "Pharmacists meeting Global Health Needs"

Day- Wednesday
Date of Event- 25th September ,2024
Coordinator- Mr. Paras Kumar Prajapati
Venue- LT-14 , Rohilkhand Medical College

The "World Pharmacists Day" is celebrated on 25th September, every year. Following the same, the event was organized by Department of Pharmacy, a constituent unit of Bareilly International University, Bareilly.

World Pharmacist Day, celebrated annually on September 25, was established by the International Pharmaceutical Federation (FIP) in 2009. The goal is to highlight the critical role of pharmacists in healthcare systems worldwide. This year's theme, ["Pharmacists meeting Global Health Needs"] , emphasized the importance of pharmacists in patient care, medication safety, advancing health etc.

Honorable Principal sir , **Dr Pushpendra Kannojia** gave a speech on World Pharmacist day by discussing the importance of pharmacists in modern healthcare systems, Through which he wanted to spread awareness about the pharmacist's role in healthcare and to educate the public about the safe and effective use of medicines.

Honorable **Mr. Paras Kumar Prajapati** conducted the **Oath ceremony** , to highlight the ethical responsibilities and professional duties of pharmacists. The ceremony aimed to instill a sense of accountability and dedication among pharmacy students and professionals towards their role in healthcare.

The pharmacist's oath is a solemn promise to uphold the highest ethical standards, ensuring the safety, health, and well-being of patients. This event serves as a reminder of the core values that guide the profession, focusing on patient care, ethical practice, and lifelong learning.

The chief guest for the event was **Mr. Luvkush Prasad (Inspector of drug, District- Budaun)**, a renowned figure in the pharmaceutical or healthcare industry. The opening address focused on this year's theme and the significant contributions pharmacists make in safeguarding health and ensuring the rational use of medicines, an expert in Pharmacy Field , delivered a keynote address titled " **Pharmacist s meeting Global Health Needs** ". This session focused on Ensuring Access to Safe and Affordable Medicines, Promoting rational use of Medicines , Strengthening Public Health Initiatives, Providing Pateint centered care and addressing the global health Emergencies.

Various students participated in the events held on World Pharmacist day such as **Plantation , Poster competition , Model competition , Skit Play and Short Film** based on theme .

Report

Date of Event: 22nd March 2024
Day of Event: Friday

Introduction: On March 22, 2024, the National Service Scheme (NSS) Unit of B.I.U College of Pharmacy organized a series of activities to commemorate World Water Day. The event aimed to raise awareness about the importance of water conservation and encourage sustainable water management practices among the students and the wider community.

Event Highlights:

1. **Nukkad Natak (Street Play) on "Save Water, Save Life":** The highlight of the event was a captivating nukkad natak performed by NSS volunteers. The street play depicted the critical importance of water conservation in a compelling and entertaining manner. Through engaging dialogues and dramatic performances, the volunteers conveyed the message of preserving water resources for future generations. The nukkad natak served as an effective medium to communicate the urgency of the water crisis and motivate action towards water conservation.

2. **Awareness Campaign through Slogans and Posters:** Students actively participated in an awareness campaign by creating slogans and posters advocating for water conservation. The slogans were catchy and impactful, highlighting the need to save water for a sustainable future. Similarly, the posters featured striking visuals and powerful messages, urging people to adopt water-saving practices in their daily lives. These creative endeavour served as visual reminders to prioritize water conservation efforts and inspired individuals to take concrete steps towards preserving this precious resource.

3. **Community Engagement Activities:** In addition to the on-campus activities, NSS volunteers ventured into the surrounding community to spread awareness about water conservation. They interacted with local residents and engaged in discussions on the importance of water sustainability. Through these community engagement activities, the NSS unit aimed to extend the reach of their message and inspire collective action towards safeguarding water resources.

Conclusion: The World Water Day celebration was a resounding success by the presence of all faculty members and with the enthusiastic participation of students and volunteers. The nukkad natak, slogans, posters, and community engagement activities effectively conveyed the importance of water conservation and motivated individuals to become stewards of water sustainability. By raising awareness and fostering a sense of responsibility towards water resources, the event made a significant contribution to building a more water-conscious society.

Report on World Environment Day Celebration – 2024

Name of Event: World Environment Day Celebration
Theme of Event: Restoring Our Earth
Date: June 5, 2024
Day: Wednesday
Venue: Bareilly International University, Bareilly

Event Overview:

On June 5, 2024, Bareilly International University Celebrated World Environment Day with great fervor and enthusiasm. The event aimed to highlight the critical need to repair and restore the ecosystem that support life on our planet. We were honored to have Dr. Pushpendra Kannojia, Principal of B.I.U College of Pharmacy, Bareilly International University, Bareilly, as our esteemed chief guest for the event.

Event Highlights:

Lecture by Chief Guest Dr. Pushpendra Kannojia on Environmental Awareness:

The highlight of the event was a thought-provoking lecture delivered by Dr. Pushpendra Kannojia, a distinguished advocate for environmental conservation. Dr. Kannojia shared his insights and experiences, emphasizing the importance of restoring our earth's ecosystems. He highlighted the challenges our environment faces and called for collective action to create a more sustainable and healthier planet.

Lecture by Mr. Ankit Kumar on Environmental Awareness:

In addition to Dr. Pushpendra Kannojia's lecture, Mr. Ankit Kumar, Assistant Professor, Faculty of Paramedical Sciences, delivered an enlightening discourse on the importance of environmental awareness. Mr. Kumar discussed the transformative impact of individual and collective efforts in preserving the environment. He emphasized the need for sustainable practices and shared practical tips on how to contribute to the cause of restoration.

Student Speeches:

The event saw enthusiastic participation from student volunteers, who passionately shared their thoughts and ideas on environmental conservation. Notable speeches were given by the students Aman Saifi from Faculty of Paramedical Sciences, Atal Ojha, Anil and Aditya from B.I.U College of Pharmacy. These students highlighted various aspects of environmental degradation and proposed actionable steps including plantation so that individuals and communities can take to mitigate these issues.

Pledge Ceremony:

Following the speeches, a pledge ceremony was conducted, where all attendees committed to taking active steps towards protecting and restoring the environment. This collective pledge aimed to reinforce the importance of individual responsibility in achieving a sustainable future. The event was well-attended by students, faculty members, including participants. Their presence and participation were instrumental in making the event a resounding success.

Conclusion:

The World Environment Day celebration organized by Bareilly International University was a significant step towards raising awareness and fostering a sense of responsibility towards the environment among students and faculty. Through engaging activities such as insightful lectures by Dr. Pushpendra Kannojia and Mr. Ankit Kumar, and passionate student speeches, the event inspired attendees to continue working towards environmental restoration and sustainability. As we reflect on this memorable occasion, let us reaffirm our commitment to building a world where our environment is protected and restored for future generations. A sincere thanks to Ms. Babita Sharma Coordinator of the event, Ms. Swarnima Singh, Ms. Muskaan Malik, Ms. Sujata Katiyar, Ms. Mansi, and Ms. Suman for their dedication to making this event a grand success.
