7.1.8 DESCRIBE THE INSTITUTIONAL EFFORTS/INITIATIVES IN PROVIDING AN INCLUSIVE ENVIRONMENT I.E., TOLERANCE AND HARMONY TOWARDS CULTURAL, REGIONAL, LINGUISTIC, COMMUNAL SOCIOECONOMIC AND OTHER DIVERSITIES

To build a nation of youth who are noble in their attitude and morally responsible, the college organizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated on the campus with the initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony.

The institution believes in equality of all cultures and traditions as is evident from the fact that students belonging to different caste, religion, regions are studying without any discrimination. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socio economic and other diversities.
