TO WHOMSOEVER IT MAY CONCERN

Bareilly International University has incorporated the Choice Based Credit System (CBCS) and Electives into all academic programs wherever provision is made by regulatory bodies.

Furthermore, the University has implemented a Choice Based Credit System (CBCS) for both undergraduate (UG) and postgraduate (PG) academic programs in Allied Health Sciences and Interdisciplinary Sciences since their inception. As part of a sound academic approach, the

University has embraced Competency-Based Curriculum in the Programmes of Allied Health Sciences, Hospital Administration. These programs provide opportunities for students to choose 'Electives' from a diverse range of core, interdisciplinary, and emerging areas of knowledge.

The academic programs at BIU include those following the Choice Based Credit System (CBCS), programs incorporating CBCS and Electives, as well as those exclusively focused on Electives. Please refer to the table below for specific details on these offerings.
