- **Compliance with Financial Norms:** The funds received from alumni have been utilized as per the guidelines and policies laid down by the university. There are no discrepancies observed in the financial transactions.
- **Utilization of Funds:** The contributions have been utilized effectively to enhance the medical college's infrastructure, academic resources, and student support services.

---

5. Recommendations

To further improve financial transparency and accountability, the following recommendations are proposed:

- **Periodic Alumni Contribution Reports:** Introduce quarterly reports on alumni contributions and their impact on university development to foster continued alumni engagement.
- **Strengthening Oversight Mechanisms:** Enhance internal audit mechanisms to ensure even greater accountability and compliance with financial norms.

---

6. Conclusion

The audit of the financial contributions received by Bareilly International University from its alumni reflects sound financial management practices. The ₹2,18,000 received during the financial year 2022- 2023 has been allocated efficiently across key development areas in the medical college. No financial irregularities have been observed, and the university continues to maintain high standards of transparency in fund utilization.
